

HOPE... by Cherie Beil

When darkness prevails and grey clouds begin to cry... **Don't forget!**
 When the enemy comes to steal and pain is your only companion... **Remember...**
 When loneliness echoes through a sterile room

and time holds you hostage... **Don't lose sight!**

Remember the warmth of the sun and the ones you love.
 Know the strength that is carried in the ones who love you...

So hope, have faith and endure!

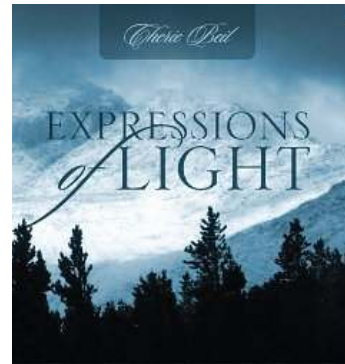

Renew your mind, your soul and your inner strength by trusting in GOD.

Sleep, knowing that your Angels are keeping watch

For the hour will come when this too will be another great race...

That you are destined to win!

"Which Road Are You Taking?"

by Barbara Carmack

Happy New Year! Sometimes, as I find myself sitting at the computer or studying the Bible, contemplating what to put on paper for the next Freedom Street XPress, I find my thoughts going over what I've found myself doing every month for the last 17 years...to give you a newsletter worthy of your reading - a paper with encouragement and Scripture that will help you in your Spiritual Journey. Derin was a major influence in so many of those first XPress newsletters. His articles and teaching helped me to become the person I am today...and, I hope that you have received life-changing teaching from the 17 1/2 years of monthly newsletters and the daily radio programs. Of course, every day in the Word of GOD, has been a life-changer for me as well, and I have received the spiritual substance and the revelation to keep going...even in the tough times, and I hope that's the way with you. It's important to know in this New Year that GOD is for you: **"The LORD is for me; I will not fear..."** (Psalm 118:6)

And, probably as you ask yourself from time to time, I ask myself today as I'm writing this...why do I keep doing the drill...why do I continue doing this day after day, year after year? Well, I'll tell you...because...

- 1) Your Smile lights up my world,
- 2) You care so much about the LORD and about others,
- 3) You're not afraid to cry when a brother or sister is hurting,
- 4) You're unique in so many different ways - your kindness is so genuine,
- 5) You're a friend that I can depend on and lean on for support...and that's why I do this every day, year after year. And another thing...you have helped me to understand why I'm here on this earth and what I have been called to do...and in this very important time in the history of the world, I want you to know what you're all about...I want you on the right road to the right destination for YOU...no more rabbit trails and detours. I believe that's why JESUS kept His disciples close by and was continually teaching them by example. He wanted them to be prepared for anything after He returned to the Father. When He said, **"I Am the Way, the Truth and the Life"**, He wanted His disciples and you to depend on Him to show you the right Way, to reveal to you the Truth in these deceptive days and to give you the Life He promised to you in the Scriptures (John 10:10b).

I want you standing with me when we see JESUS, and I want you to choose this day (drawing a line in the sand) whom you will serve...today and forever. So, **"...enter by the narrow gate into GOD's forever kingdom. The highway to hell is broad, and its gate is wide for the many who choose that way. But the gate-way to life is very narrow and the road is difficult, and only a few ever find it."** (Matthew 7:13) I pray every day for you and know that you will endure to the end... **"For I know Whom I have believed and am persuaded that He is able to keep that which I've committed unto Him against that day...that soon coming glorious day!"** (II Timothy 1:12)

The Bible In The News...

Laying Down Your Life... The Life Of Irena Sendler

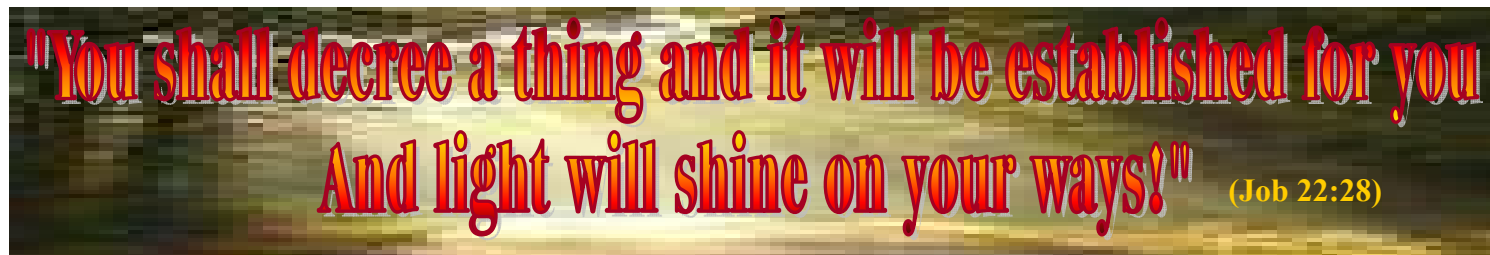

She died on May 12, 2008 at the age of 98. During WWII in Warsaw, Poland, Irena got permission to work in the Warsaw ghetto as a plumbing-sewer specialist (nice job, huh?). Being German, she knew what the Nazi's plans were for the Jews, so every chance she got, she smuggled infants out in the bottom of the tool box she carried. She would carry larger children in a burlap sack to the back of the truck she used for her work. She also had a dog in the back, trained to bark when the Nazi soldiers let her in and out of the ghetto. The dog's barking also covered the infants' noises.

