

## Drinks Through Your Lifetime...

When you begin that wonderful journey of serving JESUS, your body is no longer your own: **"The one who joins himself to the LORD is one spirit with Him...because your body is the temple (dwelling place; sanctuary) of the Holy Spirit Who is in you, Whom you have from GOD and you are not your own...you have been bought with a price; therefore Glorify GOD IN YOUR BODY!"** (I Corinthians 6:17-20) It is so important, especially in this day and age, to eat food that has nutritional value for a healthy body. It's wise to check with your spirit to see if something is good for you or whether it's harmful. The Bible doesn't say not to drink beer or alcohol, but it does say not to make your drinking and eating gods in your life: **"...whose god is their appetite (belly)...who set their minds on earthly pleasures."** (Philippians 3:19) So, enjoy life to its fullest so you won't have to live on a medication drip from a bag with tubes attached to your arm or other places on your body... **"O Taste and see that the LORD is Good!"** (Psalm 34:8)

As you read through the Bible with "Call to Freedom" this year, may you be continually reminded of those who have sacrificed so much for the continuation of the Word of GOD, from the time of the Old Testament prophets to the Freedom Fighters of today. So many of those who you read about in the Bible gave their lives for Freedom. It is a constant reminder to the fact that Freedom isn't free! Moses gave up all that he knew to go back to Egypt (where he was hated) to free his people from bondage. Joshua and Caleb kept godly standards and convictions through years of having to live along-side unbelieving, quarreling people in the wilderness. Samuel never had a childhood...he never played with children of his own age; from the time he was a tiny child, he was in the temple being taught by Eli, the priest. After King Solomon reigned, and the nation of Israel was split into two countries - the northern kingdom and the southern kingdom - many prophets warned Israel of the coming doom, but they would not listen, and they would not repent. GOD brought Isaiah, Jeremiah, Ezekiel, and others who gave their lives for the cause of Freedom.

There are those who were filled with the Holy Spirit in the Upper Room and with all the power available to them, preferred death over compromise. Peter had a choice to make; he could've walked away after the crucifixion and left everything behind. Do you think he would've ever accomplished what he did, even to the point of hanging on a cross upside-down, if he wasn't fighting for a greater cause? Remember, He wrote two dynamic books of the New Testament and his story filled many pages of the Book of Acts. And look at Paul; would he have traded all GOD-given wisdom and understanding in writing 2/3 of the New Testament, for prestige from the world or an important position in the synagogue of that day? No!

Do you know why the men and women of the Bible were willing to give their lives for Freedom? Because JESUS gave His life for Freedom: **"It was for freedom that JESUS set you free; so stand FIRM, and be no longer subject to a yoke of slavery!"** (Galatians 5:1) Believers will never understand the full impact of JESUS' sacrifice. Even movies like *"The Passion of Christ"* don't begin to explain the spiritual significance and the magnitude of JESUS carrying man's sin in His Body on the cross. This liberty of yours, in Christ JESUS, is something that all humanity is looking for...so cherish it: **"For you have been called to live in Freedom, my Brothers and Sisters, only don't use your Freedom to satisfy your sinful nature...instead use your Freedom to serve one another in Love. For the whole Law can be summed up in this one command - Love your neighbor as yourself."** (Galatians 5:13-14) There's nothing more important to fight for.

**No, Freedom isn't free...  
but it's worth EVERYTHING!**

## The Bible In The News...

It just dawned on me...my dog sleeps about 20 hours a day. He has his food prepared for him; he can eat whenever he likes. His meals are provided at no cost to him. He visits the vet once a year for his checkup and again during the year if any medical needs arise. For this he pays nothing and nothing is required of him. He lives in a nice neighborhood, in a house that is much larger than he needs, but he is not required to do any upkeep. If he makes a mess, someone else cleans it up. He has the choice of luxurious places to sleep (usually on my bed). He receives these accommodations absolutely free; he is living like a king, and has absolutely no expenses whatsoever. All of his costs are picked up by others who go out and earn a living every day. I was just thinking about all this, and suddenly it hit me like a ton of bricks...**I think my dog is a member of Congress!!**

Well, you may laugh at the analogy, but it's very evident that the Congress of the United States is spoiled and not at all like the Continental Congress of 1776. When you weigh the time and effort put forth by the men who formed the union and wrote the Constitution of the United States, they far outshine anything that is done by the Congress today. **One of the founding fathers, John Adams added these words to our constitution: "Our constitution was made only for a moral and religious people. It is wholly inadequate to the government of any other."** But as you see in our country today, people like Nancy Pelosi and Joe Biden have another philosophy that they're trying to push down everyone's throat: **"You don't need GOD anymore, you have us Democrats"** (statement made in 2006), followed by a quote by Joe Biden, **"The next person that tells me I'm not religious, I'm going to shove my rosary beads up (you know where)!"** This is the crude and ungodly language of the politicians who run our country.

