

# Noah's Ark Theology...

Everything I need to know about life...I learned from Noah's Ark  
(this theology is a practical guide to your daily life):

1. Don't miss the boat!
2. Remember that we are all in the same boat...
3. Plan ahead; it wasn't raining when Noah built the Ark!
4. Stay fit; when you're 600 years old, someone may ask you to do something Really Big!
5. Don't listen to critics; just get on with the job that needs to be done...and do it well!
6. Build your future on high ground - A Faith Foundation....
7. For safety's sake, travel in pairs....it will afford time for fellowship....
8. Speed isn't always an advantage; the snails were on board with the cheetahs!
9. When you're stressed, float for a while....rest in His arms!
10. Remember, the Ark was built by an amateur - the Titanic by professionals!
11. No matter the storm, when you are with GOD, there's always a rainbow waiting!

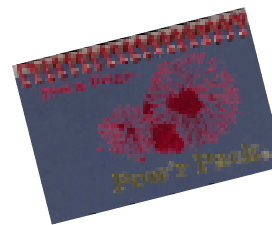

**"This is the sign of the Covenant which I AM MAKING BETWEEN Me and You and every living creature that is with you, for all successive generations: I set My rainbow in the cloud, and it shall be for a sign of a Covenant between Me and the earth."** (Genesis 9:12-13)

August...there are no national holidays in August, no big events to celebrate...so why don't we just skip August? But for some of you, August is your month to enjoy your life...it's your birthday month! Just because a day may not be exactly what you thought it should be, or nothing significant or tremendous happened, do you just wipe it off the map? No! You enjoy every day that the LORD has given to you...you celebrate every day as if it was the greatest day ever created by GOD, because, **"This is the day that the LORD has made, and we will rejoice and be glad in it!"** (Psalm 118:24) Some days in your August may be the springboard to the next great event GOD has planned for your life. The August of your life may be preparation for a more mature you...to give you a track to run on...a Success Formula!

Before you can live the good life, you must be able to find the best in every day that you breathe...you must take the good out of every situation that comes along in your day. As Derin said, "There are 168 hours in a week, and you must grab for all the gusto and live your life BIG because you serve a BIG GOD!" So, what if life has been mediocre at best for you; what do you do? When you believe that **"...all things work together for good to those who love the LORD"** (Romans 8:28), and believe that **"...if you ask JESUS anything, in His Name, He will do it..."** (John 14:13-14) - lining up with GOD's will - you will be at the wheel of all the wonderful possibilities to experience supernatural results in your physical realm!

Do you think Elijah was expecting supernatural things to happen in his life when GOD told him to go to Zarephath? I believe all Elijah was expecting was a meal to fill his stomach. But GOD, in His awesome power and love, made the widow's meal to last for three years!

Do you think that Daniel knew what was in store for him and what great deliverance was going to take place when he went up to his room and prayed morning, noon and night? He knew that GOD had kept him safe all those years in captivity...and GOD would keep him even with the threats from the jealous Persian elite, and the jaws of hungry lions!

Do you think the one hundred and twenty, praying in the Upper Room, could imagine what would take place because of the Baptism of Holy Spirit? It was all new to them...they had never seen anything like this; nothing had happened like this in all of Jewish history. But there was a "knowing" - an expectancy that something out of the ordinary was going to happen...and it happened! Could it be that GOD wants to do something supernatural and out of the ordinary for you today? Could it be that GOD's people are so comfortable and rich that they no longer hunger for a great move of GOD?

What did these people and other brave people of the Bible, who experienced miracles, have in common? They trusted in GOD, and went forth in obeying directives from Him. They left the familiar in order to complete GOD's calling. Abraham left his home and relatives to go to Canaan - the Promised Land. Joshua crossed over the Jordan...left the wilderness behind, and saw GOD raze the walls of Jericho before his very eyes. You can see GOD's manifested power in your life as you give your life completely to Him. Be encouraged and rejoice, because GOD's got your back...He wants to be supernatural in your everyday life! Take that step of unusual purpose...even if it takes you it out of your comfort zone...

**Expect the Supernatural!**

## The Bible In The News...

(Email submitted by Jerry Becker)

There was a time in the U.S.A...when people were happy to get work of any kind. The lack of desire to work, in a large segment of our society today, is another indication that we're in the last days.

The Apostle Paul warned the church about husbands not providing for their families: **"...but if anyone does not provide for his own relatives, and especially for those of his own family, he has denied and disowned the Faith [by failing to accompany it with Fruits], and is worse than an unbeliever!"** (I Tim. 5:8)

Have you noticed how the family in America has changed? Read the article on page 3...it will bring back fond memories of the past. And what about these social handouts from the government - **entitlements**? We should stop calling them all "entitlements"; get it straight: Welfare, Food Stamps, WIC, disabilities, etc. ... "adnauseum" (ridiculous degree of nausea) **are NOT entitlements**; they are taxpayer-funded handouts and shouldn't be called entitlements at all! Social Security and Veterans' Benefits...those are "Entitlements" because the people receiving them are **ENTITLED** to them...they were earned and paid for by the recipients!

