"The King Is Coming!"
Sunrise over Jerusalem by Barbara Carmack

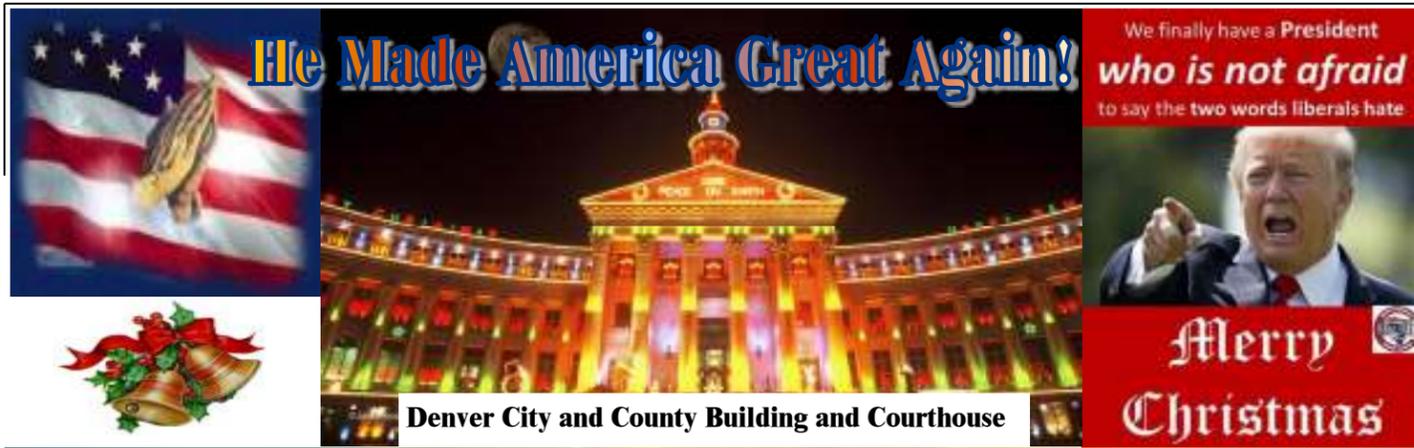

Shortly before His crucifixion and resurrection, JESUS Christ delivered a major prophecy of end-time events, recorded in Matthew 24, Mark 13 and Luke 21. His disciples asked: **"When will these things be? And what will be the sign of Your coming, and of the end of the age?"** (Matt. 24:3) JESUS responded with a description of conditions, events and signs that would lead up to His second coming. Could this be that generation? There are a number of prophecies in the Bible that could not be fulfilled until our modern era, the post - WW II period.

1. The human race would have the ability to exterminate itself -
In Matthew 24:22, describing world conditions prior to His second coming, JESUS said **"...if that time of troubles were not cut short, no living thing could survive; but for the sake of GOD's chosen it will be cut short."** (Revised Standard) While some of the prophecies concerning end-time events seem negative, be mindful that the central focus of Bible prophecy is the Good News of the coming Kingdom of GOD. There are enough nuclear weapons in countries on this earth to destroy everything on this earth. The good news is that Christians have an assurance that JESUS Christ will intervene to save mankind from annihilation. Mankind now has the potential for self-extinction through weapons of mass destruction. Only in the last 50 years has this become possible.

2. A Jewish homeland had to be reestablished in the Middle East -
The central focus of end-time events is Jerusalem and its surroundings, known as the Holy Land, and JESUS showed this prophetically before He left. For four centuries the geographical Israel was dominated by the Ottoman Turks; there was no way that Israel would ever be a nation again. But that had to change for the fulfillment of Bible prophecy to take place: **"Behold, as the LORD lives, Who brought up and led back all the descendants of the household of Israel from the north land and from all the countries from which they were scattered and where I had driven them...they will live on their own soil!"** (Jeremiah 23:8) This prophecy was realized in 1948. Yet, since then tiny Israel has had to fight wars for survival in 1948, 1967 and 1973, and has suffered countless terrorist attacks and threats of annihilation from hostile neighbors determined to eliminate the Jewish state. Once again, here is a prophecy that can now be fulfilled in our time.

3. There will be horrifying disease epidemics - Scripture warns that **"There will be famines, pestilences..."** (Matthew 24:7) Weather related catastrophes will occur that produce famine and mass starvation, along with disease epidemics of unprecedented proportions! In our modern, scientific age, how can this be? And maybe, just maybe science and anti-GOD conspiracies are to blame for what we're seeing all around the world with the China virus! There is an enemy that wants to **"...steal, kill and destroy"**; he is bent on doing just that! When fear comes upon this earth, **"When these things begin to take place, straighten up and lift up your heads because your Redemption draws near....Heaven and earth shall pass away but My Words will not pass away! Be on guard against the worries of life!"** (Luke 21:28, 33-34) These end - time plagues will affect the whole world, but don't fear...He has you! (Continued on Page 2)

"Are You Ready...He's Coming!"

**"Behold He comes riding on the clouds
Shining like the sun at the Trumpet call!"**
(Revelation 1:7)

The Duell - Odell Wedding

Congratulations Colton and Hannah!
Proud Grandma Barbara had to show you the Duell-Odell Wedding that occurred on October 2, 2020. Hannah did most of the planning herself and the ceremony was performed at the Glass Chapel in Broken Arrow. Front row, standing in front of her mom and dad is Sarah (17). Matthew and Kimberly are standing next to the bride, Hannah, and Lisa and Dave Odell are standing next to Colton, the groom. Colton's sister, is standing in front. In the back on the left is Levi (14) and Johnathan (19).

