

# That's Special Someone...

If you could sit on this bench and chat for 1 hour with anyone from the past or present who would it be...??

Photo submitted by Tom Dunn

Are you thinking about who you would like to talk to for one hour? Is it someone you can joke around with... or is it someone you have a deeper more meaningful relationship with? Do you have the kind of friend who you could sit with...sharing the warm sunshine, the beautiful coastline and the blue sky...not having to say anything for a while? Sometimes those moments of silence - not saying anything - may wind up to be the best memory of you and your friend...just sitting on the bench...together.

I hope that you have saved time in your day for Holy Spirit to commune with you. He has come to be your Guide, Comforter, Counselor, Teacher and most of all...your Friend.

As JESUS says in John 14 and 16, **"When I leave, the Father will send you another Helper...the Spirit of Truth Whom the world cannot receive....He will teach you ALL things and guide you into all the Truth...and He will disclose to you what is to come!"** (John 14:17, 26; 16:13) Spend some time with a Friend Who sticks closer than a brother! Selah....

## It's Beginning To Rain...

by Barbara Carmack

**"It's beginning to rain,"** hear the voice of the Father...saying,  
**"Whoever will come drink of this water; I have promised to pour My Spirit out on your sons and your daughters. If you're thirsty and dry, look up to the sky...it's beginning to rain!"**

"The turtle dove is singing its sweet song of mourning; the leaves on the trees turn their silver cups to the sky. The silent clouds above are beginning to gather, the barren land is thirsty, and so am I. The young man's eyes start to shine as he tells of his vision; the old understands what he sees for he's dreamed his dreams. With the thrill of being alive, they reach for each other, and they dance in the rain with the Joy of the things that they have seen!

At the first drop of rain that you hear, throw open the windows; go call all your children together and throw wide the door. When the rains of the Spirit are falling, fill every vessel...for he who drinks his fill will thirst no more!" (Gloria Gaither and Aaron Wilburn)

When Peter, now filled with Holy Spirit, spoke those words written by Joel, hundreds of years before, he was telling the whole world that he knew what GOD had just done: **"...in the last days, I will pour forth of My Spirit upon all flesh...and your sons and your daughters shall prophesy and your young men shall see visions, and your old men shall dream dreams...."** The words spoken in Acts 2 describe the early and latter rains that GOD has begun to pour on the earth, in the Spirit...the early rain, spoken of in Deuteronomy 11 and Joel 2 taking place in the Upper Room on Pentecost, and the latter rain we are now looking for...to be poured out on the expectant church, **"...on hungry hearts that drink water from the rain of heaven!"** (Deuteronomy 11:11) This "water from the rain of heaven" was promised to the Children of Israel as a result of their obedience and loyalty to GOD. In the physical, if it doesn't rain during the fall and spring seasons in Israel, there will be no harvest! Early rains in the fall continue to refresh and ripen the crops. In Israel there are no large rivers, and the people have to depend entirely on rain for water for themselves, their animals and their fields. When in Egypt, the Children of Israel were promised by Yahweh a land which **"drinks water from the rain of heaven"**. It's the same in the church today; hearts are looking for the fulfillment of the last days, in which Holy Spirit will fill to overflowing those who are expecting a great move of GOD.

The early rain of Holy Spirit in the Upper Room ushered in a New Covenant of GOD's Grace and Presence, and filled the hearts of those who were expecting what JESUS has promised in Acts 1:8, **"...and you shall receive Power when the Holy Spirit has come upon you...and you shall be My witnesses in Jerusalem and in Judea and Samaria and to the remotest part of the earth."** The church has succeeded in taking the Gospel to the remotest parts of the earth...and now we are expecting that latter rain to fall upon us at any time...a refreshing and anointing that the church has yet to see! **"So, let us know, let us press on to know the LORD; His going forth is as certain as the dawn; and He will come to us like the rain...like the spring rain (latter rain) watering the earth!"** (Hosea 6:3)

**"Do you feel the rain?"**

### National Day of Prayer - Thursday - May 5, 2016

In 1952, an annual "Day of Prayer" was passed by both houses of Congress, and Pres. Truman signed it into law. On May 5, 1988, President Reagan declared that the National Day of Prayer will occur annually on the first Thursday of May.

Under Pres. Bush, in 2004, approximately 40,000 events were held nationwide. Local volunteers and coordinators held a variety of activities ranging from prayer breakfasts, Bible reading marathons, concerts of prayer, rallies, church prayer vigils, student flagpole gatherings and observances held in sports stadiums. May 4, 2006, the theme was "America, Honor GOD." May 3, 2007, Shirley Dobson, National Day of Prayer Spokeswoman, announced "America, United in Prayer," from 2 Chronicles 7:14: "If My people, who are called by My Name, will humble themselves and pray and seek My face and turn from their wicked ways, then will I hear from heaven and will forgive their sin and will heal their land."

April 15, 2010, under Pres. Obama, a U.S. District Court judge ruled that the federal enabling legislation for the National Day of Prayer was unconstitutional; the right of individuals and groups to hold a NDP is very securely protected by the U.S. Constitution. It is only the "declaration" of the National Day of Prayer by the federal government that was found to be unconstitutional...hmm "unconstitutional"...the President cannot mention it....

### Honoring Hannah Duell-High School Graduation...

"GOD knows what size we are and He loves us!" the end

The first time you met Hannah was in our 2004 Freedom Magazine; she was 6 years old. Her brother, Johnathan is beside her and her little sister, Sarah is on her lap. Hannah wrote these words for Mima: "GOD knows what size we are and He loves us!" the end What Hannah writes in verse and drawing pretty much describes all you need to know about GOD's love. Now twelve years later, Hannah is 18 and graduating from High School...a beautiful child of GOD, and loved by all who know her! Congratulations, Hannah Duell; we love you! The pictures below show the great relationship she has with her brother, Johnathan, now 14. Thank You, LORD, for grandchildren!

# Let Go... and See What GOD Can Do...

you know why it's HARD to be happy?

it's because we refuse to LET GO of the things that make us sad.

ALWAYS BELIEVE THAT SOMETHING WONDERFUL IS ABOUT TO HAPPEN.

"Every morning when I wake up I say, 'I'll never be as young as I am today... today is the youngest day of the rest of my life; I'm going to do something fun!'" Rochelle Ford, 78-yr-old Metal Sculptor.

"You don't stop laughing because you grow old... you grow old because you stop laughing!"

"YOU JUST DON'T LET THAT ROCKING CHAIR TAKE OVER YOU GET UP AND GO EVEN IF YOU DON'T WANT TO."

102 year old Constance Reeves

85 year-old Dennis Branham is the #1 runner in the world in the 800 and 1500 meters in his age group. Unlike so many of the world's top masters athletes, this isn't a return to the sport of his youth. In fact, Dennis not only didn't run in college, his high school didn't even have a track team.

It's like he says, "It's better late than never." He says that he listens to his mind rather than give in to his actual age. He also describes how exciting it is to line up against other world record holders.

## Home Of Refuge

### Saving the Lost...Loving the Unlovable

Tony and Rosa are continuing their labor of love in Peru which is bordered by Columbia, Brazil and Bolivia on the east and the Pacific Ocean on the west. Although the country is governed by the leftist Natl. Party, the president is moderate, The economy is improving, but poverty is still an issue, with many children left to themselves in the streets. Thank you for your prayers and giving for this important work in Peru...Tony & Rosa - Home of Refuge - Peru
