

On Life and Longevity...

Be nice to others, because...
Time Makes A Difference....

What a difference one year makes! One day you will no longer be the "big dog"...just the old dog...and it's nice to be surrounded by friends!

One of the very first things that Jesus said at the beginning of His ministry was, "...the Kingdom of Heaven is at hand." (Matthew 4:17), and followed that with a more personal touch - "The Kingdom of GOD is within you." He walked throughout the region proclaiming the truth - that GOD was reaching down and bringing the perfect heaven to an enslaved world, captivated by sin. Jesus announced that GOD's perfect will had come to earth, when He prayed: "Thy Kingdom come, Thy will be done on earth as it is in heaven." He came proclaiming the Gospel of the Kingdom - healing every kind of disease and sickness among the people - "He came that He might destroy the works of the devil" (I John 3:8), and that meant giving Believers authority over poverty, sickness and disease. In Matthew 12:28 He confirms His mission - to bring heaven down to earth - to cast out demons and heal all those, who believe in Him: "But if I cast out demons by the Spirit of GOD, then the Kingdom of GOD has come upon you!"

What does that mean to you? Jesus wanted everyone to know, that GOD had come down in the flesh to bring His Kingdom to the earth...a Kingdom of Power and Glory! He was teaching that the real world was unseen and His followers lived heaven on earth by faith. Jesus confirmed the Kingdom of heaven had come down to earth by saying in John 8:31-32, that you can't get truth from any earthly institution, only from the Word of GOD, "If you abide in My Word, then you are truly disciples of Mine; and you shall know the truth and the truth shall make you free!"

Now, some people want to see the miracles that Jesus performed, but they don't want to abide or live by His Word. Jesus, Himself, did not get His identity or calling from men...He got His identity from GOD, His Father. Over and over again, He acknowledged that He didn't live by physical provision but by Kingdom-of-Heaven Principles: "Man shall not live by bread alone but by every Word that proceeds out of the mouth of GOD" (Matthew 4:4), and "My food is to do the will of Him Who sent Me, and to accomplish His work!" (John 4:34) Do you think that Jesus just meant Matthew 10:7-8 for the twelve that He sent forth into the country-side? NO! Jesus meant for ALL of those who follow after Him, to "...heal the sick, raise the dead, cleanse the lepers and cast out demons...." - to go forth in Jesus' Name with dynamic miracles!

When you hear of someone who is sick or in trouble, it is your responsibility and obligation to go and anoint and believe that your prayer will heal the sick, raise the dead, cleanse the lepers (those defiled), and cast out demons as James instructed you in James 5. Paul confirms that miraculous Kingdom Power when he says in I Corinthians 4:20, "For the Kingdom of GOD does not consist entirely of words but in Power!" May we begin to realize through understanding of GOD's Word, that Jesus' teachings were not only to be heard but to be walked out by example and action by the Believer. You have the power within you to meet every need around you, in Jesus' Name! The power of Holy Spirit is inside you...not in this world.

Become an ambassador of the Kingdom of heaven on earth!

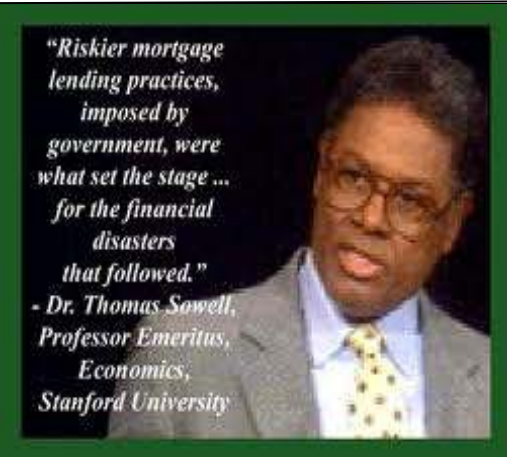

The Bible In The News...

The following article is written by Thomas Sowell, the Senior Fellow of the Hoover Institute at Stanford University in Stanford, California:

The current Occupy Wall Street Movement is the best illustration to date of what Pres. Barack Obama's America looks like:

- ***It is an America where the lawless, unaccomplished, incompetent and ignorant rule.***
- ***It is an America where those who have sacrificed nothing pillage and destroy the lives of those who have sacrificed greatly!***
- ***It is an America where history is rewritten to honor dictators, murderers and thieves.***
- ***It is an America where violence, racism, hatred, class warfare and murder are all promoted as acceptable means of overturning the American civil society.***
- ***It is an America where humans have been degraded to the level of animals: defecating in public, having sex in public, devoid of basic hygiene.***
- ***It is an America where the basic tenets of a civil society, including faith, family, a free press and individual rights, have been rejected.***
- ***It is an America where our founding documents have been shredded and, with them, every person's guaranteed liberties.***
- ***It is an America where, ultimately, great suffering will come to the American people...but the rulers like Obama, Michelle Obama, Harry Reid, Nancy Pelosi, Barney Frank, Chris Dodd, Joe Biden, Jesse Jackson, Louis Farrakhan, liberal college professors, union bosses and other loyal liberal/Communist Part members will live in opulent splendor!***
- ***It is an America that Obama and the Democratic Party have created with the willing assistance of the American media, Hollywood, unions, universities, the Communist Party of America, the Black Panthers and numerous anti-American foreign entities. Barack Obama has brought more destruction upon this country in four years than any other event in the history of our nation, but it is just the beginning of what he and his comrades are capable of.***
"Socialism, in general, has a record of failure so blatant that only an intellectual could ignore or evade it."
 (e-mail submitted by Jerry Becker)

