

# The Good Ol' Days...

(email submitted by Jerry Becker)

**Remember** the “good ol’ days” when precaution was thrown to the wind. A dip in the ol’ swimming hole was far better than the pristine neighborhood pools today, with the chlorine to protect us from bacteria. **Remember** when there were no car seats and the children were allowed to crawl all over the back seat. When we rode our bikes, we had no helmets. Sure there were scrapes and bruises but they were good war stories...those were the days! **Remember** when Mom used to cut up chicken, chop eggs and spread mayo on the same cutting board with the same knife and no bleach, but we didn’t seem to get food poisoning. **Remember** when summers were spent behind the push lawnmower and there wasn’t such a thing as lawn service. When mowers came with motors, they came without automatic blade-stop or an auto-drive. How sick were our parents to let us use those contraptions? And we didn’t get paid; we did it because we were told to do it...or else! **Remember** when we played “kick the can” and “king of the hill” on the gravel piles in the empty construction sites and when we got hurt, Mom pulled out the 48-cent mercurochrome and then we got our butts spanked.... Now it’s a trip to the emergency room, followed by a 10-day dose of a \$49 bottle of antibiotics; then Mom calls the attorney to sue the contractor for leaving a horribly dangerous pile of gravel.

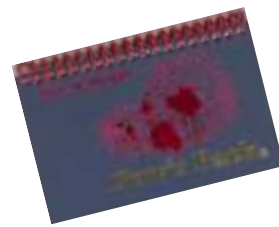

That generation produced some of the greatest risk-takers and problem solvers our country has ever seen. We had the freedom, failure, success and responsibility, and we learned how to deal with it! Yes, those were the ‘good ol’ days!’

## ATTITUDE CHECK...

by Barbara Carmack

Maybe it’s been awhile since you’ve checked your attitude; with this world getting crazier by the minute, it’s important that you keep on top of things spiritually. So, what does Paul say about Attitude in Ephesians 4: **“Speaking for the LORD, let me say this: Live no longer as the unsaved do, for they are blinded and confused, they have shut their minds to GOD’s ways. They don’t care any more about right and wrong and have given themselves over to impure ways. They stop at nothing, being driven by their evil minds and reckless lusts. But that isn’t the way Christ taught you!”**

Paul goes on to say that if you have really heard His voice and learned from Him how to live, then He gives you a command to work on getting rid of the old habits and attitudes you learned from the world - pride and selfish behavior and allow Holy Spirit to work in your spirit to get new Attitudes and Thoughts from GOD Himself...you must be a new and different person:

- 1) **Clothe yourself with this new nature,**
- 2) **Stop lying to each other; tell the truth, for we are parts of each other and when we lie to each other we are hurting ourselves,**
- 3) **If you are angry, don’t sin by nursing your grudge. Don’t be angry when you go to bed - get over it quickly; for when you are angry, you give a mighty foothold to the devil,**
- 4) **Anyone who is stealing and coveting must stop it and begin using those hands of his for honest work so he can give to others in need,**
- 5) **Don’t use bad language; say only what is good and helpful to those you are talking to, and what will give them a Blessing,**
- 6) **Don’t cause the Holy Spirit sorrow by the way you live. Remember, He is the One Who marks you to be faith-ful until that great Day of the LORD!”** (Ephesians 4:17-30)

JESUS wants you to have a godly Attitude; He tells a story about a fair employer and greedy workers in Matthew 20:1-16: **“The owner of an estate went out early one morning to hire workers for his harvest field. He agreed to pay them \$20 a day and sent them out to work. A couple of hours later he saw some idle men, and hired them also, after agreeing on what they would be paid. At noon and again around three o’clock in the afternoon he did the same thing. At five o’clock that evening he was in town, and again saw men standing around, who agreed to work for the owner. That evening, he called the men in to pay them, beginning with the last men first. When the men hired at five o’clock each received \$20, the men who were hired early in the day, assumed they would receive much more. But they, too, were paid \$20. They protested, ‘Those fellows worked only one hour, and yet you’ve paid them just as much as those of us who worked all day in the scorching heat.’ ‘Friend,’ he answered one of them, ‘I did you no wrong! Didn’t you agree to work all day for \$20? Take it and go. It is my desire to pay all the same; is it against the law to give away my money if I want to? Should you be angry because I am kind?’ And so it is that the last shall be first, and the first, last.”** If you were an employee, hired early in the day, what would be your reaction seeing employees working only a couple hours getting paid the same as you...

