

A Teenager's Prayer To GOD!

The LORD's PRAYER is not allowed in most public schools anymore, because the Word "GOD" is mentioned. A 15 year-old wrote the attached prayer...

"Now I set me down in school where praying is against the rule. For this great nation under GOD finds mention of Him very odd. If Scripture now the class recites, it violates the Bill of Rights. And anytime my head I bow becomes a Federal matter now. Our hair can be purple, orange or green; that's no offense...it's a freedom thing! The law is specific, the law is precise - prayers spoken aloud are a serious vice. For praying in a public hall might offend someone with no faith at all.

In silence alone we must meditate; GOD's Name is prohibited by the State. We're allowed to cuss and dress like freaks, and pierce our noses, tongues and cheeks.... They've outlawed guns, but FIRST the Bible; to quote the Good Book makes me liable. We can elect a pregnant Senior Queen, and the 'unwed daddy,' our Senior King. It's 'inappropriate' to teach right from wrong; we're taught that such 'judgments' do not belong.... We can get our condoms and birth controls, study witchcraft, vampires and totem poles...but the Ten Commandments are not allowed; no Word of GOD must reach this crowd. It's scary here, I must confess; when chaos reigns, the school's a mess. So, LORD, this silent plea I make - should I be shot - my soul please take!" (email submitted by Jerry Becker)

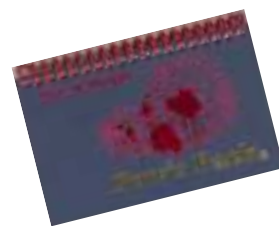

Every day as you pray for your teenagers, going out into the unknown, ask GOD to surround them with Wisdom and Discernment: **"Wisdom, You are my Sister, and Understanding, You're my intimate Friend!"** (Proverbs 7:4)

Be BRAVE Above All Things!

by Barbara Carmack

GOD puts in each of you all kinds of fight-or-flight situations so you can learn two things: 1) Bravery, and 2) Trust. If you know that fight-or-flight feeling, then you know that fear is close by. And you also know, or will hopefully come to know, the amazing Power of Spiritual Bravery - obeying Holy Spirit and trusting GOD with the outcome. But you may ask... "What is Bravery?" It is different than courage because courage is basically a thought process - weighing risks and coming to conclusions that will end up with a proper course of action. And that's where Bravery comes in: if **courage is internal, Bravery is external.** It's one thing to feel courageous on the inside, but it's another thing to be brave = **to demonstrate the courage of one's convictions by acting bravely in the face of obstacles, threats and risks.**

The three Hebrew boys - Azariah, Hananiah and Mishael - are a prime example of Bravery and Trust. They could've caved to the demands of bowing to the statue that King Neb had made, but instead they stood their ground, being loyal to GOD and this is where the Bravery occurred: **"Our GOD Whom we serve is able to deliver us from the fiery furnace; and He will deliver us out of your hand, O king...but even if He does not, O king, we are not going to serve your gods or worship the golden image that you have set up!"** They realized that it was safer in the fiery furnace than outside the furnace without GOD on their side! That's what Bravery is all about - it's trusting GOD with your life when your life is on the line: **"Even though He slay me, I will trust in Him!"** (Job 13:15) **"GOD is my refuge and strength...a very present help in tight places!"** (Psalm 46:1) **"When my anxious thoughts alarm me, Your Word delights my soul!"** (Psalm 94:19) **"...my flesh and my heart may fail, but GOD is the strength of my heart and my portion forever!"** (Psalm 73:25) So how do you get Bravery...

1. **Know the situation;** learn to recognize the fight-or-flight symptoms in your body. Don't be fearful; recognize fear as an emotion alerting you to a decision to be made. When you feel weak or fearful, you know GOD is giving you an opportunity to exercise Bravery and Faith by confessing His wonderful Words of courage...Words of hope and deliverance!
2. **Know yourself!** You may be between Peter and Paul on the Bravery scale, or you may be naturally timid like Timothy, but you have a spirit that wants to show you... **"Christ in you...the hope of glory!"** (Colossians 1:27)
3. **Know GOD's Promises!** Charles Spurgeon said it best: **"My own weakness makes me shrink, but GOD's Promises make me brave!"** When it is all said and done, you capitalize on Bravery by being Brave: **"Watch, stand fast in the Faith...be Brave...be Strong!"** (I Corinthians 16:13) There is a well-known phrase in "Braveheart", spoken by William Wallace, who was instrumental in gaining freedom for Scotland: **"You can take our lives, but you can't take our Freedom!"** And lives were lost that day...but ultimate freedom was gained by their sacrifice! Every time you defeat fear and step out in Faith, you are...

Brave for Christ's Sake!

The Bible In The News...

Defacing of the U.S. Flag In Arizona

by William Cowan - Veteran of the Korean War

"We are not far from the end, Folks. We can't take much more political correctness. This picture was taken at a rally at the Arizona State Capitol yesterday. The news will not show it and the Capitol Police and Homeland Security would not let Americans or any of the Veterans that were there do anything about it. My friends and I were threatened to be arrested and were told we would be booked under federal charges if we did anything against these protestors. Homeland Security was designed to identify and defend America from Terrorist acts yet yesterday it let illegal and legal citizens of this country desecrate the Flag. People were spitting on it, stomping on it and burning it with cigarettes. One soldier, who had just returned from Iraq, tried to grab the flag and was thrown to the ground by the Capitol Police and Homeland Security. It amazes me how many people will stand against the American People, all the while prospering from our system and our government.

