

COMMUNION ON THE MOON...

For those who don't know, there's a fascinating story surrounding "Buzz" Aldrin's "secretive" activity in space, when he became the second man to walk on the moon in 1969. He prepared Communion elements beforehand so that he could take Communion in space. The act, which has gained scattered coverage in the past, was both a coveted and a controversial one. Just before Aldrin stepped foot on the moon, he took the Eucharist, using wafers and a bottle of wine he brought into space from the Webster Presbyterian Church in Webster, Texas. Over the past decades since the 1969 moon landing, he has openly discussed the fascinating experience in detail: *"I poured the wine into the chalice your church had given me. In the one-sixth gravity of the moon, the wine curled slowly and gracefully up the side of the chalice. It is interesting to think about it...that the very first liquid ever poured on the moon, and the first food eaten there, were Communion elements."* This intriguing display of godly obedience was purportedly kept secret by the U.S. Government, despite plans that the astronaut originally had to broadcast the Christian act on the radio.

An interesting thing happened in September of 2004. Aldrin was lured to a Beverly Hills hotel on the pretext of being interviewed for a Japanese children's television show on the subject of space. When he arrived, Apollo conspirator Bart Sibrel, accosted him with a film crew and demanding he swear on a Bible that the Moon landings were faked, insisting that Aldrin and others had lied about walking on the Moon. After a brief confrontation, Aldrin punched Sibrel in the jaw. The police determined that Aldrin was provoked and no charges were filed.

Passover begins at sundown on April 15th

You Are Alive In Christ!

by Barbara Carmack

Wow! You've made it through the long, cold winter months...and what a winter it was! So much for global warming...yes, and now you will be getting ready to celebrate JESUS' Resurrection. The true Church of JESUS Christ is preparing for a great revelation from heaven during the month of April. Have you noticed - "going shopping" or "going out for Easter Dinner" does not hold the interest for you as it did before? Holy Spirit is truly being poured out on all flesh that will receive it; He is telling you that there will be an awakening in your spirit to all Spiritual Outpourings that will come on this earth and in the sky right before the Rapture and the greatest upheaval the earth as ever seen! But before that time comes, you must be alive to all that really matters in life - and right now, as the world gets ready for Easter, you must make a decision...are you going to go for the traditional, worldly celebrations, or are you going to concentrate and rest on the spiritual meaning of this great event - JESUS' Resurrection? You may take in all of the traditional activities of an "Easter celebration", and I've been there and done that; but when you realize the full impact that Resurrection Sunday has on your life...then you will be ready to change and celebrate! (page 2 for the legend of Easter)

First of all, you need to know...and, you must know by now that GOD loves people, and He loves to be around them; that's why He instructed Moses to build a Tabernacle: **"...and let them construct a Sanctuary for Me...that I may dwell among them!"** (Exodus 25:8) He loves you and He loves being around you, even putting up with all your idiosyncrasies.

Secondly, GOD realized, pretty early on, that the Law was going to wreck havoc with His people, so that's when the divine plan of a perfect Sacrifice was implemented; in fact, He gave it to Ezekiel to ponder: **"...and I shall take the heart of stone out of their flesh...and I shall put a new spirit within them...and I will give them a heart of flesh, that they may walk in My statutes and do them. Then they will be My people, and I shall be their GOD!"** (Ezekiel 11:19) When He presented this plan to His Son, JESUS agreed, and **"He Who knew no sin became sin on your behalf, that you might become the righteousness of GOD in Christ!"** (II Cor. 5:21)

You were dead in your trespasses and sins, but when you repented (repent means to turn around - 180 degrees), GOD, because of His infinite mercy, changed your heart of stone into a heart of flesh and...II Cor. 5:17 explains - **"...you became a New Creation; the old past and the old sinful ways are gone...the new has come!"** Your heavenly Father took you into His secret Lab and through His divine Power, created you "Brand New". He **"...made you alive together with Christ (by grace you have been saved) and raised you up with Him, and seated you with Him in the heavenly places."** (Ephesians 2:6) You are in Royal Company in your new life! Through JESUS Christ, your heavenly Father has made it possible for you to do great things you would've thought impossible: **"All things are possible to those who Believe!"** (Mark 9:23) **"In Him you live and move and have your being!"** (Acts 17:28)

Celebrate - You Are Alive In Christ!

The Bible In The News... Tampering With Your Freedoms:

by Wayne Allyn Root

Barack Hussein Obama is no fool; he is not incompetent. On the contrary, he is brilliant. He knows exactly what he's doing. He is purposely overwhelming the U.S.

economy to create systemic failure, economic crisis and social chaos thereby destroying capitalism and our country from within. Barack Hussein Obama was my college classmate (Columbia University, class of '83).

He is a devout Muslim; do not be fooled. Look at his czars...anti-business and anti-American. As Glenn Beck correctly predicted from day one, Barack Hussein Obama is following the philosophy of Cloward & Piven, two professors at Columbia University. They outlined a plan to socialize America by overwhelming the system with government spending and entitlement demands. His platform was "Change"...and add everything up that he's already changed and is determined to change. Taken individually, they're alarming. Taken as a whole, it is a brilliant - Machiavellian game plan to turn the United States into a Socialist/Marxist state with a permanent majority that desperately needs government for survival...and can be counted on to always vote for even bigger government. Why not? They have no responsibility.

Universal Health Care: The Health Care bill has very little to do with healthcare. It has everything to do with **unionizing** millions of hospital and healthcare workers as well as adding 15,000 to 20,000 new IRS agents (who will join government employee unions). Obama doesn't care that giving free healthcare to 30 million Americans will add trillions to the national debt. What he does care about is that it cements the dependence of those 30 million voters to Democrats and big government. Who but a socialist revolutionary would pass this reckless spending bill in the middle of a depression?