# The Bible In The News...

## The Phenomenon Of ISRAEL by Elhanan ben-Avraham

The revived land of Israel is a wonder, but the phenomenon is the people themselves. There are Jews speaking virtually every European tongue, the remnant of a devastated people destroyed at the merciless hand of the Nazis and their collaborators, who ultimately may be given the credit, or the blame, as the catalysts for the founding of the Jewish state. There are Jews from the eastern world and Africa, speaking every tongue from Arabic to Farsi, Amharic, and the ubiquitous Russian. Which all led to the previously unheard of revival of a dead language, Hebrew, the language of Moses and JESUS and the Bible, now the living national tongue. These same people have rebuilt from their ruins the ancient cities of the Bible to thrive once again as modern cities. Jerusalem has been rebuilt, the city of Kings - David and Solomon - and where their descendant, JESUS, the Messiah, was crucified and resurrected from the dead. And in their digging the foundations have unearthed the ancient artifacts of the ages, including the very scrolls of the Prophets of Israel, which predict such a time and such an event.

The land of Israel is tiny - being able to fit into the state of Colorado some twelve times, and Iran 76 times, Egypt 46 times, Turkey 36 times, Texas 32 times and California 20 times. The practically unfathomable problem of absorbing a population of such varying cultures occupies the government continually, along with the many other existential challenges. The challenge of maintaining a free and democratic society is one of them, which has thrived nevertheless being the only democratic country in the middle of Islamic upheaval and hostility. **“Then the nations that are left round about you will know that I, Yahweh, have rebuilt the ruined places, and planted that which was desolate; I, Yahweh, have spoken it and will do it, and they will know that I AM Yahweh, when I bring you into the land of Israel.”** (Ezekiel 20 & 36)

# Thus Saith The LORD...

Billboards of the 10 Commandments are popping up all over the U. S. highways and it's because of the efforts of one man and many conservatives backing his agenda. Joseph Farah has headed up a movement to keep the 10 Commandments alive in America. He has created a mobile 5-ft. tall, 12,000 lb. monument of the 10 Commandments. He parks it until legal threats arise...and then takes off down the road. Mr. Farah says the purpose is to remind the public that this country was built upon Judeo-Christian laws, of which ALL people are accountable for, whether they like it or not - including the ACLU.

Along a Los Angeles Highway

- Signs are going up across the nation, signs that are titled **“Thus Saith The LORD”** and on these billboards are the Ten Commandments from Exodus 20:2-17:
- 1) You shall have no other gods before Me
  - 2) You shall not make for yourself an idol
  - 3) You shall not take the Name of the LORD your GOD in vain, for the LORD will not leave him unpunished who takes His Name in vain
  - 4) Remember the Sabbath day, to keep it holy
  - 5) Honor your father and your mother....
  - 6) You shall not murder; 7) You shall not commit adultery; 8) You shall not steal
  - 9) You shall not bear false witness against your neighbor
  - 10) You shall not covet.

## Heart Cries

## and PRAISE REPORTS

Dear Barbara, My son-in-law, Kevin, is serving in Afghanistan; he has been there several times. Please pray for his safety. Also, I have a praise report - GOD has helped two of my friends who have lost mates, through the CDs I bought from you on **“Overcoming Loss, Sorrow and Grief”**. Thank you for doing that teaching because even though they know that their mates are in heaven, it has been grievous overcoming the loss. Gary & Glenda (Portland, OR)

(Editor's note: For those of you who have experienced loss, and sorrow has become a familiar friend, Derin and I did the teaching on **“Overcoming Loss, Sorrow and Grief”** because of the loss we had gone through. Isaiah 53 tells the Believer **“Surely our griefs He Himself bore...and our sorrows He carried....”**, so you know that JESUS took your grief on His shoulders because He was tempted at all points as you are. I will send that series free of charge (CD2-31)...I want Joy to return to your life! Order it today....)

## Homes Of Refuge

Saving the Lost...Loving the Unlovable

We began to serve in Venezuela many, many years ago because GOD opened our eyes to a need, and touched our hearts with His love and zeal to meet that need. We worked in Venezuela for 14 years, rescuing children from horrifying circumstances and giving them hope, healing, and a home. We gave them JESUS, meeting their biggest and deepest need after we had cared for their immediate physical and emotional needs. After we were forced to leave Venezuela and the government invaded and took over Home of Refuge, we were led to Honduras to help meet the needs of the poor, the widowed and the orphaned, offering them the same hope and love of Christ that had changed the lives of those GOD had put in our care in Venezuela; we were in Honduras for 5 years. Now we have been working alongside Santa Maria Children's Home in Peru for 2 ½ years, meeting a variety of needs...some of which we do not even know about in advance of our arrival each month, but nonetheless important to the wellbeing of the orphanage and the precious children and staff that dwell there.

One such urgent need this month in Peru was to replace two broken water heaters, so that the children and staff might have warm showers to take (and to prevent any illness brought on by getting chilled in the winter weather). Right now it is very cold in Peru, as it is their winter season, and without properly functioning water heaters you can imagine just how unenthusiastic the children were to shower each day! We are grateful to the LORD (as are the children) that He enabled us to replace the two water heaters for the home. Unfortunately, however, our funds are very low at this time, and so the funds used to replace the water heaters meant we were unable to purchase airfare to go to Peru this month. What is more, we still need to supply them with more funds to cover this month's utility bills for the orphanage, as well as money for food and supplies. We truly need your help....Thank You for your giving hearts!