JESUS LOVES YOU!

"The King Is Coming!"

- Continued from Page 1 - After describing the "four horsemen" of false prophets, war, famines and horrifying disease epidemics, John writes, "And power was given to them over a fourth of the earth, to kill with sword, with hunger, with death, and by the beasts of the earth." (Revelation 6:8) Since the earth's population is at seven billion people, this prophecy is speaking of the coming destruction of more than 1.5 billion human beings!
- Massive Earthquakes and Weather Upheavals - Every year, it seems that new records are being set for weather and geologic extremes. A great number of people were devastated by a record twelve hurricanes that hit the U.S. in 2020. JESUS warned of great upheavals right before His return: "And there will be terrible earthquakes - seismic events of epic proportion, many occurring at the same time." (Matthew 24)
- There Will Be a Confederacy Of A One-World Government - The European Union is an example of countries being aligned with one another out of fear, to fulfill the prophecies of Daniel 11 and 12 in the last days.
- Last Day Falling Away of the Lukewarm Church and Worldwide Revival- In II Thessalonians 2:3, Paul talks about a "falling away of the Faith" or the Laodicean Church of Rev. 3:15-16. The Bible predicts in the last days, "...a form of godliness, although they have denied its power" (2Timothy 3:5). Today many churches deny the eternal truths of Scripture and power of the Holy Spirit, replacing them with ungodly, temporal and "politically correct" values. (1 Timothy 4:1-3; 2Timothy 4:3-4) But also, a prophesied outpouring of GOD's Spirit is causing hundreds of millions worldwide (Matthew 24:14) to come to true Faith in Christ in record numbers, virtually unnoticed by the media.
- The Gospel Shall Be Preached To the Whole Earth - Matthew 24:14 "And this Gospel of the Kingdom shall be preached in all the world for a witness unto all nations...and then the end shall come!"

Working Together For Freedom!

During the 3 1/2 years that the United States was involved in World War II, it was in retaliation of the bombing of Pearl Harbor by the Japanese. The war ended with the surrender of Germany and Japan in 1945. During that period of conflict the U.S. produced the following: 22 aircraft carriers, 8 battleships, 48 cruisers, 349 destroyers, 420 destroyer escorts, 203 submarines, 34,000,000 tons of merchant ships, 100,000 fighter aircraft, 98,000 bombers, 24,000 transport aircraft, 58,000 training aircraft, 93,000 tanks, 247 artillery pieces, 105,000 mortars, 3,000,000 machine guns and 2,500,000 military trucks. The United States who had 16,100,000 men in uniform in the various armed services, invaded Africa, invaded Sicily and Italy, and won the battle for the Atlantic. Under the leadership of General Eisenhower, they planned and executed D-Day, marched across the Pacific and Europe, developed the atomic bomb and defeated Japan and Germany.

And on the home front people were rationing food and women...yes women stepped up in great numbers, taking over strenuous, hazardous manual labor and handling complex, technical tasks. A month after Pearl Harbor, 60 widows of the attack responded to job openings at aircraft plants in California, with the motto: "Keep 'em flying to avenge our husbands' deaths!" They stepped in as laborers and engineers in steel mills, tank factories and in particular, the aviation industry. Their contributions, for which they were usually paid half a typical man's wage, became the inspiration for the government's "Rosie the Riveter" propaganda character.

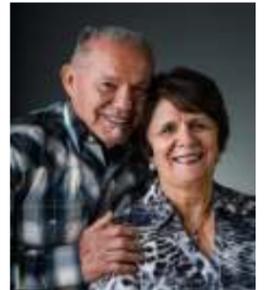

In 1941 only 1% of aviation employees were women, while in 1943 they comprised an estimated 65% of the total. Of the 16,000,000 women employed in the U.S., over a quarter were in the war industry. The Ford Motor Company helped build B-24 bomber planes for World War II using automobile mass production techniques. Airplanes were much more complex than cars. They required constant design changes poorly suited to a standardized assembly line. For instance, riveting was an essential craft... 300,000 rivets in more than 500 sizes is just one example of how different the changes were. At the plant's peak, The crews produced an average of one B-24 bomber - the Liberator - every 63 minutes. Barbara: My Dad, Ralph Henkel, was a flight engineer, and at 25 was the oldest of the crew in a B-24 that made 20 bombing missions over Germany.

Saving the Lost...Loving the Unlovable**

Thank you for helping us save the lost! Young Hernan, the photo on the left, needs a lot of help and attention. Before coming to us he spent many nights in the streets where he would lay down to sleep between parked taxis. It is heartbreaking to know that even though only nine years old, in the past this little guy has tried to hang himself. Hernan needs the love and healing of the LORD, and our staff at Home of Refuge is providing the love and healing he needs along with learning that JESUS loves him and gave His life for him.

Since he has come to Home of Refuge he has grown to love this place...his bed and his room. He used to scrounge for food, but here he is fed nutritious food and good food; he is safe and fed. That may seem like a trifle to most of us, but to one who has never had those comfortable things in life, it is heaven. Thank you for being there for all 30 people who now call Home of Refuge their home. GOD bless you for your untiring sacrifice and generosity!
