

## The Most Beautiful Tulip Garden!

Most of you probably know that every year millions of tourists visit the world-famous Keukenhof, the most beautiful tulip garden in the world. This garden is only open in spring! Every year, a hard-working crew makes sure the garden looks as good as ever, including this year! For the first time in 71 years, Keukenhof is closed. But that doesn't mean there are no flowers; on the contrary. The flowers are gorgeous and get as much attention and care as always. All the passionate gardeners do their work as they're used to. Nature and the show of the garden goes on without any people present. This seemed impossible, until last year's April 2020. Although COVID-19 virus is keeping everyone at home and tourists away, Keukenhof graciously allowed photographers into the garden for a day. The colors are brilliant and show the majesty of GOD's creative genius in this world.

## Hallelujah...He Is Risen!

by Barbara Carmack

For thousands of years Jewish people had to sacrifice a perfect lamb at Passover for the atonement of their sins. It's so ironic that when GOD gave His perfect Lamb for Passover, the people cried, "Crucify Him!" The Messiah that they had waited for so long was here; and they wanted Him dead. They had prophecies from Genesis to Malachi announcing that GOD was sending One Who would deliver them from their sins: **"The LORD Himself will give you a sign. Behold, the virgin will conceive and give birth to a Son and will Name Him 'GOD Among Us.'" (Isaiah 7:14)**

Isaiah predicted that a young virgin woman would give birth to a Son, indicating that her pregnancy would not come through the normal, natural way. Instead, it would be miraculous...a work of GOD. That anointed virgin would name her Son Immanuel - "GOD With Us", also indicating that her Child would be more than a typical human child. He would bear the identity of GOD Himself...a supernatural conception.

This prophecy was given by Isaiah to King Ahaz, who would not ask the LORD for help when confronted with enemies surrounding Judah. Instead King Ahaz went to Assyria for help, a known enemy of Judah. Ahaz would not listen to Isaiah, which resulted in Judah being devastated by Sennacherib in 701 B.C.; the very country that Ahaz had asked for help destroyed Judah.

That should be a lesson for GOD's people. When they look for help from places other than GOD...pardon the expression, they're going to "get their lunch"! It's as if King Ahaz was saying, "I can't bother Him with my situation" when your heavenly Father wants to be involved with every detail of your life. King Ahaz could also have meant, "I can't be bothered by asking of the LORD; I have a heavy-duty situation here that I can't ignore." Either way, it was the wrong attitude and it ended in total defeat for Judah.

When JESUS came on the scene, He proved to everyone around that He was interested in every detail of every day life; that's why He walked on those dusty roads to meet the needs of the people. He wanted to be a vital part of what the disciples were experiencing...emotionally and spiritually. JESUS told His followers in John 15:14-16, **"You show that you are My intimate friends when you obey all that I command you. I have never called you 'servants,' because a master doesn't confide in his servants, and servants don't always understand what the master is doing. But I call you My most intimate Friends, for I reveal to you everything that I've heard from My Father."** You are more than a friend to JESUS, for you were born again from His wounded side. JESUS goes on to say, **"You did not choose Me, but I chose you and appointed you to go into the world to bear fruit. And your fruit will last, because**

**whatever you ask of My Father for My sake, He will give it to you!"** When JESUS rose from the dead, He did not go forth yelling to the media or the crowds of people who once swarmed around Him...He went to His friends...the servant King announced to His best friends, **"I Am here for You!"**

## Keep America Great!

### LETTER FROM RUSH LIMBAUGH TO PRES. TRUMP

“My days on earth are numbered, but before I fade away, there is something important I need to say. It may not be important to anyone else, but it’s important to me. President Trump, I just want to thank you for the last four years. Thank you for making it cool to be an American again. Thank you for showing us that we don’t need to be under China’s thumb anymore economically, or any other way. Thank you for one of the strongest economies we’ve ever experienced in my lifetime. Thank you for all you have done for the minority communities, and the outstanding decrease in the unemployment rate. Thank you for making it feel good to love our country and to be a proud patriot again. Thank you for supporting our nation’s flag and the men and women who fought for the freedom that stands behind that flag. Thank you for supporting our nation’s law enforcement organizations and understanding how difficult their job really is.

Thank you for quelling the flood of illegal immigration and bringing to justice the thousands of criminals that came through open borders. Thank you for giving corporations a reason to come back to America to make our own products and put Americans back to work. Thank you for bringing our troops home from endless deployments...some in body bags, and for your commitment to strengthen our military. Thank you for operation warp speed and keeping your promise to bring the Covid-19 vaccine to us in less than a year (this wasn’t Biden’s doing!). Thank you for your never-ending attempts at bringing peace to the Middle East and your support for Israel. Thank you for your tax relief and thank you for our energy independence. Most of all though....THANK YOU for taking a damn rotten job that you never had to take!! Thank you for caring enough for this country to try to make a difference. Thank you for showing America how little politicians actually work for their constituents; for showing us how much those politicians despise you for showing America how easy it is to build a great nation, rather than rape her to line their own pockets and stock portfolios. Thank you for allowing us to experience a President that wasn’t a lifelong politician, but a life-long American. THANK YOU, MR. PRESIDENT...You did your best....”