Those of you that don't live in Arizona will maybe get a chance to see the other side of what the news is telling you. If this offends you greatly, then I have truly accomplished what I set out to do. I understand that sometimes we don't see eye to eye on certain things, but that is the right our forefathers fought for. I am an American before I am anything else. For those of you who choose to dismiss this: If you believe that this is okay I believe you are a traitor to this country and everything it stands for. I am not a racist and I am not a Nazi, this has nothing to do with race, it has to do with respect to the country that is continually taking you in and turning a blind eye to your agenda."

The Ten Most Dangerous Foods

by Dr. Ted Broer

- Hot Dogs, Bacon, Sausage, Ham, Pepperoni (high-fat meats with nitrites and nitrates)** - increase risk of leukemia in children; if eaten when a woman is pregnant there is a double risk of brain cancer in her unborn child. There are hot dogs, bacon, etc. that are free of nitrites and nitrates - Whole Foods, Natural Foods (read labels)
- Aspartame** - found in Equal and Nutrasweet and Splenda; produces nitrous urea compounds - high increase in risk of brain tumor; symptoms: headaches, confusion, depression, insomnia, memory lapses. NOTE: When put in hot liquid, one of the components it breaks down into is wood alcohol! The combination of eating a hot dog and drinking a diet drink (all diet drinks are made with aspartame) creates one of the most powerful cancer-producing substances known to man!
- Margarine (Hydrogenated Oils)** - found in peanut butters like Jiff (Jiff does come made with non-hydrogenated oils but you must read the labels!) and Skippy; buy natural peanut butter or use real butter, olive oil or canola oil
- Shellfish (Lobster, Shrimp, Crab)** - A lobster is an arthropod - a cockroach is an arthropod!
- Olestra** - is a fat-free substitute used in foods; it is an insoluble fiber not digested or absorbed by the body, and is no benefit to the body; researchers suspect that this "fake fat" actually messes with your body's ability to digest and metabolize food, making you more likely to retain weight from what you eat; a certain amount of fat is beneficial to the body's well-being
- Junk Food** - like store-bought cupcakes and "twinkie-like" desserts; better to eat a homemade cookie
- Chlorine in your water supply** - increases heart disease and cancer risk; get bottled water or use a filter
- High-fat Dairy Products** - this former farm girl does not believe that dairy products are detrimental to one's health, but use wisdom in your consumption; 2% milk recommended
- Caffeine Products** - consuming foods with caffeine is a short-term fix; taps into your adrenals and causes fatigue later; can increase risk of breast tumors; 5 cups of caffeinated coffee a day increases your risk of heart disease by 50%; Boyer Decaf Coffee is manufactured through a Swiss process not using chemicals - recommended consumption
- Alcoholic Products** - many wines and hard liquors have been brought to age by alcohol being added to them - not naturally fermented; very addictive...and slows down the metabolism in the body

Homes Of Refuge Saving the Lost...Loving the Unlovable

Two different men, ONE common dream, and ONE super-natural GOD. Luis's dream was to build a safe haven for the children of the streets of Peru...and Santa Maria Children's Home was founded...on a dream. And Luis's dream is still very much ALIVE, even though he is very ill at the writing of this newsletter. He dreams of another home - one yet to be built - that will house more orphans and bring greater joy to needy children JESUS cares for deeply. The site of the future home is on the current property, directly across from the orphanage offices. The dirt for fill has already been donated and the land prepared, but construction seems a long way off. And this is where I (Tony) come in, because my mission, for the last 19 years has been to rescue the orphaned children (the "discards of society" as they are called), and give them a place to call home. Most of you know my story...I was not wealthy; I was not talented; I was not special by any standards of this world. But I loved GOD...I believed GOD...and my GOD came through and spoke to the wealthy, and the talented, and the people of the Kingdom of GOD...and the money came in! The home was built! In fact, more than one home was built, and I am still helping orphans today. It is GOD Who has fulfilled a dream that couldn't be extinguished...and that still burns brightly in my soul. In this journey, GOD has made not only the orphan's dreams come true, but my dreams also! Thank you for your loyalty to this work! **Working Together For the Kingdom, Tony & Rosa**

"GOD will bless you in all the work of your hands...
So that you shall be altogether JOYFUL!"

Deuteronomy 16:15

PRAISE REPORT:

Dear Barbara, I am happy to report that my husband, Michael, is healed of what some people die of...and that's West Nile Disease. He contracted the disease last November and was in a coma, but on Christmas Day, he opened his eyes. You said something in your prayer for him: "GOD will COLLAPSE the time of healing and MULTIPLY the Anointing", and that's exactly what happened! The doctors said that it would be a six-month recovery time for him, and instead he went home in January and is doing so well. I can't wait until he can come to another Call to Freedom meeting and blow his shofar again. We praise GOD for His healing touch on Michael's body and the quick recovery. Joni, (eastern Colorado)
