

How To Dress For Church...

"I'm only responsible for what I say, not for what you understand."
John Wayne

One Sunday morning an old cowboy entered a church just before services were to begin. The old man and his clothes were spotlessly clean -- jeans, a denim shirt and boots, all worn and ragged. In his hand he carried a worn out old hat and an equally well-worn Bible. The church he entered was in a very upscale and exclusive part of the city. It was the largest and most beautiful church the old cowboy had ever seen. The people of the congregation were all dressed with expensive clothes and jewelry.

"If you spoke to GOD, what did He tell you the proper attire should be for worshipping here?" asked the preacher. "Well, sir, GOD told me that He didn't have a clue what I should wear. He said He'd never been in this church." Submitted by Mark Trevithick

Breaking Out!

Article by Kimberly Duell

Our enemy has a specific agenda to keep you in a box, in the dark – to keep you embarrassed, to keep you in secrecy, to keep you limited. Someone needs to be reminded today that you are not “just another” living thing taking up air and space in this world – YOU ARE GOD’S BEST FRIEND! You are HIS Promised Land! HE made you to be HIS perfect partner for all eternity! GOD is a creative Being – and HE is Love. You are HIS hands and feet, HIS co-laborer. And as HIS perfect partner, you walk in a grace, a power, that no other created thing has – only humanity possesses this power – not even the angels have it. I know we all agree that GOD is the most creative One in the universe – but how did HE create? In secrecy and silence? No! HE spoke. In Genesis 1 over and over HE spoke, **“Let there be...”** HE called things forth. As we partner with HIM, we learn the Power and Authority we have been given to speak in Agreement with HIM. **Language is our superpower!**

While the enemy tries to keep our mistakes and losses in the dark, hidden in secrecy, our loving Father, oh, so tenderly invites us to bring everything out in the open. The power of language...that is our inherent superpower! Language is the only thing that can expose secrets – therefore it is the only thing that can break shame and embarrassment. Yesterday, someone said to me that they believe shame is another name for satan. I agree; we don't want to be in agreement with our enemy and his ways of dark secrecy. We want to be restored to our rightful place of friendship with GOD - Out of the Box – out of the dark and into the Light and Love we were made for!

There are seasons for us to be unaware of the subconscious lies that lurk in our thoughts and actions. But when awareness comes, it's like a lifting of the veil – coming out of the dark or out of a fog. As soon as the veil lifts, we have a choice. We can talk about it – or we can hide it. The awareness forces us to make a decision. Very often, people choose secrecy because of embarrassment, guilt, shame, and condemnation. JESUS HIMSELF said, **“I did not come into the world to judge the world....”** (John 3:17) HE does not ever want to shame us, make us feel guilty, reject us, or embarrass us. **HIS goal is to Restore us!!** Our superpower is to be in agreement and speak in Agreement with HIM, trust HIM to restore us and bring those hidden things into the Light of HIS Love!

When we are embarrassed or ashamed, it's usually because of an identity crisis. We have made our past mistake a part of our identity. I remember sitting on a certain row in a big church with a bunch of others called the “D” Row; “D” stood for divorce. And because we could all identify with divorce, we took our place on the row. Be careful what you choose to identify yourself with. GOD paid the greatest price in all history to give you a new identity; it's up to you to choose to agree with HIM!

What you think about yourself will always be revealed. **“As a man thinks in his heart, so is he.”** (Proverbs 23:7) So often what we think of ourselves is not at all what GOD thinks of us!! And if we don't start having conversations about our thoughts, we will remain imprisoned in our little boxes. Sometimes we are afraid to start talking about it because it's so ugly: **“Out of the abundance of the heart the mouth speaks,”** (Matt. 12:34); it's okay if it's ugly - that's just the beginning of exposing the things in the dark. Once they are in the Light... **Redemption Begins!**

Make America Great AGAIN!

WAYNE ALLYN ROOT - Let's now reflect on the speed and depth of the destruction of America and the US economy by this "BIDEN BLITZKRIEG." We are being attacked and destroyed from a thousand different directions at once. The speed of the attack is stunning. Biden must be employing an army of lawyers, bureaucrats, regulators, and radical Marxist activists on meth, to carry out this vicious 24/7 attack on the American people and American business. America is hanging by a thread. America and the US economy are being destroyed so fast, I'm not even sure we can make it to the November midterms. The richest man on the planet, Elon Musk, said this week he has "a super bad feeling about the economy" and asked his top executives to stop all hiring worldwide.

What are these nonstop "shocks to the system" all these brilliant billionaires and Wall Street titans are talking about? Read 'em and weep...GDP (economic growth) is collapsing.

