

# Who Hires These Guys?

Part of rebuilding New Orleans caused residents often to be challenged with the task of tracing home titles back hundreds of years. With its rich history stretching over two centuries, houses in New Orleans have been passed through generations, sometimes making it difficult to establish ownership.

Here's a great letter an attorney wrote to the FHA on behalf of a client, and he was told the loan would be granted if he could prove title to the parcel of property; the title dated back to 1803. After sending this information to the FHA, he received the following reply: *"Upon review of your letter, we note the request is supported by an Abstract of Title. We must point out, you have only cleared title to the proposed collateral property back to 1803. Before final approval can be accorded, it will be necessary to clear the title back to its origin."* Annoyed, the lawyer responded as follows (actual response): *"Your letter was received, and I note that you wish to have title extended further than the 206 years covered by the present application. I was unaware any educated person in this country would not know Louisiana was purchased by the United States from France in 1803, the year of origin identified in our application. The title to the land, prior to U.S. ownership was obtained from France, which acquired it from Spain, who took possession of it in 1492, by order of Queen Isabella, who received her blessing from the Pope, who received his blessing from Jesus Christ, Son of GOD. GOD, therefore would be the owner of origin, and His origins date back to before the beginning of time. I hope you find GOD's original claim to be satisfactory. Now, may we have the loan?"* The loan was immediately approved!

## Then What Shall We Do?

by Barbara Carmack

When you see that title, you may ask, "Barbara, what does this mean?" So many times, when deception and untruths are aired on T.V. or on the internet, you want to speak your mind - you want to do something about the lies! Well, there is a story in Luke 3:7, when John appeared to the people, speaking a new message that most of the crowd are astounded at: **"You brood of snakes! Who warned you to flee GOD's coming wrath? Prove by the way you live that you have repented of your sins and turned to GOD. Don't say, 'We're safe, for we are descendants of Abraham.' That means nothing, for I tell you, GOD can create children of Abraham from these very stones. Now the ax of GOD's judgment is poised, ready to sever the roots of the trees. Yes, every tree that does not produce good fruit will be chopped down and thrown into the fire!"** And that's when the crowd asked this question: **"Then what shall we do?"** Do you know what John's answer to them was? **"Let the person who has two coats share with those who have none; and let those who have food do likewise."**

And then tax collectors came to him and asked the same question, **"Teacher, what shall we do?"** And he said to them, **"Collect no more taxes than the government requires."** **"What should we do?"** asked some soldiers...and John replied, **"Don't extort (to obtain by threat or intimidation) money or make false accusations, and be content with your pay."** So, what do you do in this time of uncertainty?

1) **Stay cool and be aware of what's going on - stay informed-** you are here **"for such a time as this!"** GOD knew that you would be part of the remnant that is standing strong in the last days. Jude 20 gives you the steps for having a confident attitude: **"...You, build up your most holy Faith in the Holy Spirit!"**. And, you do the stuff you need to do every day to build up your Faith - being in the Word and praying in the Spirit. The New York Times and Washington Post are not going to inform you like the Word of GOD...**it will never guide you wrong!** JESUS prayed to the Father in John 17:17, **"Sanctify them in the Truth; Thy Word is Truth!"**

2) **Keep your house in order** - don't neglect doing the daily things that keep your mind sharp and you body toned. Take personal inventory of what your life is all about - what motivates you - what do you think about most - what excites you? Work on any debt that you've accumulated - **"The rich rules over the poor, and the borrower becomes the lender's Slave!"** (Proverbs 22:7) You don't want to be a slave to anyone; JESUS has set you free from the law of sin and death!

