The WORD Is Your Standard In 2017!

Article by Barbara Carmack

It is such a privilege to be able to speak with you every month through the form of this special Freedom Street Xpress newsletter. This newsletter has taken on many different forms in the past 22 years, but faithfully it has been sent to you every month. Thank you for your continued support and prayers for this ministry - Call To Freedom. As we begin a New Year, you know that my Love for the Word of GOD is ever expressing itself :) And so I begin 2017 with an emphasis on the Word of GOD - the Bible - GOD’s Love Letter to you personally! And why do I hold the Word of GOD up as the Standard of my life? Because it solves every problem I’ve ever had and it brings answers that no agency on earth can give.

1) **The Word of GOD Solves Problems** - GOD has promised that when there is an emergency or a disaster, He is there to bring relief and comfort: **“When you go through deep waters, I will be with you...and you will go through treacherous rivers knowing that you will not drown; when you walk through the fire of oppression, you will not be burned up; the flames will not consume you!”** (Isaiah 43:2) Now, I’ve been through fires and flooding, and GOD brought me out on the other side. That verse is very special to me...I hope it is for you also.

2) **The Word of GOD Helps You Make Wise Decisions** - it’s so important in this New Year that when there is a decision to be made you go to GOD... FIRST! He will help you, through His Word, and through the voice of the Spirit, to make godly and wise decisions; memorize these valuable words in Prov. 7:4: **“Wisdom, You are my sister...and Understanding, You’re my intimate Friend!”** When Understanding is your intimate Friend, your innermost being calls out to Wisdom and Understanding; they are a vital part of who you are! Call on Understanding every minute of every day....

3) **The Word of GOD Heals** - The author of Psalm 107:20 has it right: **“He sent His Word and healed them and delivered them from their destructions!”** The Word of GOD is a “Standard of Defense” against the lies and intimidations of the enemy. The devil will try to tell you that you’re sick and you’re going to die....but Romans 8:11 speaks to you - **“If that same Spirit that raised JESUS from the dead dwells in you...He will quicken and make ALIVE your mortal (physical) body!”** You can bank on that! Other Scriptures that confirm your healing are found in Exodus 15:26, Psalm 41:3, Proverbs 4:22, Proverbs 17:22, Isaiah 53:5, and I Peter 2:24. GOD is JEHOVAL RAPHA, your Healer!

4) **The Word of GOD Births HOPE and CONFIDENCE** - **“...and Hope does not disappoint because GOD’s Love has been poured out in your heart!”** (Romans 5:5) **“So cast not away your Confidence...for it has a Great Reward!”** (Hebrews 10:35) **“...being Confident of this...that He Who began a good work in you shall perfect it....”** (Philippians 1:6)

5) **The Word of GOD Produces Peace** - **“My Peace I give to you...not as the world gives do I give you....”** (John 14:27) One of these days, the world will put their trust in one man to bring peace to the world....But that man - anti-Christ - will bring tribulation! There is only One Man of peace and that is the Prince of Peace - JESUS Christ, Who is...

The King of kings and LORD of lords!

The Bible In The News...

Pres. Donald J. Trump

The 45th President of the United States!

The United States has a new conservative President! Stand up and be counted for new and better relationships within our country. If a people's leaders are a reflection of the people then the solution cannot be found in new leadership...it must be found in a new people...praying people! GOD knew that this would be the case. After ages of flesh and blood kings leading His people toward destruction, GOD would do the unthinkable: **The Word became flesh and dwelt among us!** The King of heaven became a king of flesh and blood. JESUS was not a reflection of the people; He was and is a reflection of the Father. To look on Him is to see the perfection of the Kingdom of Heaven. To look upon Him is to be changed into His image. To pledge allegiance to His Kingdom is to find security and hope. To walk in His footsteps is to see the world set on fire with the hope of His Promises. If you want the landscape of our country and our leadership to change, the formula is right before you; look to JESUS...seek the Kingdom of GOD in JESUS. We have seen the results of this last election - a call to repentance and prayer = VICTORY!

