

Snake On A Plane:

It was a typical airline flight like any other, until one elderly Christian woman was insulted for her faith. The young flight attendant in this situation stands out for her bravery; it's no wonder this Facebook post has been shared over 83,000 times! The altercation began when a middle-aged man arrived at his seat on a crowded flight, but refused to sit down. His seat was next to an elderly white woman reading her Bible. Disgusted, the Muslim man immediately summoned the flight attendant and demanded a new seat. The outraged man proceeded to tell the young flight attendant that he refused to sit next to an "infidel." So the flight attendant did what any good customer-service representative would do and explained that she would try to find another seat. After searching for a seat, the flight attendant returned and stated: "There are no more seats in economy, but I will check with the captain and see if there is something in first class."

Almost 10 minutes later, the flight attendant returned and explained that she had found one available seat. "It is our company policy to never move a person from economy to first class, but being that it would be some sort of scandal to force a person to sit next to an unpleasant person, the captain agreed to make the switch to first class."

Before the outraged man could reply, the attendant gestured to the elderly Christian woman with the Bible and continued: "Madam, if you would so kindly retrieve your personal items, we would like to move you to the comfort of first class as the captain doesn't want you to sit next to such an unpleasant person." It didn't take long for passengers in the surrounding seats to applaud, while some even gave a standing ovation. Thank GOD for this brave flight attendant - our world needs more like her! Let the Blessings Flow...

Article by Barbara Carmack

I've never known anyone who said, "I don't want to be blessed." Everyone I've known or been acquainted with wants a blessed life. It's a journey of multiple proportions that leads one to blessings in this life. Most of the very successful people I've met don't dwell on the negative nor do they have poverty mindsets. That's the first thing that you've got to turn around...you've got to get thankful; you've got to tell yourself that life is good, and say this: "GOD wants the very best for me!" It's Psalm 90:17, "Let the Favor of the LORD be upon me; and do confirm the work of my hands bringing blessing and honor to the work of my hands!"

When GOD, through His prophet Moses, wrote the great "Blessings Chapter" - Deuteronomy 28 - He promised these wonderful blessings with certain conditions: that His people would diligently obey His Word! Everything in this world has conditions. When you served the devil, he meted out his "rewards" on certain conditions, with the results tearing you apart and breaking you down. But GOD promises great things for you... IF...(you've got to recognize that little word "if"), "If you will obey the LORD your GOD, He will bless you in the city, and bless you in the country (that pretty much covers everywhere you go!). He will bless your children and all the produce that comes from the ground (that pretty much covers everything you eat!). He will bless you coming in and going out (that pretty much covers all your activities for the day!). He will defeat your enemies before you and they will flee in all directions (that takes care of fear and every other hindrance!)" Visualize right now your enemy fleeing before you...the enemy of lack, the enemy of sickness, the enemy of death and loss...GONE in JESUS' Powerful Name!

These blessings were not only for the Children of Israel but they are for YOU TODAY! GOD continues the blessings for you in Deut. 28:11, "And the LORD will make you abound in prosperity....He will open for you His good storehouse, the heavens...and bless all the work of your hands; and you will lend but you shall not borrow!" (This is a great time to cut up those credit cards if you can't manage your spending!) "The LORD will make you the head and not the tail and you only shall be above and you shall not be underneath, IF...(there's that "if" word again), IF you will listen to His voice and observe and do His Word." (Deuteronomy 28:12-13)

Are you experiencing these blessings in your life? He wants you to experience Love, Joy and Peace in every situation, The blessings of the LORD gives divine health and He pours out of His storehouse - Blessings upon Blessings - for those who are obedient. Today, Father GOD, may Your children know that You not only care for them but You desire the very best for them...that, as they delight in You, LORD GOD...IN YOU, that You are so willing to give them the desires of their hearts. LORD, may You fill them up with all Joy and Peace in Believing, and may they abound to overflowing in Hope by the Power of Holy Spirit, in JESUS' Mighty Name, Amen!

May GOD's Blessings Overflow In Your Life!

Making America Great Again!

Wayne Allyn Root - "Right now, what's stopping illegal aliens from voting in our elections? The answer is nothing. Drivers licenses are issued to anyone, legal or illegal. And Secretaries of State across the U.S. agree they cannot tell the difference. When illegals go to the DMV for a driver's license, they are automatically offered voter registration- no questions asked. From that point on, they can legally vote.