GOD created human beings to work and maintain the creation that He made: **"Be fruitful and multiply and fill this earth and subdue it (possess it), and rule over every-thing on this earth...."** (Genesis 1:28)

Thoughts to ponder...

I'll run over and pick up both our Welfare cheques. Then drop by the University to see what's holding up our Federal Education grants. Meanwhile you go to the free clinic for a pregnancy test & if it's positive, fill out the necessary papers for assistance and baby bonus. Oh and pick up my free glasses. And then we will meet at the federal building at noon for the mass picketing of the stinking establishment.

**"...and GOD is able to make ALL Grace abound to you, that always having all sufficiency in everything, you may have an abundance for every good deed!"**  
(II Corinthians 9:8)

**"...and the seed in the good soil - these are the ones who have heard the Word in an honest and true heart, and hold it fast, and bear Fruit with perseverance - staying Power, 30-60-100 fold!"** (Luke 8:15)

## Heart Cries and PRAISE REPORTS

Dear Barbara, I want to thank GOD for an answer to prayer. For eight years I had pain in my hands as well as tremors, and I didn't know what was causing this. But recently, one Saturday morning, I was listening to a health show on KLTT and found out that these symptoms could be caused by a lack of iodine in my diet, so I went to a health food store and got a supplement to take. **In one day, the shaking and the pain in my hands were gone!** I'm praising GOD that He gave me the answer to my problem through a health show and good supplements. He is good...and He is faithful!

Jack (Strasburg, CO)

(Editor's note: I'm rejoicing with you, Jack; when our bodies are in pain, that affects our spirits. I encourage you reading this to take vitamins, minerals and supplements for your bodies, because your body is temple of Holy Spirit and you need to be aware of what your body needs as well as your spirit. GOD bless you, Jack, with great health!)

## You May Be Older Than Dirt...

Someone asked me the other day, "What was your favorite fast food when you were growing up?" "We didn't have fast food when I was growing up," was my reply. "All the food was slow." "C'mon, seriously, where did you eat?" "It was a place called 'at home'," I explained. "Mom cooked every day and when Dad got home from work, we sat down together at the dining room table, and if I didn't like what she put on my plate, I was allowed to sit there until I did like it!" By this time, the kid was laughing so hard I was afraid he was going to suffer serious internal damage, so I didn't tell him the part about how I had to have permission to leave the table. He would've lost it if he heard me tell him that the majority of the parents then never wore levis, never set foot on a golf course, never traveled out of the country and never had a credit cards (there weren't any then...just lines of credit and a revolving charge card at Sears Roebuck).

My parents never drove me to soccer practice, mainly because we never had heard of soccer. I had a bicycle that weighed probably 50 lbs. and only had one speed...slow. We didn't have a T.V. in our house until I was 19. It was, of course, black and white, and the station went off the air at midnight...after playing the national anthem and a poem about GOD. I was 21 before I tasted my first pizza and then it was called "pizza pie." It burned the roof of my mouth and swung down and plastered itself on my chin...but it was the best pizza I ever had!

I never had a telephone in my room. The only phone in the house was in the living room and it was a party line. Before you could dial, you had to listen and make sure some people you didn't know weren't already using the line. When I went to the movies, there were no movie ratings because all movies were responsibly produced for everyone to enjoy...without profanity or violence or most anything offensive. Once in a while a dog might die and we'd all cry but that was about it.

**HOW MANY DO YOU REMEMBER?** 1) Blackjack chewing gum, 2) Candy cigarettes, 3) Soda pop machines that dispensed glass bottles, 4) Coffee shops with juke boxes, 5) Party lines on the telephone, 6) Newsreels before the movie, 7) P.F. Flyers, 8) Butch wax, 9) Howdy Doody, 10) 45 RPM records, 11) S & H Green Stamps, 12) Metal ice trays with lever, 13) Roller skate keys, 14) Studebakers, 15) Wash tub wringers, 16) Hi-fi's

If you remembered 0-5 = you're still young

If you remembered 6-10 = you're getting older

If you remembered 11-16 = you're older than dirt!

Email submitted by Jon Shepard (Avon, CO)

## Homes Of Refuge Saving the Lost...Loving the Unlovable

Johan

Thank GOD for your giving hearts to the children at St. Maria's Orphanage! The funds are coming in for the bedding supplies, and by Faith we believe that this need will be totally met. You have supplied them with good bedding and mattresses, and they are so excited at the prospect of sleeping on comfortable beds. It's like Christmas around here! GOD has been so faithful to provide everything that we have asked you to give.

Also, I want to say how grateful everyone is at St. Maria's Home that your giving is covering the utilities and food for the home, healthcare for the director (Luis - he's doing so well surrounded with your prayers!), and transportation for Will, who is attending college classes. It is because of your faithfulness; without your generous, giving hearts we would not be able to do this work that we do. Without homes like St. Maria's Orphanage, these boys, like Johan in the photo, would be on the streets, stealing and getting involved with unscrupulous characters who would lead them into drugs and prostitution.

One other need that the home has continually is keeping up on the clothing for the children. As they grow, and with the good food they're getting, they're growing up quickly...we need clothing for them. So, if you can give a little extra for that they would appreciate having new jeans and shirts and underwear. Thank you and GOD continue to bless you....