"LORD, You crown the year with Your Goodness... And Your paths drip with Abundance!"
(Psalm 65:11)

In this very important year, join Call to Freedom Pow'r Partners in reading the Bible from Genesis to Revelation. It is the most exciting trip you will ever take! The times are serious and JESUS is coming soon; more and more prophecies will be fulfilled in 2017 and one way that you can be prepared is with the Prophecy and Promises inside the cover of the greatest Book that has ever been written. Barbara has prepared this Bible Guide in chronological order...the way it occurred. Deuteronomy 32:47 tells us, **"These are not idle words; this is your life!"** Many people before you, gave their lives so that you could have a Bible...so instead of putting it on a shelf from Sunday to Sunday...join us! It will change your life!

If you would like a Bible Guide, call Barbara at 1-866-917-7256, or go to www.freedomstreet.org, click Bible Guide and download...do it...NOW! And then, pick up a 4-color pen and a ruler and begin underlining what GOD says in red, what people say in green, the story-line in black and write in a journal every day in blue. GOD bless you as you study His Love-letter to you!

Bravery means Action!

It was a cold winter day in Alabama in 1955, when Rosa Parks, a 42-year-old African American woman who worked as a seamstress, boarded a Montgomery City bus to go home from work. On the bus that day, Rosa Parks initiated a new era in the American quest for freedom and equality. She sat near the middle of the bus, just behind the 10 seats reserved for whites. Soon all of the seats in the bus were filled. When a white man entered the bus, the driver (following the standard practice of segregation) insisted that all four blacks sitting just behind the white section give up their seats so that the man could sit there. Mrs. Parks quietly refused to give up her seat. Her action was spontaneous and not pre-meditated, although her previous civil rights involvement and strong sense of justice were obvious influences. *"When I made that decision,"* she said later, *"I knew that I had the strength of my ancestors with me; there was no turning back."* She was arrested and convicted of violating the laws of segregation, known as "Jim Crow laws". Mrs. Parks appealed her conviction and thus formally challenged the legality of segregation. At the same time, local civil rights activists initiated a boycott of the Montgomery bus system. Since African Americans made up about 75 percent of the riders in Montgomery, the boycott posed a serious economic threat to the company and a social threat to white rule in the city.

A group named the Montgomery Improvement Association, composed of local activists and ministers, organized the boycott. As their leader, they chose Martin Luther King, Jr., a young Baptist minister who was new to Montgomery. The boycott lasted 381 days, into December 1956 when the U.S. Supreme Court ruled that the segregation law was unconstitutional, and the Montgomery buses were integrated. The Montgomery Bus Boycott was the beginning of a revolutionary era of non-violent mass protests in support of civil rights in the United States.

Mrs. Parks remembers going to elementary school in Pine Level, Alabama, where buses took white kids to the new school, but black kids had to walk to their school. *"I'd see the bus pass every day,"* she said. *"But to me, that was a way of life; we had no choice but to accept what was the custom. The bus was among the first ways I realized there was a black world and a white world. Virtually every African-American person in Montgomery had some negative experience with the buses. But we had no choice; we had to use the buses for transportation."* Rosa Parks is just one example of what a person can do when they're standing up for their GOD-given rights. STAND UP FOR GOD In 2017!!

Home Of Refuge

Saving the Lost...Loving the Unlovable

Feliz Ano Nuevo from Home of Refuge!

Happy New Year - Feliz Ano Nuevo! Let's stand strong in this New Year, my Special Spiritual Friends! Santa Maria's Orphanage is seeing super-natural blessings because of your generous giving. As you can see, the children are growing up, strong in the LORD, and keeping the pantry well stocked. During our recent trip to Peru, Rosa and I were able to visit an additional boys' and girls' home in the mountainous region where many children are in dire need. Every once in a while, we try to gather some food and take it up to them. I hope that we can return and there may be some way to rescue those children. We see a need in the mountains of Peru and our hearts ache to help these hungry children. We need finances to get up to this dangerous region...but the children need food and clothes. Will you give me a hand to make this trip possible?

Just like the desperate faces that haunted my memory after my trips to the city dump in Venezuela, I see their pleading eyes, begging me to care and help. If the LORD opens up the door, He will be presenting all of us with an invitation...will you help?

Love, Tony and Rosa -
Home of Refuge - Peru