It's Resurrection... not Easter!

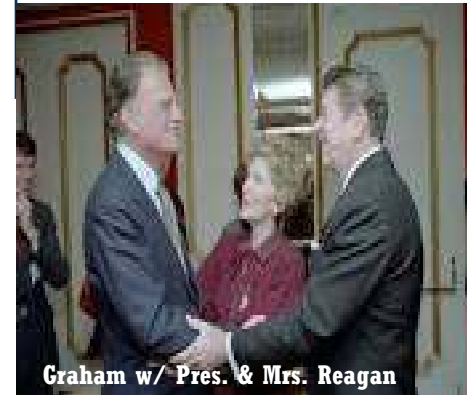

Because the New Testament Church celebrates **Resurrection Sunday on April 20th** this year, the Heart-cry and Praise Report section is replaced with an article on the Resurrection. May you be reminded of what JESUS did for you on the cross, and may you confirm what He did by saying, "Happy Resurrection!" It's important that you establish a precedent in your household where you celebrate Resurrection and not Easter. Easter is a heathen holiday, that had its beginnings hundreds of years before JESUS was born. It is a tangled web of folk lore and human sacrifices that are symbolic of everything that is against GOD and the Bible. When someone comes up to you this year and proclaims to you, "Happy Easter", the Father would be blessed if you returned that greeting with, "**Happy Resurrection in JESUS' Blood!**" to them. If the church does not stand up to this false "Christian" holiday, then everything that JESUS did for the church is for nothing. So, make a new declaration today...that you will celebrate JESUS' Death and Resurrection and not be defiled in the heathen practice called Easter!

How did the Easter Bunny come about? Babylonian legend records that the great warrior, Nimrod (Genesis 10:9), married his mother, Ishtar, who changed her name to Queen Easter. Because Queen Easter's son, Tammuz loved rabbits, legend has it that when he was killed by a wild pig, Queen Easter created **egg-laying rabbits** as a memorial to her son. The babies that were born from the unions of the temple priests and young virgins, were sacrificed on the altar and **eggs were dyed red from the blood of the babies** and given as offerings to Queen Easter.

It is in this graphic setting that this legend became mixed with the story of the Resurrection...and after many decades, **JESUS' Resurrection became synonymous with Easter!** How blasphemous to mix this horrible legend with something so pure and good. But that's what satan does to get Christians to commit idolatry and engage in defilement...ignorant of the consequences. In reading this macabre legend of Easter, you will realize that paganism has infiltrated the contemporary Christian churches. You can change these traditions....Yes, you can!

May "**Happy Resurrection**" be on your lips this Resurrection Sunday!

"I Know Where I'm Going...."

Graham w/ Pres. & Mrs. Reagan

Leaders in Charlotte, NC, invited their favorite son, Billy Graham, to a luncheon in his honor. Because Billy struggles with Parkinson's disease, he hesitated to accept, but the Charlotte leaders said, "We don't expect a major address. Just come and let us honor you." So he agreed. After the luncheon, Dr. Graham stepped to the rostrum, looked at the crowd, and said, "I'm reminded today of Albert Einstein, the great physicist who has been honored by Time magazine as the Man of the Century. Dr. Einstein was once traveling from Princeton on a train when the conductor came down the aisle, punching the tickets of every passenger. When he came to Einstein, Einstein reached in his vest pocket, but couldn't find his ticket, so he reached in his trouser pockets; it wasn't there. He

looked everywhere but still couldn't find it. The conductor said, 'Dr. Einstein, I know who you are; we all know who you are. I'm sure you bought a ticket. Don't worry about it.' Einstein nodded appreciatively. The conductor continued down the aisle punching tickets. As he was ready to move to the next car, he turned around and saw the great physicist down on his hands and knees looking under his seat for his ticket. The conductor rushed back and said, 'Dr. Einstein, don't worry, I know who you are; it's no problem. You don't need a ticket. I'm sure you bought one.' Einstein looked at him and said, 'Young man, I too, know who I am. What I don't know is where I'm going.'"

Having said that, Billy Graham continued, "See the suit I'm wearing; it's brand new. My children, and my grandchildren are telling me I've gotten a little slovenly in my old age, so I went out and bought a new suit for this luncheon and one more occasion. You know what that occasion is? This is the suit in which I'll be buried. But when you hear I'm dead, I don't want you to immediately remember the suit I'm wearing. I want you to remember this: I not only know who I am; I also know where I'm going!" (email submitted by Terri Michel)

May each of you have lived your lives so that when your ticket is punched you don't have to worry about where you are going.

"Life without GOD is like an unsharpened pencil - it has no point."

Homes Of Refuge

Saving the Lost...Loving the Unlovable

When I (Tony) first came to this orphanage nearly three years ago, I took note of Will because he always seemed to stick close to me and he desired to be wherever I was. I asked him one day, "What do you want to be when you grow up?" "A professional soccer player!" was his answer (many of you may recall the newsletter from 2 ½ years ago in which we spoke about him, and presented him with his first pair of soccer shoes!). Years have passed, and Will has realized the difficulty of becoming a professional soccer player, and also the wisdom of studying in order to better prepare himself for the future. That is why he has now chosen to pursue electronic engineering. The only way he can do this is if the Home of Refuge helps him, because otherwise he will not have the means to follow this dream and secure a better life. We praise GOD and thank you for providing the funds for Will to complete his first year of college - PAID IN FULL!

WILL

GOD is faithful; we have seen their faces...we have heard their laughter...we have witnessed the joy and contentment of children who are full after a healthy meal, and who know what it is like to sleep in a bed of their own, without fear, sheltered from the elements and nightmares that were once their reality. It is because of your giving that a dream has come true for them. May GOD bless you for your love and your giving!
