

# "Five-Finger Prayer"

Article submitted by Julie Wood

Make the Five-Finger Prayer a part of your life:

1. Your thumb is nearest you, so begin your prayers every day by praying for those closest to you. They are the easiest to remember – to pray for loved ones; as C.S. Lewis once said, "Praying for your loved ones is a sweet duty."
  2. The next finger is the pointing finger; pray for those who teach, instruct and heal. This includes teachers, doctors, and ministers. They need support and wisdom in pointing others in the right direction; keep them in your prayers.
  3. The next finger is the tallest finger; it reminds you to pray for your leaders. Pray for Pres. Trump and his administration, leaders in business and industry, and leaders in the Christian community. These people shape your nation and guide public opinion, and family life; they need GOD's guidance.
  4. The fourth finger is your ring finger. Surprising to many is the fact that this is your weakest finger, as any piano teacher will testify. It should remind you to pray for those who are weak, in trouble or in pain. They need your prayers day and night; you cannot pray too much for them.
  5. And lastly comes your little finger – the pinkie finger, the smallest finger of all, which is where you should place yourself in relation to GOD and others. As the Bible says, "**The least shall be the greatest among you**" (Luke 9:48). Your pinkie should remind you to pray for yourself. By the time you have prayed for the other four groups, your own needs will be put into proper perspective and you will be able to pray for yourself more effectively.
- If you decide to pass this on to a friend, you may brighten someone's day...so give this to someone special; I Did!

What do you think the Believer should be experiencing in this world - blessing or lack, protection and safety, or fear and vulnerability? JESUS made a Promise to every Believer in Luke 12:32, "**Fear not, Little Flock, it is the Father's good pleasure to give you the Kingdom**". What did He mean? What is this Kingdom the Father promised to you? For one thing, the Kingdom of GOD isn't all about the physical enjoyments:

**"The Kingdom of GOD is not eating and drinking, but Righteousness, Peace and Joy in the Holy Spirit!"** (Romans 14:17)

GOD wants you blessed so you can be an Ambassador of Freedom to your world - a representative of Righteousness, Peace and Joy on this planet. You do have responsibility to defend the Freedom of Christ on your block and in your neighborhood. You can no longer look like the world and act like the world; you are in this world but not of this world (John 17:15-16).

Galatians 5:1 tells us that the Freedom that you experience as a Believer is no longer bondage: "**It was for freedom that JESUS set you free...**" JESUS expects you to convey that spiritual revelation to everyone around you - **He gave His life that you may be free!** What the enemy has done is distracted you from your calling. What is your calling? Your calling is to go and tell your world about JESUS...to go into all the world as a Freedom Fighter for the LORD! Just think, if each Muslim radical is willing to give his life for a cause that is insane and untrue, how much more should the Christian be willing to give his life for the sake of the Cross of Christ?

I'm not suggesting that you go out and get yourself beat up, but I do advocate the verse in Revelation 12:11 that says, "**And they overcame him (the devil) by the Blood of the Lamb, and the Word of their testimony, and they didn't value their lives even to the death.**" That verse tells you that unless you're willing to lay down your life for the sake of the Gospel, you're really kidding yourself, because Paul said in Acts 14:22, "**Through many tribulations we must enter the Kingdom of GOD!**"

You may say, "Barbara, you're getting radical on me," but, Precious Child of GOD, who else will suffer for JESUS' sake? You've seen our soldiers go into dangerous territory to secure your freedom, and they give their lives willingly for the sake of this country's liberties. Are you willing to do the same for something so much more significant?

You may have an idea that times are going to get better, and we will live in a utopian society when we get peace in the Middle East, but you haven't been reading the Word of GOD. The uprisings, that we see in the Middle East and China on the news every night, are nothing compared to what's going to happen when the Muslim and the anti-GOD countries come against Israel. And that time is coming!

Everything that GOD prophesied about JESUS in the Bible came true, and all the Scriptures written about Israel's dispersion throughout the world came true. The prophecy about Israel coming back to their Promised Land came true, so why wouldn't you believe the prophecies in Ezekiel 38-39? The prophecies in Daniel, Zechariah and Revelation will come to pass. You are living in the most exciting times in the history of this world! The ride may get a little bumpy, but stay true to the LORD JESUS because He stayed true for you, even death on the cross!

Come quickly, LORD JESUS!

# Making America Great Again! GOD Bless President Trump!

Donald Trump has caused the Shadow Government to come out of hiding. Professional government is a guild, like medieval guilds. You can't serve in it if you're not a member. If you haven't been indoctrinated into its arcane rituals; he's not a member...he isn't in the club. He brought in a bunch of people with him, who aren't in the club. Now we're seeing what the pros do when amateurs try to walk in on them. They spy on them, they investigate them and throw out a few lies, and they send them to jail. They use the tools of power to bring them down. That's not a free country....

