

Dancing With GOD...

Email submitted by Jon Shepard

When you meditate on the word "Guidance", do you see "dance" at the end of the word? Obeying GOD and doing His will is a lot like dancing. When two people try to lead, nothing feels right. The movement doesn't flow with the music, and everything is quite uncomfortable and jerky. When one person realizes that, and lets the other lead, both bodies begin to flow with the music. One gives gentle cues, perhaps with a nudge to the back or by pressing lightly in one direction or another. It's as if two become one body, moving beautifully. The dance takes surrender, willingness, and attentiveness from one person, and gentle guidance and skill from the other.

Let your eyes reflect on the word Guidance. As you look at the "G", think of GOD, followed by "u" and "i"; "GOD" - "U" and "I" - "dance"; GOD, You, and I dance!

May you become willing to trust that GOD will give you guidance about your life... are you willing to let GOD lead?

My prayer for you today is that GOD's blessings and mercies are upon you on this day and every day. May you abide in GOD, as GOD abides in you. Dance together with GOD, trusting GOD to lead and to guide you through each season of your life.

The concept of "Dancing With GOD" is a powerful revelation, and when you realize that GOD has everything to do with your life being fulfilled and successful, you will let Him lead you and guide you with every graceful step. There are so many rewards letting GOD lead you, and letting His skill provoke you....and I Hope You Dance!

You've heard the little story of a man hanging off the cliff: He asks the LORD for help and the LORD says, "Let Go!" And then the man asks in desperation, "Is there anyone else up there?" Why is it that we look at things in the context of our own limits and in our own thinking? Why are people always looking for a "Plan B" if, what they've been told by the Creator of the universe looks too difficult or impossible in their world? What does it take for you to "let go" of your safety and security and put your trust in GOD? Jeremiah wrote that nothing was too difficult for GOD: **"Ah, LORD GOD, You have made the heavens and the earth by Your great Power...nothing is too difficult for You!"** (Jeremiah 32:17)

Even in the world today, GOD's ways are so much greater and higher in probability of bringing about a great result than anything else you can trust in! He is able to bring about tremendous answers to your need that no one else can. As you give Him your requests and put your trust in Him to answer those requests, you must let go...yes, let go of your aspirations and your ideas of how those requests are going to be manifested...and let GOD do what He does best - bring about super-natural victory for you in this intellectualized and reasoning world! And GOD never changes; He's there for you: **"Do not fear for I Am with you! Do not anxiously look about you for I Am your GOD! I will strengthen you, surely I will help you, surely I will uphold you with My righteous right hand!"** (Is. 41:10)

Have you heard the phrase "Practice Makes Perfect"? As you begin to get into a good habit of studying the Word every day and obeying what it says, you're practicing and making your way perfect before GOD; when you do this one hour a day, seven days a week, you become a proficient student in learning and listening to the voice of GOD: **"Study to show yourself approved of GOD..."** (II Timothy 2:15)

Holy Spirit wants to hang out with you; He is excited about getting to know you and work with you in getting your prayers answered. It's so much easier to trust a friend than a stranger...and Holy Spirit is the best Friend you'll ever have: **"You are My friends, when you do what I ask you to do. No longer do I call you slaves, for you are My friends...for all things that I have heard from My Father, I have made known to you!"** (John 15:14-15) He desires that you walk with Him and be a part of His plan: **Your part is TRUST... GOD's part is FAITHFULNESS.**

GOD didn't build the ark; Moses did! GOD didn't kill Goliath; David did! GOD didn't build the temple; King Solomon did! You have a part in GOD's plan and it's doing the "stuff" and cooperating with Him. Are you afraid of making a mistake? With GOD, mistakes aren't possible! It is not in GOD's character to fail...His mercies are new every morning; GOD's justice never fails; His Love never fails! With GOD there is no confusion or changing His mind: **"He is the same yesterday, today and forever!"** (Hebrews 13:8) You can ALWAYS trust that He has your very best in mind. Obedience and Faith are never tested as deeply as when you can't see where you're going. But that is what "letting go" means - letting go of your trust in yourself and putting your trust in GOD's Promises and Faithfulness!

SO, LET GO...AND LET GOD!