Democrats practice sleight of hand; they claim there is no voter fraud. Sure...that's because there is MASSIVE VOTER REGISTRATION FRAUD. Millions of illegals are registering at DMV and the welfare/food stamp office. From that point on, they can legally vote. They are legally on the registration list. There's your massive election fraud; it starts with the registration process. That's why they can claim they are 'legally voting,' because they illegally registered, in plain view! It's time to stop this crime in America! This is not meant to deport every illegal alien...just the ones who commit fraud. If you vote illegally, you get deported; you've lost your right to stay in America. Does any elected Republican believe it's okay for non-citizens to vote in our elections? Don't Democrats agree it's a crime to commit voter fraud? Democrats claim no illegals are voting. Republicans, like President Trump, believe millions are voting illegally. If Democrats are right, then why should they oppose this legislation? If no illegal aliens are voting, then why would anyone worry about the possible consequences of the crime?

The Scarlet Redemption...A Story of Yom Kippur

(A Story by Rabbi Jonathan Cahn -Day 209 - The Book of Mysteries)

He led me into the Chamber of Books where he retrieved one of the large reddish books of the Talmud, the writings of the rabbis. He then took out from his pocket a scarlet cord. "It is recorded by the rabbis," said the teacher, "that in the time of the second Temple, on Yom Kippur - the Day of Atonement - a scarlet cord, representing the sins of the people, was tied to the Temple doors. When the ordinances of Yom Kippur were completed, the cord on the Temple doors would turn from scarlet to white...as in the Scripture, **"Though your sins are like scarlet, they shall be as white as snow; though they be red like crimson, they shall be as wool."** (Isaiah 1:18) "This happened every year?" "Yes," he said, "that's what they record. The phenomenon would take place every year on the Day of Atonement to signify that the atonement had been completed and accepted. But then something happened; the rabbis write that at a certain point in the first century a sign appeared in the Temple signifying a change of cosmic proportions; the cord stopped changing from scarlet to white!" "A sign that the sacrifices were no longer accepted?" "Or...that they were no longer central to the forgiveness of sins!" "Because...?" and my voice trailed off. "Because the final atonement had been offered up...the final sacrifice for sin!" "When do the rabbis say that this happened...that the change took place?" "They record it beginning about forty years before the destruction of the Temple." "The Temple was destroyed in the year AD 70," I said. "Therefore, the cosmic change took place around the year AD 30." "Which just happens to be the same time in history when Messiah came to Jerusalem to die as the final sacrifice for sin, as the final atonement." "So too the Book of Hebrews declares we are no longer saved by the sacrifices of the Temple or of Yom Kippur, but by the atonement of Messiah. And the rabbis pinpoint the time of the cosmic change to the time of Messiah's death...a sign of history written in scarlet that the final atonement has absolutely taken place, that the guilty have actually become innocent, that GOD has indeed cleansed us of the past, and that our sins which were as scarlet...have for real become white as snow!"

"JESUS is the One Who guarantees this better Covenant with GOD. There were many priests under the old system, for death prevented them from remaining in office. But because JESUS lives forever, His priesthood lasts forever. For He is able, once and forever, to save those who come to GOD through Him; He lives forever to intercede with GOD on their behalf. He is the kind of high priest we need because He is holy and blameless, unstained by sin. He has been set apart from sinners and has been given the highest place of honor in heaven. Unlike those other high priests, He does not need to offer sacrifices every day. They did this for their own sins first and then for the sins of the people. But JESUS did this once for all when He offered Himself as the sacrifice for the people's sins. The law appointed high priests who were limited by human weakness. But after the law was given, GOD appointed His Son with an oath, and His Son has been made the perfect High Priest FOREVER!" Hebrews 7:22-28 (NLT)

Home Of Refuge
Saving the Lost...Loving the Unlovable

This month Rosa and I stepped right into Acts 10 - only the location has changed to Cusco, Peru. Jose, one of the first to embrace us in these mountains, wanted to host a dinner during which we would have opportunity to speak to the members of his family. Into very humble surroundings, amidst a simple meal of potatoes, fish and soup, we gathered to eat and share the Gospel. I spoke to them from I Corinthians 10, and Rosa boldly preached about salvation, the Love of GOD and their need to be born-again. In just 20 minutes' time they opened wide their hearts to the LORD and the entire family that had gathered there accepted Christ while the Holy Spirit ministered powerfully to them.

With great Joy we can announce to you that salvation has come to that house! On this last trip we brought a water-heater for their school so that the children can take warm showers and not have to bathe in the freezing cold river anymore. We also met two young barbers who want to accompany us on our next trip to the Incas; what I'm interested in is reaching those two barbers for JESUS! (GOD bless you, Tony!)