During this time, Irena smuggled out and saved 2500 children and infants! Then she was caught and the Nazis broke both her legs and arms and beat her severely. After torturing her, they sentenced her to death, but she managed to evade execution and survive the war. After the war, she tried to locate the parents of the children she helped escape because she had kept a record of all the children's names buried under a tree in her back yard. She saw to it that each child was either placed in a foster home or adopted.

In 1965, Sendler was recognized by the state of Israel as a "Righteous Among the Nations". Late in life she was awarded Poland's highest honor for her wartime humanitarian efforts and also was nominated for the 2007 Nobel Peace Prize, but did not win because Mr. Obama won for his work in ACORN, a progressive organization that is now being investigated for fraud. She appears on a silver 2009 Polish commemorative coin, honoring some of the Polish Holocaust resisters. Irena did not do this heroic act to receive a medal or any honors but to save the lives of people around her. May we be so heroic in our lifetime to "love our neighbors as ourselves!" She took up her cross daily to serve JESUS Christ; she did not love her own life, but lost it for the sake of the cross: "He who loves his life in this world shall lose it and he who lays down his life in this world shall keep it for all eternity!" (John 12:26)

In this brand New Year, may we not so much seek our own desire but look for opportunities to help and give to others because, as Jesus said, "It is more blessed to give than to receive." (Acts 20:35)

Heart Cries

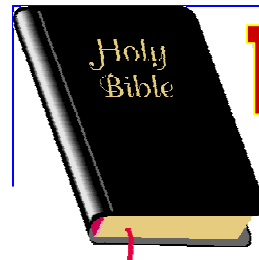

and PRAISE REPORTS

Dear Barbara, Praise the Lord...our son-in-law has prayed the sinner's prayer! That is answered prayer after praying for him for 16 years. GOD is faithful! We are so blessed and thankful, Kathy (Centennial, CO)
(Editor's comment: This is, by far, the greatest miracle - a heart change and new creation in Christ Jesus! Let us never take for granted the life of one who was lost but is now found, and let us pray for Dan that he will hunger and thirst for righteousness and that our LORD and Savior Jesus Christ will fill him to overflowing!)

Dear Barbara, I praise GOD for my health, and I want you to know that since you prayed for my knee it has not caused me any pain. I'm so grateful and I praise my healer, Jehovah Rapha, for He takes care of me and my great-granddaughters. Thank you, JoAnn (Edgewater, CO)

(Editor's comment: JoAnn is raising her three great-granddaughters and finances are spread thin, so if you would put her name on your prayer list, I know she would greatly appreciate the prayer support.)

The B-I-B-L-E - Yes, That's the Book For Me!

Ever wonder what would happen if you treated your Bible like you treat your cell phone or iphone? What if you carried your Bible around in your purse and pocket? What if you flipped through it several times an hour? What if you turned back to go get it if you forgot it? What if you used the verses from your Bible to text messages? What if you treated it like you couldn't live without it? What if you gave it to your children as a gift? What if you used it when you traveled? What if you used it in case of emergency? This is something to make you go...hummm ...where IS my Bible? And do you know what? GOD holds His Word above His Name: "You have magnified Your Word above all Your Name!" (Psalm 138:2 Amplified Bible)

"Every Word of GOD is tested...it has been tried and proven to be true...it is forever settled in heaven....Heaven and earth will pass away, but GOD's Word will not pass away!" (Prov. 30:5, Psalm 18, Psalm 119:89, Mark 13:31)

Oh, and one more thing...unlike your cell phone, you don't have to worry about your Bible being disconnected because JESUS paid the bill, and your calls are free of charge, and there are never any dropped calls.... Makes you stop and think, 'Where are my priorities', doesn't it? When JESUS died on the cross, He was thinking of YOU! So, in this brand New Year...make one of your New Year resolutions to have your Bible close by; it's your first aid kit and it will bless those who need your help in this year of great opportunity and unexpected events that will come along. (email submitted by Jerry Becker)

If you would like to study the Bible with me this year...we start the year in Genesis and end the year in Revelation; this could be the year that Jesus returns, so why not be prepared? Call 1-866-917-7256 - leave your name and address and I'll send you a Word Pow'r For Every Hour Bible Guide...

GOD bless you with great wisdom and understanding!

Home Of Refuge

Saving the Lost...Loving the Unlovable

Feliz Ano Nuevo from Home of Refuge!

We knew, upon arriving in Peru last month, that things were tight at the orphanage, but we never comprehended the great need until we opened the pantry to stock it with food that we had purchased upon arrival...our mouths dropped open! The shelves were almost completely bare, and we discovered that two of the stock animals had already died from starvation. Thankfully, though, your giving enabled us to fill the pantry shelves with rice, beans, oil, sugar, oatmeal, eggs, pasta, butter, chocolate, chicken and more...and you know how Tony loves to feed the orphans! Thank you, because you made it possible. We also celebrated one of the children's birthdays by getting cake, drinks and chips...the children enjoy these treats. We were even able to give a birthday present to the child. Your giving has also covered their utilities for another month. It literally keeps them up and running as a ministry to orphans.

One of the children who has benefited from your giving is Jose Luis. He is 9-years old and has been in the orphanage for 3 years. Jose Luis has problems speaking, articulating, comprehending and behaving because he was not given nutritious food, but since he has been at the orphanage, there is great hope for his future now.

It takes a LOT to feed all of these children but we are tremendously grateful to be a part of their rescue and learning about Jesus. Thank you for continuing to partner with Home of Refuge to see the orphans' needs met...and

Feliz Ano Nuevo!! Love, Tony and Rosa - Home of Refuge - Peru
