

Lifestyles That Bless You...

One day a grandfather told his grandchildren the story of how he came to America, telling them about the ship that brought him from his home in Eastern Europe. He told of being processed along with other immigrants at Ellis Island, and how he'd gone to a cafeteria in Lower Manhattan to get something to eat. He sat down at an empty table and waited for someone to take his order, but nobody came. Finally a woman with a tray full of food sat down opposite him and explained how a cafeteria works, "You start at the end," pointing toward a stack of trays. "Then you go along the food line and pick out what you want. At the other end they'll tell you how much you have to pay." Then the grandfather said, "I soon learned that's how everything works in this country; life is a cafeteria here. You can get anything you want – even very great success – if you're willing to pay the price. But you'll never get what you want if you wait for someone to bring it to you. You have to get up and get it yourself."

The difference between where you are right now and where you want to be can be summed up in two words – Hard Work! Does GOD want you to succeed? Yes, but He won't drop success into your lap. He promised to "...bless all the work of your hands," (Deut. 28:12, Ps. 90:17) - Countless hours, persistent effort ("The dream comes through much effort" - Ecc. 5:3), and endurance - make the difference between ambition and success! Along with the hard work is the marvelous gift of Faith that is freely given to all of us who believe. Every Spirit-filled Believer has within him the Power to claim GOD's very best for his life. Living beneath your privileges? It is not because of a lack of Power but because of a failure to release that Power through Faith. So why don't you say with the Apostle Paul, "I find that the strength of Christ's explosive Power infuses me to conquer every difficulty!" (Philippians 4:13 Passion)

Article by Barbara Carmack

There may be storm clouds looming overhead but you don't have to take part in the anxiety and fear. JESUS is your lighthouse; He is that Name that keeps you safe: **"The Name of the LORD is a Strong Tower...the righteous run into it and they are safe!"** (Proverbs 18:10) Do you know why you feel isolated and at times alone in this world? Do you know why you aren't understood by those who live and work around you? It's because you are a part of another unseen world from the world that you live in and work in. This tactile world lives on lies, deceit, dishonesty and deception because this world is ruled by our enemy, the devil. When you accepted JESUS Christ as Savior and LORD, you walked across a line drawn in Blood by JESUS' sacrifice.

Now, you may not agree with me when I say that the world does business on lies, deceit and dishonesty, but you must admit that what's happening in the world today is not based on GOD's Word of truth and integrity. Laws are being broken all over the place; espionage and conspiracies abound in every country around the world. The U.S.A. spends billions of dollars to finance terrorist countries and allow the murder of precious unborn babies. The world is in paralyzing fear over the results of a society living in lies and dishonesty. Why is this world in such a mess? It's because the world, in their stubbornness and pride, will not live according to the Word of GOD, which is the basis on which our country was founded. They have turned their back on GOD, Who is truth and integrity. In fact, **Truth to them is hate because they hate the Truth** (remember that)! When the world comes up against the Word of GOD, they cannot challenge it, and man, being self-centered, cannot accept the inerrant (free from error) Word of GOD. Man on this earth cannot embrace the Word of truth, which is the Bible, without a heart change. They are controlled by the prince of the power of this air, who is satan: **"You, who were dead in your sins, in which you walked according to the course of this world, according to the prince of the power of the air, the spirit that is now working in the sons of disobedience...."** (Ephesians 2:1-2) - that's the spirit of anti-Christ! The devil is a liar and he is the god of this world! Whoever is not a Believer in JESUS Christ is a follower of the devil. That's why when you try to talk to your unbelieving friends and relatives, they think you're crazy! So your greatest calling is to bring salvation to those you love!

I asked the LORD several years ago, **"LORD, how can we get our loved ones free from the devil's hold so we can talk to them and win them over to the Kingdom of Light?"** Derin taught me this; he said, **"Pray that their will be set free from the bondage that satan has kept them in."** So, I began to pray this prayer, which has been affective in breaking the bonds that have kept our loved ones in spiritual prisons: **"Father GOD, in the Name of JESUS, I bind the spirit of bondage and deception from (name the person you're praying for _____), and I ask You to set them free. Set their will free so that they are able to hear and listen to the voice of Holy Spirit and obey Your voice, in JESUS' Mighty Name, Amen!"** JESUS said, **"You are not of this world, even as I Am not of this world. Sanctify them in the truth; Thy Word is truth!"** (John 17:16-17) JESUS always makes a way where there doesn't seem to be a way because He is **"...the WAY, the TRUTH and the LIFE!"** (John 14:6) **Be Safe, Take JOY!**

Keep America Great!