Noah Webster, who spoke 28 languages and was the author of Webster's Dictionary wrote of the constitution as the following: **"...our citizens should understand that the genuine source of correct Principles is the Bible, particularly the New Testament. The moral principles and precepts contained in the Scriptures ought to form the basis of all of our civil constitutions and laws. All the miseries and evils which men suffer from - vice, crime, ambition, injustice, oppression, slavery and war - proceed from their despising or neglecting the precepts contained in the Bible. The preservation of a Republican Government depends on the faithful discharge of this duty!"**

## Heart Cries

## and PRAISE REPORTS

Dear Barbara, I am doing the Pow'r Pack on healing. I do my affirmation and two Scriptures 7 times, three times a day. I am on a 40-day healing venture with JESUS. GOD has healed me of severe arthritis in my hips and acid reflux and I believe and receive my healing, in JESUS' Name! Doreen ( Longmont, CO)

Editor's note: Many of you call in and write in with physical issues and the above letter from Doreen is how you do what GOD wants you to do - **BELIEVE THAT BY HIS STRIPES YOU WERE HEALED!** That's wholly what the New Covenant is all about: **"If that same Spirit that raised JESUS from the dead dwells in you, He Who raised Christ JESUS from the dead will give life to your mortal (physical) bodies through His Spirit Who indwells you (He lives in YOU!)"** (Romans 8:11) Be it done to you according to His WORD!

## The Statue Of Liberty

The greatest gift given by any country to the U.S.A. is the Statue of Liberty - the symbol of freedom around the world. Approximately 34 million persons immigrated to the United States, between 1820 and 1920, three-fourths of them staying permanently. The first glimpse of the United States of America for most of these newcomers, was the Statue of Liberty in New York Harbor.

Men at work in France constructing The Statue Of Liberty

The Statue, sculpted by Frédéric Auguste Bartholdi, had been conceived of as a gift of friendship from the people of France marking the two nations' commitment to liberty. France provided \$400,000 for the 151 ft 1 in. (46.05 m) statue, and a fundraising drive in the United States netted \$270,000 for the 89-foot pedestal. Alexandre Gustave Eiffel (designer of the Eiffel Tower) was commissioned to design the massive iron pylon and secondary skeletal framework which allows the Statue's copper skin to move independently yet stand upright. The Statue was completed in France in July of 1884, eight years after Bartholdi began designing the impressive Symbol of Freedom. The Statue of Liberty arrived in New York Harbor in June of 1885 on board the French frigate "Isere". In transit, the Statue was reduced to 350 individual pieces and packed in 214 crates and reassembled on her new pedestal in four months time. On October 28, 1886, the dedication of the Statue of Liberty took place in front of thousands of spectators.

The Jewish American poet Emma Lazarus saw the Statue as a beacon to the world. A poem she wrote to help raise money for the pedestal, and which is carved on that pedestal, captured what the Statue came to mean to the millions who migrated to the United States seeking Freedom, and who continue to come to this day.

**"THE NEW COLOSSUS"** by Emma Lazarus  
(The Inscription on the Statue Of Liberty)

*"Give me your tired, your poor, your huddled masses yearning to breathe free,  
The wretched refuse of your teeming shore...Send these, the homeless, tempest-tossed to me, I lift my lamp beside the golden door!"*

## Homes Of Refuge

Saving the Lost...Loving the Unlovable

Rosa was scheduled to preach at one of our son's churches during the same time I had a trip to Peru scheduled, so she was unable to accompany me this month. Thankfully I was able to do all of our usual activities of providing for the children - filling up the pantry, paying the bills, providing a special meal during my time there, and teaching the children from GOD's Word. But what amazed me was how, from the moment the children saw me, they were asking for Rosa. They missed her terribly and I realized then just how much GOD is using Rosa as a vessel of His love, in the form of a mother's love, which they all desperately crave to receive. They have father figures in the orphanage, but Rosa brings to the home the presence of a Mom...and oh, how they love to receive that kind of tender-ness from her! You see, these children are here because, either their moms aren't able to provide for them or their mothers are gone.

I want to remind you that when you give to Homes of Refuge, it counts as if YOU are here. The Bible says that you receive the same reward...you are in partnership with us and your reward is great! There is nothing that compares to the riches that GOD has in store for those who do His will on earth. Keep sowing, keep praying and keep giving into the Kingdom; it matters! We love you,

Working together for the Kingdom, Tony & Rosa