"Riskier mortgage lending practices, imposed by government, were what set the stage ... for the financial disasters that followed."
- Dr. Thomas Sowell, Professor Emeritus, Economics, Stanford University

The Amazing Camel

...created by GOD

If you ever doubted that GOD exists, meet the very technical, highly-engineered Dromedary Camel: "When I'm hungry, I'll eat almost anything - leather bridles, a piece of rope, my master's tent, or a pair of shoes. My mouth is so tough a thorny cactus doesn't bother it. I love to chow down grass and plants that grow in the desert. I'm a one-hump kind of camel that lives in the Middle East, and my 80-lb. hump is filled with fat - my body fuel - not water as so many believe. My Mighty Maker gave it to me because He knew I wouldn't always be able to find food as I travel across the hot sands. When I don't chow, my body automatically takes fat from the hump, feeds my system, and keeps me going strong. This is my emergency supply; when the hump gets smaller, it starts to tip to one side. But when I get to a nice oasis and begin to eat again, my hump soon builds back to normal. I've been known to drink 27 gallons of water in 10 minutes. My Master Designer made me in such a fantastic way that in a matter of minutes, all the water I've swallowed travels to the billions of microscopic cells that make up my flesh. Thirsty blood vessels carry the water I drink to every part of my body. Scientists have tested my stomach and found it empty...10 minutes after I've drunk 20 gallons!

In an eight-hour day, I can carry a 400-lb. load 100 miles across a hot, dry desert and not stop once for a drink or something to eat. In fact, I've been known to go 8 days without a drink...but then a look a wreck! I lose 227 lbs., my ribs show through my skin, and I look terribly skinny. But I feel great! I look thin because the billions of cells lose their water. They're no longer fat...they're flat. Normally my blood contains 94% water, just like yours. but when I can't find any water to drink, the heat of the sun gradually robs a little water out of my blood. Scientists have found that my blood can lose up to 40% of its water, and I'm still healthy. Doctors say human blood has to stay very close to 94% water. If you lose 5%, you can't see anymore; 10% - you can't hear and you go insane; 12% - your blood is as thick as molasses, and your heart can't pump anymore...it stops, and you're dead!

My Creator gave me specially engineered sand shoes for feet. My hooves are wide, and they get even wider when I step on them. Each foot has two long, bony toes with tough, leathery skin between my soles - like webbed feet. They won't let me sink into the soft, drifting sand. When there's a windstorm, my Master Designer put special muscles in my nostrils that close the openings, keeping sand out of my nose, but still allowing me enough air to breathe. He gave me an inner eyelid that automatically wipes the sand off my eyeball just like a windshield wiper. It's real difficult for me to understand how some people say evolution made me what I am. I'm a very technical, highly-engineered camel; things like me don't just happen. They're planned on a drawing board by Someone very brilliant...Someone very logical...Do you know HIM?"

Saving the Lost, Loving the Unlovable
Home of Refuge

As we look forward to this year and jump in with both feet, we believe the promises of GOD for 2012 - that He will continue to allow us the blessing of feeding the hungry, providing for the poor, loving the orphans, and sharing His love with the lost. We are confident that it is His good and pleasing and perfect will to take care of the widow and the orphan, and to enable us to walk in good works that He has prepared in advance for us to do, and so we are excited about the children we will meet and impact for the Gospel this year. With that in mind, we want to take this brief opportunity to begin with thanksgiving to you and our Lord for all of your faithfulness towards us. Your giving and prayers have enabled us to greatly impact Peru and the needy children there. GOD has prepared in advance for us to walk into that opportunity to have the resources to supply them with many necessary commodities, and share the love of Christ in the process. Your partnering has an eternal as well as a physical investment in the Kingdom of GOD on this earth. May this year be one of increased blessing from the Lord in your life and may the seeds that you sow into the poor be multiplied in His Kingdom and in your life!

Working Together For the Kingdom In 2012, Tony & Rosa

Heart Cries

and Praise Reports

Dear Barbara, I have read through the Word of GOD for the first time, and my year was not without incident or some tribulation, but I found that I was walking in more peace than I've ever had before. When my children would start the "blame game", Holy Spirit kept me calm enough to deal out the discipline in love that I needed for that moment, or if my husband would say, "Honey, I need some time alone," I wouldn't get all upset and have a "pity party". Thank you so much for encouraging us to get into the Bible for ourselves, and thank you for those handy little Scripture guides you send with the Freedom Street XPress every month. You have blessed my life! In His Love, Margaret (Pueblo, CO)

SPECIAL PRAYER FOR NANCY: That GOD would collapse the time of healing and multiply the anointing!