So many Americans think Biden is a good president (54% approval) because he is "helping" those in need by spending trillions of dollars to temporarily satisfy the needs of a minority. It is far better to

teach people to be productive and diligent in their spending, but this administration seems to think that the more the people get from the government, the more likely they will vote for the ones who fill their mouths. Hand outs are not entitlements: Welfare, Food Stamps, WIC...ad nauseum are NOT entitlements...they are taxpayer-funded handouts and shouldn't be called entitlements at all! Social Security and Veterans' Benefits...those are "Entitlements" because people receiving them are ENTITLED to them... they were earned and paid for by the recipients! "...but if anyone fails - does not provide for his relatives, and especially for those of his own family, he has denied and disowned the Faith [by failing to accompany it with fruits], and is worse than an unbeliever!" (I Timothy 5:8)

The Perfect Colorado Wedding!

On a beautiful June afternoon, Brandon Kurtz and Rebekka Wells became husband and wife under the roof of a red barn in Black Forest, just east of Colorado Springs. What a joy for Grandma Barbara to see the union of two dedicated people...dedicated to each other and dedicated to the LORD. Dayna gave her daughter away, and Emma, Rebekka's identical twin sister, was maid of honor. May GOD bless this union to be fruitful in every way!

Do Something FUN???

"For He will give His angels charge concerning you, to guard you in all your ways. They will bear you up in their hands, lest you strike your foot against a stone." (Psalm 91:11-12) When I was a Junior in High School, I planned a trip with some friends to a place just northeast of where I lived in northern Colorado. Outside of Grover are two buttes that rise up over 300 feet from the prairie floor. They are magnificent!

Since 1962, there have been 296 bird species documented, including the prairie falcon, red tail hawk, golden eagle, mountain plover, burrowing owl, loggerhead shrike, and lark bunting (Colorado's state bird). Several dirt roads wind their way to the Pawnee Buttes trail-head parking lot. There is an overlook of the Buttes off to the north of the parking lot, from which one can get a great panoramic view of the Buttes. The trail to the buttes is about a mile and a quarter and is in excellent shape. Horses are allowed on the trail, vehicles are not. And climbing up to the tops is forbidden now. The western butte stretches to an elevation of 5,375 feet and rises 300 feet from its base. There are awesome vistas and many opportunities to hike and explore, take photographs, or just sit and listen to the silence and imagine what it was like before the intrusion of Europeans. It is well worth your time to check it out.

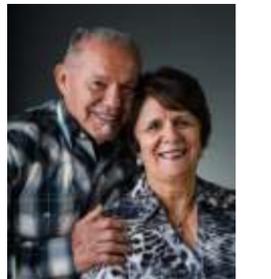

When we arrived at the Buttes on that sunny day in 1962, I was dared by three of the girls that came with us to climb the western butte with my friend and cousin, Betty, who was a senior. When I look back at that wild adventure now I realize how fool-hardy it was. The only way to get to the top of the western butte (the butte on the left) was to climb with our backs to the northern wall up 300 feet to the plateau on the top. There were footholds or indentions up the steep wall and for some reason I wasn't scared going up. When we got to the top, Betty and I tossed a baseball back and forth, and enjoyed the spectacular view! But then the climb down with my face against the face of the wall of dirt made me really uneasy! What a lesson in trust! I was never so happy to set foot on the ground as I was that afternoon; but I never let on to the girls that I was scared. I know that GOD was with me that day...as we did something fun???

Now, I don't approve of this kind of behavior, and I'll be the first to admit that it was pretty reckless; but GOD knows even the senseless behavior of teenagers, and His angels are there to help in time of need. Someday take a drive to Pawnee Buttes and have some fun....Blessings!

Home Of Refuge

Saving the Lost...Loving the Unlovable

Ricardo is the husband of our newest elderly couple in Home of Refuge. He is 87 and has nose cancer, losing part of his nose to the disease. The cruel and oppressive days are over for them now, thanks to your generosity and the ministry of Home of Refuge. In Matthew 9:12, JESUS said, **"It is not the healthy who need a doctor, but the sick."** We are not here to care for those who are easy to care for, but for those who have been abandoned and need a home and care. As you are a part of this ministry, what a blessing GOD has commanded over your lives and for all eternity!

We are grateful that all the children are well as they continue with virtual schooling, instructed by a paid teacher we have employed to teach them full time. Some of their favorite classes, of course, are crafts and sports. Jehovah Rapha is keeping them healthy and strong! I (Tony) turn 80 years old in August. I joke sometimes and say that I should be a resident in the Home of Refuge myself! But I am thankful that GOD has given me the strength and grace to continue serving Him in this manner. Would you please pray for me? That would be the best birthday gift I could receive - your prayers for my continued grace and strength, wisdom and health. Thank you, and GOD bless you! I appreciate you so much!
