

"Use the Word of GOD to Solve Every Problem!"

Remember this, Friend...Use the Word of GOD to solve every problem! "Thy Word is a lamp unto my feet and a light unto my path!" (Psalm 119:105)

Use the Word of GO to move every mountain! "...if you say to this mountain in your life, 'Be taken up and cast into the sea,' and do not doubt in your heart, but Believe it will happen...It will happen!"

The Word edifies, the World condemns; don't listen to the world and what it says about you; find out what the Word says you are! "You are a Joint-Heir with JESUS, and the Righteousness of GOD in Christ!" (II Corinthians 5:21, Romans 8:17) ACT LIKE IT!

PROPHESYING INTO YOUR FUTURE...

by Barbara Carmack

The situation was grim in the South Pacific in February 1942. American forces were trying to hold the Philippines, but relentless Japanese attacks were making it impossible. President Roosevelt ordered the commander of American forces - General Douglas MacArthur, to withdraw to Australia. On March 12, 1942, MacArthur and his leaders boarded small PT boats and made their way to the Philippine island of Mindanao, where planes then took them to Australia. Eight days later, in Australia, MacArthur made the famous speech in which he told the Philippine people, "I came through and I shall return." Officials in Washington, D.C., vetting the speech, asked him to change his words to, "We shall return." Typical of MacArthur, he ignored them and said, "I shall return." He was making a personal statement about the future; he was taking personal responsibility for changing the lives of the Philippine people. In the broadest sense, Gen. MacArthur was prophesying - making a statement about the future. And you can prophesy in that way - you've already made claims about the future in different ways; have you ever said, "Tomorrow I'm going to...?"

But there's a catch: When a prophecy is given, what someone says about the future must come true. That was a standard Moses established for the 2nd generation of Israelites before they entered the Promised Land - "...and how shall we know the word which the LORD has not spoken?" When one speaks in the Name of the LORD, if the thing does not come about or come true, that is the thing which the LORD has not spoken." GOD wants to speak to His people about the future; when you prophesy, you must receive your prophecy from Holy Spirit. And the way you know GOD has spoken prophetically is if what is said comes true, or if what is being prophesied comes directly from GOD's Word.

Getting back to General MacArthur, on October 20, 1944, he waded ashore on the Philippine island of Leyte with the president of the Philippines and other military leaders. Less than a year later, on Sept. 2, 1945, MacArthur accepted the formal surrender of Japan to Allied forces. Friend, your words can come to pass just like General MacArthur's.

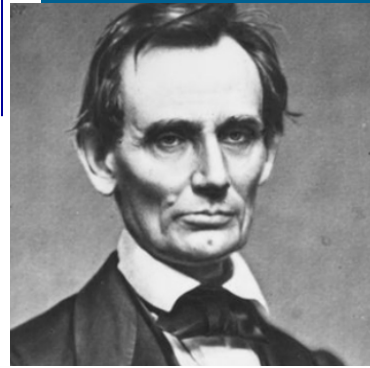

When the New Testament church was learning about the gift of tongues, Paul reminded them of the power of prophecy in I Corinthians 14:3-4, "Let love be your highest goal! But you should also desire the special abilities the Spirit gives - especially the ability to prophesy. For if you speak in tongues, you will be talking only to GOD, since people won't be able to understand you, unless there is an interpretation. But one who prophesies strengthens others, encourages them, and comforts them. A person who speaks in tongues is strengthened personally, but one who speaks a word of prophecy strengthens the entire church...."

To ignore the gift of prophecy is to ignore the Power of GOD for the future which He is about to pour upon this earth...so you can speak with confidence those things that are not as though they were, knowing that GOD has provided a way to bring Himself into your present and future.

"...and so we have the prophetic Word confirmed, which you do well to heed as a Light that shines in a dark place, until the day dawns and the morning star rises in your hearts!" (II Peter 1:19)

PROPHECY GOD'S WORD INTO YOUR FUTURE...

Celebrate those U.S. Presidents who have upheld godly principles on President’s Day - **February 15, 2016**

Quote submitted by Mark Trevithick, Florida

After Donald Trump’s comments about banning all Muslims from the U.S., world renowned Christian leader, Franklin Graham announced his support for Trump’s plan on immigration. He reiterated much of what Trump’s supporters claim to be a complete dysfunction in our government and disconnect with reality. He wrote, “For some time I have been saying that Muslim immigration into the U.S. should be stopped until we can properly vet them or until the war with Islam is over. Donald J. Trump has been criticized by some for saying something similar. The Speaker of the House, Paul Ryan, said that he disagrees – saying that ‘...such views are not what this party stands for and more importantly it’s not what this country stands for.’ Politicians in Washington seem to be totally disconnected from reality. Research shows that there are over 3 million Muslims living in the U.S. According to a poll commissioned by the Center for Security Policy, 51% of Muslims living in American believe ‘Muslims in America should have the choice of being governed according to sharia (Islamic law) instead of the U.S. Constitution. 29% agree that violence against those who insult Mohammad is acceptable, and 25% agree that violence against American can be justified as part of global jihad. Among males under the age of 45, that number rises to 36%, and 29% of males under 45 believe that violence against American is justified in order to make sharia the law of the land’ ...that is frightening! Our politicians are not listening to the truth – my prayer is that GOD will open their eyes. This affects our security and the future of our nation!” Franklin Graham

Tribute to Linda Rae Welch...

