

# Those Happy-Go-Lucky Guys...

**Nicknames** - If Laura, Kate and Sarah go out for lunch, they will call each other Laura, Kate and Sarah. If Mike, Dave and John go out, they will affectionately refer to each other as Fat Boy, Bubba and Wildman. **Eating Out** - When the bill arrives, Mike, Dave and John will each throw in \$20, even though it's only for \$32.50. None of them will have anything smaller and none will actually admit they want change back. When the girls get their bill, out come the pocket calculators. **Topic of Money** - A man will pay \$2 for a \$1 item he needs; a woman will pay \$1 for a \$2 item that she doesn't need...but it's on sale. **And Bathrooms** - A man has six items in his bathroom: toothbrush and toothpaste, shaving cream, razor, a bar of soap, and a towel. The average number of items in the typical woman's bathroom is 337. A man would not be able to identify more than 20 of these items. **Dressing Up** - A woman will dress up to go shopping, water the plants, empty the trash, answer the phone, watch T.V., etc. A man will dress up for weddings and funerals. **The Future** - A woman worries about the future until she gets a husband. A man never worries about the future until he gets a wife. **The Subject of Marriage** - A woman marries a man expecting he will change, but he doesn't; a man marries a woman expecting that she won't change, but she does. **Offspring** - Ah, children. A woman knows all about her children. She knows about dentist appointments and romances, best friends, favorite foods, secret fears and hopes and dreams. A man is vaguely aware of some short people living in the house.

Do you know the difference between the Spirit-filled life and its fruit, and living in the flesh - the nots? There are two lists in Galatians 5 - a list of NOTS and a list of FRUITS. Now the NOTS described in this chapter are very evident: adultery, fornication, uncleanness, lewdness, idolatry, hate, sorcery, contentions, jealousies, outburst of rage, selfish ambitions, envy, dissensions, heresies, murders, drunkenness, partying, etc. This list is simply the outward behavior of inward emptiness of a life without GOD. That's the concept behind the biblical term "flesh". This is a word that's found about 150 times in the New Testament. As you read this, you realize that you have had a part in some of these fleshly activities, especially the selfish part. Romans 8 explains the behavior of a person ruled by the flesh:

**"So NOW there is NO condemnation for those who belong to Christ JESUS. For the Power of the life-giving Spirit in Christ JESUS has set you free from the law of sin and death. The law of Moses was unable to save us because of the weakness of our flesh. So GOD did what the law could not do; He sent His own Son in a body like the bodies we sinners have. And in that body GOD declared an end to the flesh's control over us by giving His Son as a sacrifice for our sins. He did this so that the just requirement of the law would be fully satisfied for us, who no longer walk according to the flesh, but instead follow the Spirit. Those who are dominated by the flesh think about sinful things, but those who are controlled by the Spirit think about things that please the Spirit. So the mind set on the flesh is death, but the mind set on the Spirit leads to Life and Peace."**

Remember that one! **"For the mind set on the flesh is always hostile to GOD. It never did obey GOD's laws, and it never will! That's why those who are still under the control of the flesh can never please GOD. But you are not in the flesh; you are controlled by the Spirit if you have the Spirit of GOD living in you!"** WOW! That's something to shout about! James 1:20 tells you that the flesh is powerless to produce righteousness in your life...so go for the fruit-bearing life in Christ JESUS! He's the only Person who lived a stainless, sinless life! You cannot have the Fruits of Holy Spirit in your life without Christ in your life - vital in your life! When you become a Believer, Holy Spirit increasingly replicates Christ in your spirit...He does His work in you - Spirit to spirit. He fills you up with Fruits that will never decay or rot on the vine. With Holy Spirit's Fruits in your life you become a victor over every temptation: **LOVE, JOY, PEACE, PATIENCE, KINDNESS, GOODNESS, FAITHFULNESS, GENTLENESS, and SELF-CONTROL** are the measuring instruments to bring all your life-saving fruit together; these fruits show the church and the world that you are in Christ JESUS!

The Fruit that you exhibit in your life is your testimony of who you are. JESUS said in John 15:16, **"You did not choose Me but I chose you and appointed you to go forth and bear fruit...and that your Fruit should remain...that whatever you ask of the Father in My Name, He will give to you!"** As you bear fruit, your Heavenly Father will give you what you're asking for...that's worth all the time it takes to bear good Fruit...Fruit that will please the Father!

**It's FRUIT...No NOTS Allowed!**

## Making America Great Again!

Pres. Donald J. Trump has done more to stop government interference in the lives of Americans than any president in history, according to the Wall Street Journal: *“So far the Trump Administration is a welcome improvement, rolling back more regulations than any President in history!”*

Ted Cruz says, *“I think on policy and substance, Pres. Trump has done very well. If you look at the cabinet that has been appointed, this is probably the most conservative cabinet in decades. If you look at executive actions, they’ve been quite strong, whether freezing the hiring of new civilian non-military employees, putting in place a moratorium on regulations, stopping taxpayer funding for overseas abortion, and pulling out of the disastrous job-killing Paris Climate Agreement. All of those strong decisions were a mandate from the people. The single best thing the President has done is appointing Judge Neil Gorsuch to the Supreme Court, and the best thing Senate Republicans have done is confirm Justice Gorsuch.”*

Since the inauguration on January 20th, the DOW took just 66 days to climb from 19,000 to above 21,000, the fastest 2,000-point run ever! The U.S. Stock Market gained \$2 trillion in wealth since Trump was elected, and President Trump decreased the U.S. debt in his first 100 days by \$100 billion (Obama increased the U.S. debt in his first 100 days by more than \$560 billion).