## It's Resurrection... *not Easter!*

Because the New Testament Church celebrates Resurrection Sunday on April 4th this year, your praise to Him will be a reminder of what JESUS did for you on the cross! It’s important that you celebrate Resurrection and not Easter because Easter is a heathen holiday that had its beginnings hundreds of years before JESUS was born. It is a tangled web of folk lore and human sacrifices that are symbolic of everything that is against GOD and the Bible. The truth is that Easter has nothing whatsoever to do with the Resurrection of our LORD JESUS Christ. The word “Easter” is in the King James Bible in Acts 12:4 stating that the evil King Herod was planning to take Peter before the people after Easter (in other translations it’s Passover); that’s the only mention of Easter. Because satan is a master deceiver, he has filled the lives of well-meaning, professing Christians with idolatry through celebrating this pagan holiday. In reading this unbelievably macabre legend of Easter, you will realize that paganism has infiltrated the contemporary Christian churches. As the days of our LORD JESUS’ crucifixion draws ever closer, please be mindful of the glorious Resurrection of our Savior and Redeemer, and work on removing the name of Easter from your holiday celebrations.

Babylonian legend records that the great warrior, Nimrod (Genesis 10:9), married his mother, Ishtar, who changed her name to Queen Easter. Because Queen Easter’s son, Tammuz loved rabbits, legend has it that when he was killed by a wild pig, Queen Easter created egg-laying rabbits as a memorial to her son (don’t they make the rabbits look cute?). The babies that were born from the unions of the temple priests and young virgins, were sacrificed on the altar and eggs were dyed red from the blood of the babies and given as offerings to Queen Easter.

It is in this graphic setting that this legend became mixed with the story of the Resurrection...and after many decades, JESUS’ Resurrection became synonymous with Easter! How blasphemous to mix this horrible legend with something so pure and good. But that’s what satan does to get Christians to commit idolatry and engage in defilement...ignorant of the consequences. In reading this macabre legend of Easter, you will realize that paganism has infiltrated the contemporary Christian churches. You can change these traditions....Yes, you can!

May “Happy Resurrection” be on your lips this Resurrection Sunday!

## KLTT: Live Radio At Its Best!

Percy & Ruth Crawford

Don Crawford Jr.

It was 25 years ago that Derin and I walked into the office of Crawford Broadcasting station and inquired about radio time. Derin had been on radio in the 80’s with Derin’s Coffee Shop and he had ached to go back to the medium of communication that he loved. Dr. Don Crawford (photo on the lower right) had just purchased KLTT, the 50,000 Watt station and we went on air in the morning in September of 1996 as Derin In Denver. Derin wanted a “live” format because he wanted to be able to pray for callers on the broadcast. Today you will listen to many taped Christian shows, but Call To Freedom has remained a “Live” program with no sponsorship (GOD’s leadership and listener’s covering) and always there to give updates on the world and religious scene.

The format has changed since Derin’s been gone, but the message remains the same - that JESUS loves you: **“It was for freedom that JESUS set you free!”** (Galatians 5:1) The year Derin and I started radio, Mike Triem became General Manager, and it’s been a pleasure to work with him all these years.

In 1931, Percy Crawford started his own youth-oriented radio program on a single station in Philadelphia; he was 29 years old. Within a decade he had built a radio ministry that aired on over 400 stations. That same year he met and, two years later, married a very young but gifted pianist and arranger Ruth Duvall, who became his lifelong partner in evangelism. July 17, 1960 he founded the world’s first religious television station and buying radio stations came soon after. When Percy died in 1960, Billy Graham spoke at his funeral. Ruth and her son, Don, took over the immense task of owning radio stations - Crawford Broadcasting. Crawford Broadcasting now owns 22 stations, and responsibilities are shared between Don Crawford and Don Crawford Jr. It has been an honor and a privilege to be a Christian broadcaster on KLTT, one of four stations in Denver. With the Crawford’s, it’s been a family affair of serving the LORD through radio communication...GOD continue to bless them in every way!

## Home Of Refuge

*Saving the Lost...Loving the Unlovable*

As you can see, Tony and Rosa have worked tirelessly to not only bring the Good News to the mountain people of the Andes Mountains, but from a pile of dirt (on the left) have established a beautiful chapel and homes for the homeless. Several seniors who were living on the streets with no support at all have been admitted to the Elder Center and are enjoying delicious meals and warm, comfortable accommodations where they can live out the rest of their earthly lives in peace, surrounded with love. That’s what Home of Refuge is all about! Thank you for providing their immediate needs and for your love for Tony and Rosa Rivera, as their ministry of love continues to blossom forth to those who have no one to love them.