3) **Seek Wisdom: "Wisdom, You are my Sister...Understanding, You're my intimate Friend!"** (Proverbs 7:4) The Spirit of Wisdom will help you in the difficult times ahead...so seek Wisdom and read a Proverbs a day! Doubt, fear or unbelief cannot have any hold on you...you are the righteousness of GOD in Christ! You no longer have your identity in fear, guilt, inferiority or unworthiness: **"This is the confidence I have before Him...that if I ask anything, according to His will, He hears me...and if I know that He hears me, I know that I have those requests I have asked of Him!"** (1 John 5:14-15)

**Obey GOD's Word!**

# The Bible In The News...

## The U.S.A. Is A Target...

There are four clear reasons why America and her allies are special targets of Islamic fundamentalists:

- 1) America represents those whom the Quran calls "People of the Book" - Jews and Christians,
- 2) The United States of

America supports Israel, 3) America is the source of all evil - pornography, alcohol, homosexual rights, evil music, fashion and culture, etc., 4) America is a government "of the people, by the people and for the people", which makes it a heathen government in Muslim thinking, because Allah is to be the head of ALL governments!

**Pray that the GOD of Abraham, Isaac, and Jacob will change the hearts of the Muslim people before it's too late for them!**

Yup! Had a feeling this wasn't a business trip!

# What Is Happening To Our Country?

Mosque in Dearborn, Michigan  
Largest mosque in No. America

In Dearborn Michigan, which has the biggest concentration of Muslims, you can't work in the school system offices if you don't speak Arabic now, and you need to know many dialects as some Arabs can't understand other's Arabic language. Everybody goes back to the homeland for months and expects to get passed on to the next grade. Kids (assuming girls...can't tell for sure) roam the hallways in full blown burkas; kids attend classes who can't speak or understand English. All school monies are being moved from the English end of town (Irish, Polish, Italian, etc) to the east end (95% Arabic) in the attempt to prop up the poorly performing schools. Sixth graders are reading at a 3rd grade level...forget math and sciences. Everybody gets free breakfasts and lunches,

after being dropped off in Land Rovers...and the car of choice here is Mercedes or Escalades. It is very common to have 3 families live in one house. All garages are being converted into living spaces complete with stoves (against all codes), and the city council can't find the nerve to enforce the safety regulations. Cars end up parked all over the streets affecting snow plowing, garbage pick up, ambulance runs, etc. And if this doesn't scare you, you haven't been watching what has happened to our country in recent years - and if that's not bad enough...the instructions for how to apply for food stamps in the great state of Michigan are written in Arabic! It's true...the Dept. of Human Services has confirmed this. Mr. Obama ordered the United States to pay several millions of dollars to have a large number of immigrants here from Palestine...you guessed it; they were ALL Muslim. We don't pay for other people from other countries to immigrate here...why Muslims?

Muslim men are allowed to have as many as four wives. Many Muslims have immigrated into the U.S. and brought their 2-3 or 4 wives with them. The U.S. does not allow plural marriages, so the man lists one wife as his, and signs the other 2 or 3 up as extended family on welfare and other free government programs. That's why Michigan has the highest population of Muslims in the United States.

So now in Michigan, when you call the Public Assistance office, you are told to "Press 1 for English; press 2 for Spanish; press 3 for Arabic"...check it out yourself - 1-888-678-8914. Arabic is now #3 official language of Michigan, and pretty soon, because they love to have children, it will be coming to your state. What do you do? You get prepared for JESUS to return to this tumultuous society...Marantha! Witness to as many people who will listen to you, because the time is short!

## Homes Of Refuge

Saving the Lost...Loving the Unlovable

Tony with Will

As you can see from the photo, Luis, the Director of Santa Maria's, is full of Joy and is recuperating very well. GOD is his Healer - JEHOVAH RAPHA; **"The Joy of the LORD is his strength!"** Thank you for your prayers for Luis's full recovery!

Will continues to do well in his college studies. He earns good grades and is very interested in learning. Will you help Will with needed school supplies and research material? Thank you for helping us give Will a great college education, and hope for the future! (Jeremiah 29:11)

Many of the precious children we minister to at Santa Maria Children's Home are orphans in this temporary, physical world; they didn't choose it, nor can they change that on their own. We are eternally grateful that we can tell them the Truth - that GOD offers them eternal salvation and that they now have a Father Who loves them - Abba, Daddy! That is what your contributions to Homes of Refuge are all about - changing their identities from orphans to "Sonship" in the Father. That changes everything for them!