- 1) Interest rates are rising;** inflation is exploding. Home sales are cratering. The stock market has just suffered the worst few months since the 1929 stock market crash, which led to The Great Depression.
- 2) Gas is headed for shortages,** long gas lines and \$10 per gallon. Keystone Pipeline is ready to produce.
- 3) Grocery prices are exploding to unimaginable levels.** The supply chain is ruined. Massive food shortages are coming. Baby formula shortages are getting worse. There are one-mile lines across America when government airlifts in baby formula. Under Joe Biden and his Marxist handlers...America has become a "third world crap hole."
- 4) Open borders are disastrous for America.** Biden is desperate to open the floodgates and allow the whole world in. As Biden gets his way and Title 42 is lifted, millions of the world's poorest and sickest migrants and violent criminals will pour through our open borders.
- 5) Gun laws are tearing the Constitution apart.** Let's not forget Democrats want to take guns away from law-abiding citizens, which means we will be at the mercy of criminals with guns. I've seen a movie where only the government, military and police have guns. It's called "Schindler's List."
- 6) Forced experimental vaccines also remind me of the Nazi regime.** People so scared and gullible that they will take anything the government tells them to take. And just in time for the midterm elections, I predict we'll see attempts to bring back lockdowns, vaccine mandates and vaccine passports. What a perfect time for crisis! Could it be that the vaccine that so many millions of people have taken, have an induced chemical to make people subject to things they usually wouldn't be subject to?
- 7) Add in censorship, banning, intimidation and persecution of conservatives,** patriots and even parents at PTA meetings by government agencies like the DOJ and FBI. Exhibit A is the arrest of high-ranking Trump official Peter Navarro this week. The education system is trying to brainwash and indoctrinate our children with communist, anti-American, anti-white, transgender and sex identity ideology. Other than that, everything's fine.... (Thank GOD, Roe vs. Wade was overturned; no more federal-funded money!)

Only two defining forces have ever offered to die for you: Jesus Christ and the American soldier. One died for your soul, the other for your freedom. Thank them both today.

WHAT IF WE BEGAN TO TREAT OUR BIBLES THE WAY WE TREAT OUR CELLPHONES

WHAT IF WE...

- ...CARRIED IT WITH US EVERYWHERE?
- ...TURNED BACK TO GO GET IT IF WE FORGOT IT?
- ...CHECKED IT FOR MESSAGES THROUGHOUT THE DAY?
- ...USED IT IN CASE OF AN EMERGENCY?
- ...SPENT AN HOUR OR MORE USING IT EACH DAY?

I Smell A Rat!

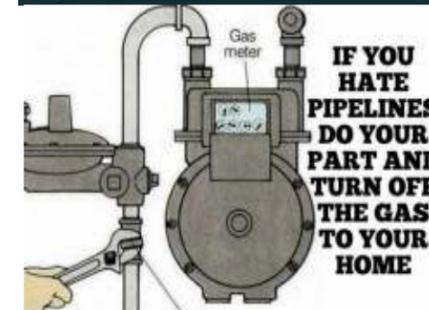

For years they called it Global Warming. But they were proven over and over that no such thing is happening. Then they started calling it Climate Change. Again it is a hoax.

THE MOST POWERFUL GOVERNMENTS ON EARTH CAN'T KEEP A VIRUS FROM SPREADING...

...BUT THEY SAY THEY CAN CHANGE THE EARTH'S TEMPERATURE IF YOU PAY MORE TAXES

Here is a cool statistic. Manufacturing **JUST THE BATTERY** for an electric car produced the same amount of CO2 as a gas engine produces in **8 YEARS!**

Kind of weird that the left thinks you can control the weather by using cars powered by coal via electricity instead of gasoline!

-Gets no media coverage

This is what media manipulation looks like.

Home Of Refuge

Saving the Lost...Loving the Unlovable

The children are all well. They have successfully transitioned back into in-person classes, and because of your generous response to the needs

we mentioned last month, we were able to buy uniforms and supplies for each child in need and to keep the Home equipped with what it takes to feed, house, clothe, and minister to each of the residents this month. We were also able to host a beautiful Mother's Day celebration at the orphanage, complete with food, drinks, and fun games for the mothers to enjoy. May the LORD bless each of you in health and finances because of the love you have shown Him by giving to the poor.

Please pray for Rosa and me, that GOD will continue to keep us healthy and strong to do His will until the day we see Him face-to-face. It is by GOD's Grace and your support that we continue the work of Home of Refuge.

Grace and peace to you as you continue to serve the LORD with an undying love.
