A Supernatural Harvest...

Article by Barbara Carmack

In the fall of the year, farmers' thoughts turn to harvest - the reward of their efforts. Have you ever thought of your harvest as a reward of your efforts? I'm not talking about manual labor, although confessing the Word for your harvest can seem just as hard and laborious as going into a field and harvesting a crop. The Word of GOD is based on the concept of sowing and reaping. It is in sowing that the dimension of one's life changes. GOD dropped a 'seed concept' into my spirit the other day:

"When you plant a seed, your harvest is always the goal!"

Believe it or not, your life is just like a farmer's. He goes out and gets the ground ready for planting. He plows and harrows and discs to make the soil perfect; then he plants seed; he has a definite vision in mind. If he plants corn, he knows that corn is going to come up.

Now, what I've got to get some of you to understand is, GOD is giving you opportunities to sow! You may be sowing into a need or a project or an opportunity to prosper, but you are planting and sowing with a harvest in mind. If you have a financial need, what you sow will be seed for a better financial situation. If you have a health situation, you're sowing with divine health in mind (by the way, have you given an offering to GOD for your healing?). When you give an offering, you're not only honoring GOD, you're planting seed. Do you know that many people, who give offerings, just drop the money in the offering plate or send a check to a ministry without even considering what they want in return, without even praying for a harvest?

Do you know that the very best thing that you can do when you're writing that check or sending money, is to attach a Scripture that Holy Spirit gives you - a Scripture on finances or blessing. For instance, when I send a check to a ministry (Call To Freedom tithes), I put a Scripture on the check.

Verses you might use: Proverbs 11:24-25, **"Those who live to bless others will be prosperous"**, Philippians 4:19, **"And my GOD shall supply all my need according to His riches in glory in Christ JESUS!"**, or I Timothy 6:17b, **"GOD richly supplies us with all things to enjoy"**, or II Cor. 9:10, **"He Who supplies seed to the sower and bread for food, will supply and multiply your seed for sowing and increase the harvest of your righteousness!"** Wow! Now that's a verse you can stand on knowing GOD will come through for you! GOD never subtracts...He multiplies! Now, when you send a donation to Call To Freedom, a Scripture on finances goes on your check from Barbara. I sign every check that comes in to the ministry with Scripture. I want you to be blessed, and I desire the very best harvest for you as you give to this ministry and the Home of Refuge.

As you read the Word along with me, you realize that JESUS sowed the Word with His mouth in every situation. The divine Seed knew that what He spoke would bring healing, deliverance, knowledge and understanding to the hearers. Words spoken are seeds planted that bring a harvest of victory over the enemy. Revelation 12:11 tells you that you overcome the devil **"...by the Blood of the Lamb and the Word of your testimony...."** If you want a great harvest, you must plant Word-seed! And just don't throw that offering in the plate like it's a debt you owe. JESUS paid the debt; now, you must plant your seed with your super-natural harvest in mind.

"I'm planting my seed today!"

Living In A Socialistic Nation...

I am a school teacher in Denmark making about \$61,000/year. We get free education. You don't have to pay for the doctor or the hospital, and students even get paid to learn. It all sounds so great...right? However, I forgot to mention that nothing is ever free...the minimum income tax in Denmark is 40%. Also, we pay a sales tax of 25%, and on top of that the government applies duties and fees. A gallon of gasoline is about \$10. Tax on a car is 180%, meaning that a car that sells for about \$20,000 in the United States (Hondo Accord) is an astounding \$40,000 in Denmark.

Denmark is the highest-taxed nation in the world - taxed an average 80% on every dollar earned. Danes have the highest personal debt in the world. Few will ever own a car or a house. Anyone who makes over \$80,000 annually pays a personal tax of 68%. This means that people with higher earnings have either found ways to evade the tax or have left the country, taking their companies with them.

Denmark's suicide rate for the past five decades has averaged 20.8 per 100,000 people, with a highest rate of 32. The American suicide rate has averaged 11.1 during the last five decades and has never exceeded 12.7. More than 11% of adult Danes - supposedly the happiest people in the world - are on antidepressants. Everyone wants the American dream...even in Denmark. In Denmark's neo-communism economy, no one will ever own or accomplish anything! Do you find Socialism attractive?

1 John 4:1-4 (NLT) - "Do not believe every spirit, but test them to see if they are from GOD Almighty, for many false prophets have mingled into the world. This is how we know if they have the Spirit of GOD: Everyone who does not confess JESUS as the Christ Who has come in the flesh, that person is not from GOD. Such a person has the spirit of the antichrist, which is already active in the world....But you, my dear children have already won a victory over those people, because greater is He Who is in you than he who is in the world!"

Islam is the fastest growing religion in the world, and is basically more of a political ideology, whose sole purpose is to have a world caliphate. They preach love but they spew hate on everyone who does not agree with them. On the left is a graph of the differences between Christianity and Islam.

It would be well if you memorize this graph, because you may encounter a Muslim, and you need to know what they're all about, so you can give them the Good News of JESUS Christ. They will profess to know JESUS, but their god - Allah - is not our GOD - Father, Son and Holy Spirit!

Home Of Refuge Saving the Lost...Loving the Unlovable

We are so excited to see the dream that GOD gave us for Peru coming to fruition! GOD is filling up this home that was built with your donations. He is bringing in the children and soon the elderly will have a place to live. GOD is taking stories of hopelessness and providing a message of faithfulness and kindness to people who have never heard the Good News.

In August, we took all of the children on a field trip to the lake during their school break. This was completely new for them and they loved getting out into GOD's beautiful world. Thank you for making it possible!

We are still needing finances for a retaining wall, a laundry room, a storage room, a larger refrigerator, a washer and dryer, daily food and supplies for running the orphanage. As GOD supplied every need in our Home of Refuge in Venezuela. He will supply every need in Peru, because of your generous and faithful hearts. Thank You, Thank You! We love you!

Working together for the Kingdom,
Tony & Rosa - Home of Refuge, Peru