It's not a free country when FBI agents, who supported Hillary Clinton, take out an "insurance policy" against Trump winning the election. It's not a free country when Obama officials engage in massive unmasking of the opposition. It's not a free country when the social media responds to the other guy winning by trying to ban the conservative media that supported him. It's not a free country when all the above collude together to overturn an election because the guy who wasn't supposed to win did!

Have no doubts, we're in a civil war between a conservative, volunteer government and a leftist socialist, professional government. Well now, Pilgrims and Patriots, having read the above, I suggest two things: pass this very timely, very important analysis to those whom you believe think like you do (and those who don't), and ask them to read it...and **Vote in November!**

**"Liberty with uncertainty is ALWAYS better than slavery with security!"**

**"Let Justice roll down like water...  
And Righteous like an everflowing Stream!"**

(Amos 5:24)

## You're a Soldier in GOD's Army!

In GOD's Army all are volunteers; no one's drafted. You are serving JESUS Christ because it means freedom for you and your loved ones: **"Cherish this truth, it was for Freedom that JESUS set you Free!"** (Galatians 5:1 Passion) The Body of Christ above all peoples should be grateful to those who've paid the price to serve in GOD's Army, fighting against the enemy of all mankind - satan! On this Independence Day as you salute all those who have fought and shed their blood for your freedom, know that you are free to worship as you choose and to pursue the best life that you can think of having. The only barrier to your dream of life is YOU, and you can make real sure that you're not the hindrance to the abundant life GOD has planned for you. There isn't a proverb or a beatitude that says, **"Blessed are the freeloaders for they shall inherit good things."** In fact Proverbs 13:4 warns you that **"The soul of the sluggard craves and gets nothing"**. GOD is making sure that laziness is not part of who you are, because in Him you are **"...strong in the LORD and in the Power of His Might!"** (Ephesians 6:10) Proverbs 15:6 gives this Promise to those who seek GOD: **"Much wealth is in the house of the righteous!"** So don't go for the cheap, Friend; go for the gold! Pray and proclaim - **GOD Bless America!!**

## Two States In the Middle Of America...

From 2016: "A State with No Republicans"! Here is some interesting data from 2016 on the 'state' of the State of Illinois. There are more people on welfare in Illinois than there are people working. Chicago pays the highest wages to teachers than anywhere else in the U.S. Their average pay is \$110,000 a year. Their pensions average 80-90% of their income. Wow, are Illinois and Chicago great or what? Be sure to read till the end. I've never heard it explained better. Perhaps the U.S. should pull out of Chicago? Body count: in the last six months, there have been 292 murders in Chicago, 221 killed in Iraq ; **AND Chicago has one of the strictest gun laws in the entire US.** This was Chicago's chain of command:

- President: Barack Hussein Obama.
- Senator: Dick Durbin.
- House Representative: Jesse Jackson Jr.
- Governor: Pat Quinn.
- House leader: Mike Madigan.
- Atty. Gen.: Lisa Madigan (daughter of Mike).
- Mayor: Rahm Emanuel. The leadership in Illinois - **all Democrats.**

**"...one nation, under GOD,  
indivisible, with Liberty and  
Justice for all!"**

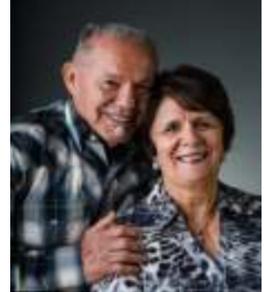

What a Combat Zone is Chicago. Of course, they're all blaming each other. Can't blame Republicans; there aren't any! Let us get ALL the facts out while we are at it: Chicago school system is rated one of the worst in the country. Can't blame Republicans; there aren't any! State pension fund is \$78 Billion in debt (worst in country). Can't blame Republicans; there aren't any! Cook County ( Chicago ) sales tax is the highest in the country at 10.25%. Can't blame Republicans; there aren't any! This is the political culture that Senator Obama came from; and he was going to 'fix 'Washington politics for us? George Ryan is no longer Governor, he is in prison. He was replaced by Rob Blagojevich who was, by the way, went to prison. And Representative Jesse Jackson Jr. resigned and, that's right, he and his wife were both in prison. This "Land of Lincoln", where our 16th President, who was called "Honest Abe" was elected to office, needs legislators with the integrity that Pres. Lincoln had. Illinois is deeply in debt, but they can change their state around with some honest lawmakers.

## Home Of Refuge Saving the Lost...Loving the Unlovable

The children are doing virtual schooling since classes have all been cancelled until next school year. I am still waiting to go back to Peru, which cannot happen until the borders are opened. I help Juan Carlos manage the home, daily speaking directly with him (and oftentimes, with the children). You are a **LIFELINE** to the work we are doing in Peru. I want to remind you that when you give to Home of Refuge, it counts as if YOU are here. The Bible says that you receive the same reward...you are in partnership with us and your reward is great! There is nothing that compares to the riches that GOD has in store for those who do His will on earth. Your giving has blessed so many people from all walks of life. **Keep sowing, keep praying and keep giving into the Kingdom**; it matters! We love you, Tony and Rosa