Linda Welch went to be with the LORD on December 18, 2015. Derin and I first met Linda and her husband, Gene, over 20 years ago, when we were holding classes at the Church of GOD early in “Derin in Denver” Radio. It was a Thursday afternoon meeting, and Linda and Gene sat close to the front. When Derin went to shake hands with them, Gene said, “I’ve come to get my healing.” Derin found out that Gene had been in a horrific motorcycle accident, and with no helmet on, went head first over the handle bars. His skull had been crushed; the doctors couldn’t do anything for him besides give him medication to ease the pain. For twenty years he had been in constant pain and had been a guinea pig for the drug companies. Derin told me later that he didn’t have Faith for this miracle; Linda and Gene did have the Faith! So, obedient to GOD Derin lay his hands on Gene’s head and instantly Gene started shouting, “My head is moving, my head is moving!” Right there, before our very eyes, his skull moved out ½ - 1” and the crowd began to realize what had just happened; GOD had brought Gene’s skull back to normal! We had just witnessed a great physical healing from GOD!! Gene went to be with the LORD several years ago, but those excruciating headaches never returned.

Linda was a great woman of Faith; you may not have given her notice because she was a very gentle, quiet person. She was a woman who has seen many storms in her life, but she just put her face to the wind and walked strong into the future. Linda has been the foundation and main-stay for her family. She has seen a son-in-law come to the house with a gun, threatening to kill the family, and then shooting himself to death. A few years ago, Linda bro’t her frail father from Oklahoma to be near her. We prayed with John in hospice and he received JESUS as his Savior before he died. Linda’s sister in Oklahoma, took everything that should’ve been divided among the siblings, but...you know what? Linda forgave her, released her and went on with no animosity; she forgave and went on in victory...no earthly inheritance but awesome heavenly rewards! To GOD be the Glory! We miss you, Linda!

Enlightened Perspectives for 2016...

“GOD, can I ask You a question?” **Sure.** “Promise You won’t get mad?” **I promise.** “Why did You let so much stuff happen to me today?” **What do you mean?** “Well, I woke up late; my car took forever to start...and at lunch they made my sandwich wrong and I had to wait; on the way home, my phone went DEAD, just as I picked up a call...and on top of it all, when I got home I just wanted to soak my feet in my new foot massager and relax. BUT it wouldn’t work!!! Nothing went right today! Why did You do that?”

Let me see, the death angel was at your bed this morning and I had to send one of My Angels to battle him for your life. I let you sleep through that; the man, humbled, said “OH...”

I didn’t let your car start because there was a drunk driver on your route that would have hit you if you were on the road; the man was ashamed....

The first person who made your sandwich today was sick and I didn’t want you to catch what they have; I knew you couldn’t afford to miss work. Embarrassed, the man said, “Okay.”

Your phone went dead because the person calling was going to give false witness about what you said on that call; I didn’t even let you talk to them so you would be covered. The man said softly, “I see Father GOD.”

Oh, and that foot massager, it had a short that was going to throw out all of the power in your house tonight. I didn’t think you wanted to be in the dark; to which the man replied, “I’m Sorry, LORD GOD!”

Don’t be sorry, just learn to Trust Me.... in ALL things...the GOOD and the bad. “I trust You, LORD!”

And don’t doubt that My plan for your day is Always Better than your plan. “I won’t LORD...and let me just tell You, Father...Thank You for Everything today.”

You’re welcome, Child. It was just another day being your GOD and looking after My Children...

To the reader: “For you have not received a spirit of slavery leading to fear again...but you have received a Spirit of Adoption as Sons and Daughters by which we cry out, ‘ABBA, FATHER!’” and “Holy Spirit bears witness with our spirits that we are Children of GOD!” (Romans 8:15, 17)

Home Of Refuge
Saving the Lost...Loving the Unlovable

Cristian was abandoned by his mother. He has no documentation to help us understand his past, his age or his legal identity. He came through the orphanage doors with tattered clothing, broken sandals - a broken and scared soul. A “Happy New Year” was the farthest thing from this young boy’s expectations or from reality as he knew it. But Cristian’s life is going to have a happy ending because you are making his life and his future something to look forward to now. We are very grateful that the children received Cristian well and are teaching him the in’s and out’s of orphanage life. Because of JESUS...and because of the HOPE that you are giving these children, they can look forward to a happy year in 2016.

Cristian

We expect to have a full year ahead of us...but truthfully, we never know what amount of time each one of us has in our future. Let us make the most of each moment, each day, each opportunity given to us to do something eternal; that might be as simple as a smile offered to a stranger, or a helping hand to someone needing a few minutes of your day. Don’t rush through today, or tomorrow...you will never get that time back. JESUS paid a very high price to give you the chance of a lifetime...Value it...Rejoice in it! With each sunrise, a gift is awaiting you. Make each day in 2016 matter; **“...we know that the LORD has victory and blessing in store for all who love Him and are called according to His purpose.” (Romans 8:28)** GOD’s Grace be with you, in JESUS’ Name.
