

A Picture Is Worth 1,000 Words...

Colin Kaepernick, running back for the San Francisco 49ers, with a multi-million dollar contract, would not stand during the National Anthem. He has been given everything of material worth in this country, and his arrogance and rebellion are an affront to the men and women of the military, who have sacrificed everything so that the citizens of this country could enjoy the freedom promised to them by the fore-fathers and GOD Almighty! (email submitted by Dan Ramsey)

In the late 60's and early 70's, the guys who came back fighting a war in Viet Nam were spit upon and harassed mercilessly...it seems to be happening again...brave men and women, who have put up their lives for punks who are privileged to live in this country and are spitting again at the bravery exhibited on war fronts in the Middle East.

Whenever and wherever you can, tell a serviceman or servicewoman that you appreciate their service to our country. Boycott the NFL games and especially the 49ers football team until they get serious about dealing out punishment for this kind of dishonor to our country....If they don't want to honor our country, they should leave our country!

REST FOR YOU IN THANKSGIVING

Article by Barbara Carmack

There is a place in the Kingdom of GOD where you will find perfect rest for your soul...a place that the whole world is searching for. GOD' people are the only ones who can truly enjoy this place. And do you know where it is found? It's found in Thanksgiving - Giving Thanks!

When you think of the word "Thanksgiving" it may evoke many memories of going to Grandma's house for a great meal. But the fact is, Thanksgiving carries a much greater meaning; the word "thanksgiving" appears 141 times in the Bible and means "to give thanks". In Hebrew, the word "yadah" is defined as "to revere or worship with extended hands in praise"; and in the Greek, the word "eucharisteo" means "to be grateful; grateful language to GOD as an act of worship". If GOD exults [spins around and dances] over you with Joy (Zephaniah 3:17), shouldn't you take time every day to thank Him for His love and wonderful works that He performs for you, some that you aren't even aware of?

You would think that people would praise and thank GOD when the times are good, but it usually doesn't work out that way. It usually takes trials and tribulations - desperate times - for people to look to GOD. It happened to Jonah; in the slimy darkness of a whale's belly, Jonah cried out, **"I will sacrifice to You with the voice of Thanksgiving; I will pay that which I have vowed. Salvation and deliverance belong to the LORD!"**

Daniel spent almost his entire life in captivity. He was captured as a young man and served Nebuchadnezzar and three other kings in Babylon... yet, GOD blessed him even among his enemies! What made Daniel prosper as a captive of Babylon? Read his prayer in Daniel 2:20-23: **"Blessed be the Name of GOD forever and ever! For wisdom and might are His! He changes the times and the seasons, He removes kings and sets up kings, He gives wisdom to the wise and knowledge to those who have understanding! I thank You and praise You, O GOD of my father, Who has given me wisdom and might...."** GOD gave Daniel great Wisdom and Favor and he became a good friend of Nebuchadnezzar and prophesied great truths and interpretations of dreams.

A young maiden in Nazareth, after Gabriel told her of the birth of the Messiah - JESUS, replied: **"Behold I am the handmaiden of the LORD; let it be done to me according to what you have said."** WOW! With all the ramifications regarding unwed mothers, how could she possibly acknowledge this tremendous truth with a thankful heart? When she came to Elizabeth's house, this teenager's thankfulness to GOD was so evident:

"My soul proclaims the greatness of the LORD and my spirit exults in GOD my Savior. For He has looked with mercy on my lowliness and my name will be forever exalted. For the mighty GOD has done great things for me!" "Father GOD - May we learn to begin each day with thanksgiving and become joyful, thankful people of the Most High GOD, giving with every opportunity that You give us to show our gratefulness, in JESUS' Precious Name, Amen."

"Come ye thankful people...Come!"

The Bible In The News...

Rudy Guiliani - "In the wake of barbaric Islamic terrorist attacks in Paris, Brussels, Istanbul, Fort Hood, Chattanooga, Boston, San Bernardino, and Orlando earlier this year, the time has come for the people of this great country to stand up to this unprecedented evil that threatens to take our lives and destroy our way of life. This is a war on America. As the US prosecutor who took down some of New York City's most notorious crime families, and as the Mayor of New York City on that fateful September day 15 years ago, *I've lived this firsthand.*

We can no longer sit by as our country inches closer to the point of no return. Keeping this country and its citizens safe must be the first priority for America's next President -- and let me assure you, it will not happen if Hillary Clinton is allowed to continue the disastrous policies of the Obama administration. It can only happen if Donald Trump is given the chance to bring commonsense and backbone to the Oval Office. He is the only candidate who *has consistently shown the leadership and necessary resolve* to handle the overwhelming pressure that comes with being President of the United States. And he is the only candidate who will step up and stand tough in the face of adversity. America needs a leader who will face down Radical Islamic terrorists. America needs a leader who isn't afraid to say the words 'Radical Islam.' And America needs a leader who doesn't outright deceive the American people when four Americans are murdered on their watch...a leader who doesn't call a segment of American society 'a basket of deplorables!'