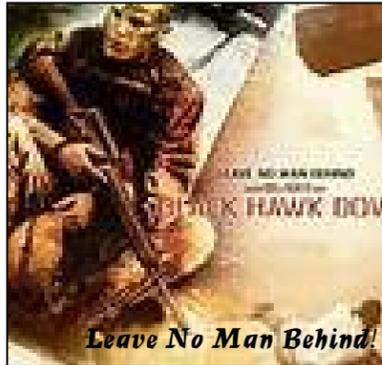

The Bible In The News...

Whoever said, "beggars can't be choosers" never met Somali Muslim refugees in Minnesota. These Muslim imports in Minneapolis are now demanding a tax-funded "halal" non-pork food shelf at a free food pantry for the poor. As if it's not bad enough that nearly all the American Muslims who have joined ISIS have been Somalis from Minneapolis, their relatives here are demanding that Americans adhere to the same Sharia Laws the Islamic State fighters are trying to impose throughout the Middle East. A group of first generation Somali Americans say they need help in developing a food shelf that specializes in healthy foods that do not contain pork or pork by-products. "It's about human rights also, basic human rights to get the proper food and also healthy food," said Imam Hassan Mohamud. Human rights? Seriously...their arrogance and self-entitlement has to be unprecedented for a group on the public welfare toll.

Tens of thousands of Somalis settled in Minneapolis/St. Paul after Bill Clinton, George W. Bush and Barack Obama imported them and funded massive "refugee" centers there. Welfare, schools, hospitals and social services have been crushed by the burden of immigrants who lack the most basic skills to live in a modern society.

This is hardly the first demands Somalis have made on the good people of Minneapolis. When the influx of Somali thugs naturally resulted in a huge increase in crime a decade ago, the Somalis demanded a \$48 million Sharia-compliant "youth center" to keep Somali gangs "out of trouble." (Remember what happened to the U.S. servicemen in the movie "Black Hawk Down; 18 died in that attack and were drug through the streets of Somali). Muslim cab drivers have kicked out blind passengers with guide dogs (dogs are "unclean" in Islam).

They came to the U.S., taking advantage of American generosity, and returned it by enforcing their own brand of Sharia Law upon us. Each refugee already has access to the following: Temporary assistance for "needy families", Medicaid, Food Stamps, Supplemental "Security" Income, Social Security Disability Insurance, Aid For Developmental Disabilities, Independent Living Income, Child Care and Development Fund, Refugee Assistance Program, and from our lovely State Dept. - \$2200 per month to live on...thank you, Nancy Pelosi and all the liberals of America!

PRAISE REPORT:

Dear Barbara, When you prayed for me, after my procedure - "LORD, collapse the time of healing for my Friend, and multiply the anointing, in JESUS' Mighty Name" - the doctor was amazed at the speed of my recovery! I thank GOD for His goodness to me, Cheri (Windsor, CO)
 (EDITOR'S NOTE: This simple prayer has blessed many people; just this week I called a Pow'r Partner, who was having trouble breathing, and as I prayed "LORD, collapse the time of healing for my friend, and multiply the anointing" I heard her voice change and become stronger and her breathing became more regular. This prayer was taught to me by Derin, and in all the years that Derin and I have prayed this prayer, we've seen great and amazing results. I recommend that you learn this, so when an incident or opportunity comes along for you to pray for someone, you will be able to give them a good outcome. Here is the prayer again: "Father GOD, thank You for collapsing the time (for the miracle and for healing) and multiplying the anointing, in JESUS mighty Name, Amen!"
 Isaiah 10:27 tells us that "...the anointing removes the burden and destroys the yoke (of bondage)" (Amplified), so you can truly rely and depend on GOD because He wants to see you blessed and healthy!

Homes Of Refuge
 Saving the Lost...Loving the Unlovable

You've heard the proverb, "Give a man a fish and you feed him for a day; teach a man to fish and you feed him for a lifetime!" Well, we've entered into a new phase here at Santa Maria Orphanage by purchasing 300 chicks so the children will learn how to take care of and profit from raising chickens. We hope this will result in a continuous supply of eggs as well as providing good protein for the children. Please pray that we will have the wisdom and knowledge to teach these young children how to live and prosper when they become adults. Ten additional children will be joining those already here at Santa Maria Children's Home.

The new directors have brought new enthusiasm and joy to the orphanage because their hearts are in this mission. Your faithfulness to this ministry is a vital part of Santa Maria's success. Without you doing what you do, they would never have the means to do what GOD has laid on their hearts to do for the orphans in Peru.