U.S. manufacturing index soared to a 33-year high in this period which were the best numbers since 1983 under Pres. Reagan. President Trump added 290,000 jobs in his first month alone, while Obama said jobs were not coming back. Housing sales are red-hot; in 2011, houses for sale were on the market an average 84 days; this year, it’s just 45 days. Illegal immigration is down 67%, and NATO just announced that allied spending is up \$10 billion because of Pres. Trump’s stand on all allied countries sharing in the expenses. But the greatest accomplishment that will affect this country for many years to come is:

1. The appointment of Judge Neil Gorsuch to the Supreme Court,
2. Stopping tax-payer funding for overseas abortion,
3. Dismantling Obama’s climate change initiatives,
4. Exiting the U.S. from the one-sided Trans-Pacific Partnership in trade (it was no partnership, and Pres. Trump saw right through that deal!),
5. Protecting law enforcement...more to come...keep praying...we’re winning, winning, winning! Thank you, President Trump!!

## Hold on, My Child...

## Joy Comes In the Morning!

## Congratulations, Emma & Bekka...and Dayna!

It is with a joyful heart that I present my two adorable granddaughters, who graduated from high school in May, and are enjoying life as teenagers, working and playing. Emma and Bekka have experienced more than most adults in their young lives...and yet they remain undeterred and strong in their pursuit of happiness.

Emma & Bekka

Their Mom, Dayna (my daughter), has endured years of hardship but has never given up, because she knows the miracles GOD has performed on her behalf...she relies on the LORD to give her strength and fortitude.

When she moved here from New York ten years ago, she believed that GOD would get her children into a Christian school and she would not waver from that goal. Colorado Springs Christian Schools gave her a part-time job with no guarantees...and then they hired her full-time...and then they had to down-size and let some staff go that had been there for years...but Dayna stayed on; today she is in charge of the finances at the school and very much admired, and she just got a raise! She got from the LORD what she asked for - a godly education for Caleb and Emma and Bekka, and reassurance that GOD keeps His Promises. Aren’t they beautiful girls? Grandma is proud...

## Remembering Derin...

It’s been eight years since Derin left this earth...and those who knew him well miss him - his humor, and his teaching and anointing...his presence. He brought such Joy to this world but also accountability on the part of Believers. This puts him in the rankings of prophet-teacher. Here are a couple stories from his childhood that will bring a smile to your face, and many of you have already heard these stories but they’re so unique that they deserve to be told again.

*“Growing up in Durango, the awesome majesty of the surrounding mountains always has impressed me. I remember specifically Wolf Creek Pass, which is 10,000 feet in elevation, east of Durango. One particular memory took place on the south side of Wolf Creek. I was six years old, and I remember the radiator in the Pontiac that we had was boiling over as we were going up Wolf Creek Pass. Dad hiked down to a mountain stream and brought back a gallon of water in a bucket. He looked at me and gave me the assignment of being the ‘chief water engineer.’ He instructed me to sit on the fender bracing myself on the front bumper. As he drove up the mountain, every time he blew the horn, I would throw a little water on the radiator. This cooled it down and you know, it worked; we made it to the summit, and I felt like a hero!”*

I remember a story Derin told of a time in their church on a very chilly Sunday morning, when he thought that the furnace needed to be stoked. He ventured down into the basement, found a container of kerosene and threw it in the furnace. Well, you can imagine what happened next. It blew up and out...singed off his eyebrows and some of his hair! He snuck up the stairs and quietly sat down. His mother looked over at him, smelling the smoke and seeing the singed eyebrows and said, *“Derin, what did you do?”* It’s a miracle that Derin lived to tell these stories and give the Body of Christ an anointed teacher.

When Derin was 40, and had tried everything he could think of to make a living - a Master’s Degree in Education, insurance salesman, real estate, etc. he looked at his future in fear. That’s when a group of spirit-filled people prayed against a spirit of fear; and then when he received the Baptism of Holy Spirit (something he had fought), immediately his world was turned upside-down, and people were coming to him for prayer. He was thrust into Christian media, on PTL with Derin’s Coffee Shop and on 110 radio stations. He employed 42 people to help in sky-rocketing ministry while he did T.V. and radio every day. He was a man on a mission for the LORD - with a message of inner healing for the broken-hearted. Derin put the steps to deliverance and healing into a booklet called *“Seven Steps To Inner Healing”*, which is our special of the month on page 4. His anointing and teaching have touched thousands of hearts... and is continuing to do so. Thank You, LORD, for Derin and his ministry!

## Home Of Refuge

Saving the Lost...Loving the Unlovable

The work of the Home of Refuge continues to expand into regions we never dreamed were possible when we first started. Our most recent efforts have taken us to ancestors of the Aztecs in the Andes Mountains, where time has stopped. With no running water or electricity in their homes and no government services, the people of the Andes survive in primitive conditions, living a subsistent life without much hope for a better future. Yet GOD wants them to know JESUS; they just need for someone to bring the Good News to them (Romans 10:14).

For Rosa and me, bringing the message of JESUS to them is our Joy! We leave our home, children, and grandchildren and head out of Atlanta’s airport to take the 11 1/2-hour journey (including layover in Miami) to Peru. Once we arrive, an entire day has been consumed traveling.

The next day we take another flight from Lima to Cusco and there we purchase food and supplies for the people before taking the three-hour taxi ride to Veronica Mountain. At that point, Tony hikes a mile or so to the village where he receives a warm welcome. The people of the village excitedly hike back to the taxi to help transport the supplies we have brought, and for the next several hours we feed them, clothe them, and share the Good News of the Gospel. It is in this place that GOD has given us a vision for constructing a chapel where we can regularly teach them about JESUS. Will you help us build a chapel?