So I call on you to please join me in supporting Great America PAC's efforts in support of the Donald J. Trump campaign to defeat Hillary Clinton and bring leadership to the White House. We cannot afford to have a Commander-in-Chief who sleeps through desperate calls from Americans under attack. We must demand a leader will do everything in their power to Make America Great Again!"

HEBREWS 4:16

(John 14-16)

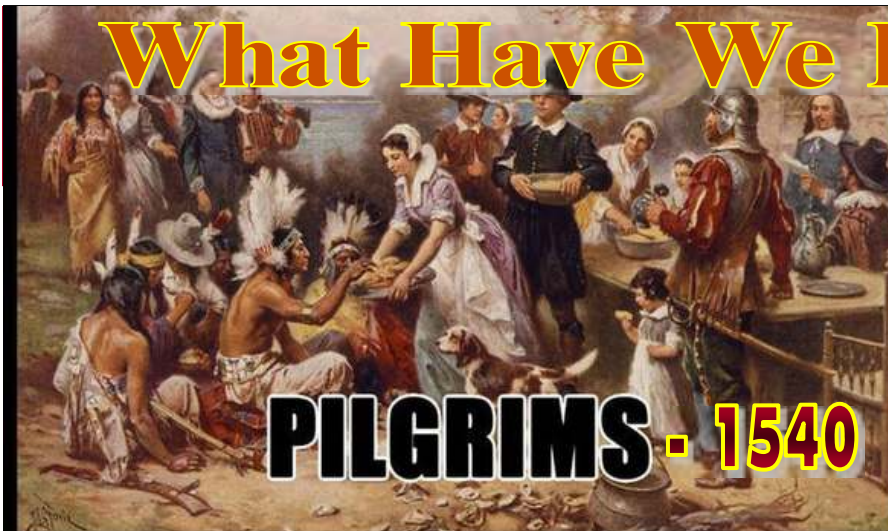

The Eastern Gate in JERUSALEM

"After this, the angel brought me back around to the **Eastern Gate**. Suddenly, the **Glory of the GOD of Israel** appeared from the east. The sound of His coming was like the roar of rushing waters, and the whole landscape shone with His Glory. I fell on my face, and the **Glory of the LORD** came into the Temple through the **Eastern Gate.**" (Ezekiel 43:1-4)

"I will enter His Gates with Thanksgiving in my heart...I will enter His Courts with Praise! (Psalm 100:4)

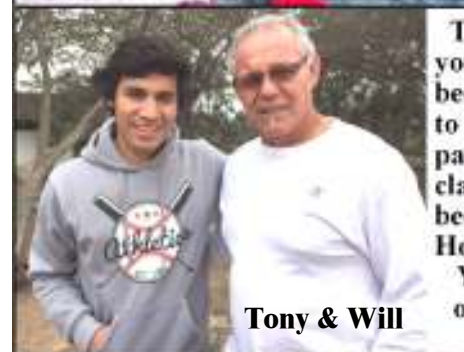

What Have We Become?

Being thankful affects everyone around you...YOU can create an atmosphere of praise and thanksgiving, and people around you will benefit from what you do and what you project with every breath you take. The words that come out of your mouth are seeds that produce fruit; they can produce a great Harvest of Righteousness or they can bear a crop of thorns and rotten fruit.

"Death and life are in the Power of the tongue and those who sow it will reap its fruit!" (Proverbs 18:21) May you realize how important your words are in becoming a doer of the Word of GOD (James 1:22)....

- If you plant **Honesty**, you will reap **Trust**
- If you plant **Goodness**, you will reap **Friends...lasting Friends**
- If you plant **Humility**, you will reap **Greatness and Honor**
- If you plant **Perseverance**, you will reap **Contentment**
- If you plant **Consideration**, you will reap **Perspective - what goes 'round....**
- If you plant **Diligence** you will reap **Success**
- If you plant **Forgiveness**, you will reap **Reconciliation**

Tony & Will

Home Of Refuge
Saving the Lost...Loving the Unlovable

Thank you for your love and generosity! I want you to know that Rosa and I totally depend on the power of GOD to sustain us. It is because of GOD's mercy that we do what we do...and He supplies everything needed to help the children of Peru to have food and all of their utilities paid, and to provide Will with the opportunity to attend his college classes. Remember Will? That is Will with Tony... smiling because he is attending college because of your generous giving to Home of Refuge!

You are putting smiles on their faces... yes you are! You are not only providing a chance at a far better life than they would've had on the streets of Peru, but you have provided a home they can call their own and a bed waiting for each and every child every night, as well as good, nutritious meals... Thank you, Thank you, Thank you!

Love, **Tony & Rosa,**
