## BEWARE - Least You Be Taken In!

Author Anonymous

"I have sworn upon the altar of GOD Eternal, hostility against every form of tyranny over the mind of man." (Thomas Jefferson)

"Almost all the worlds' constitutions are documents in which governments tell the people what their privileges are; our Constitution is a document in which 'We the People' tell the government what it is allowed to do. We the People are free!" (Ronald Reagan)

"A nation of well-informed men who have been taught to know and prize the rights which God has given them cannot be enslaved. It is in the region of ignorance that tyranny begins." (Benjamin Franklin)

"A president is impeachable if he attempts to subvert the Constitution..."

"Resistance to tyranny is service to GOD!" "Cursed be learning that is contrary to the cross of Christ." (James Madison)

Beware of those who are concerned for your safety lest they become your jailor. Joe Biden tells lies with impunity and is the puppet of a shadow government doing all it can to destroy Life, Liberty, and the Pursuit of Happiness in this nation. There is a serious and united effort to bring our government down - by the media (the corporate global elite billionaire owners of the media). The liberal media is at war with the American people for the survival of our Constitutional government. We need to be free from the "fake news" which is in fact a state run propaganda television network in the United States of America that is no different than the Soviet Union or China. Let me say it this way, when five television networks say the same thing, have the same messages, every day...this is called brain washing. Are you being "brainwashed" by what you're listening to?

"The answer to America's crisis is in spiritual warfare - 'Prayer changes things'. When you pray against the enemies of liberty, that they be exposed, they are being brought to confusion, with chaos ensuing; they are fearful that they will be brought to financial ruin. "What you bind on earth is bound in heaven and what you loose on earth is loosed in heaven." (Matthew 16:19, 18:18) Go to war for the soul of this nation!" (John Hagee)

"To achieve world government it is necessary to remove from the minds of men their individualism, loyalty to their families, national patriotism and religion." (anti-God Brock Chisholm, Director, UN World Health Org.)

"The United Nations is the modern day tower of babel. Seventy percent of its members do not know how to spell Human Rights but they want to tell you how to live. They think they are ready to rule the world. Get serious! Get the UN out of America and get America out of the UN!" (John Hagee)

"The delusion and the tyranny we are experiencing is world-wide - sociopathic, evil, greedy policy makers who have committed massive crimes against humanity; there should be no mercy!" (Dr. Simone Gold)

"Every American should be concerned about what's happening right now. This is something bigger than Democrats versus Republicans. What we're seeing is the powerful, trying to use their politics to control us and silence us. We have the Attorney General, Merrick Garland, essentially weaponizing our Federal law enforcement agencies to intimidate and silence the American people into compliance; it's like moving into a police state. Our speech is protected by the 1st Amendment. Now is not the time to allow them to intimidate us into silence; now is the time that we, the American people, really take a stand for each other, for our civil liberties... for our freedoms!" (Tulsi Gabbard, former Democrat turned Conservative)

When you get discouraged post this on your refrigerator.

**Let Freedom Ring!**

# Make America Great AGAIN!

Be encouraged, Colorado...there are many who are with you in this election battle. This is a photo of the Colorado GOP in 2024. Stand strong in this vital time in our history. Remember the early days in Colorado, when we were a Red State. It was conservatism in almost every part of this great land. The name of our state, Colorado, has its origin in the Spanish language, as the word for "colored red" - RED STATE. This was the name chosen for Colorado as a Territory in 1861 by Congress. Colorado has been nicknamed the "Centennial State" because it became a state in the year 1876, one hundred years after the signing of the Declaration of Independence.

FREE FOOD, FREE HOUSING, FREE HEALTH CARE, FREE DENTAL, EVERYTHING IS FREE

UNLESS YOU'RE AN AMERICAN CITIZEN

Believe that this beautiful state with awesome scenery, will one day soon be a Red State again and offer equality to all, including Jack Phillips with Masterpiece Cake Shop, and not just to those who feel that they own everyone else. The heart of Colorado is not the big cities, but the vast farmland and fields of prairie still in existence. The farmers and ranchers are the salt of the earth. It's time for people to vote with their hearts and not with their ill-gotten, politically motivated reasoning. Believe that it will happen and we will see freedom for everyone, including Jack Phillips and those who love liberty. Go out and vote on November 5th.

## "My Brother, Ralph Henkel"

For the first 12 years of my life I had one brother, Ralph. He was always there but we seemed to be on different paths. Then, my brother Greg came along when I was 13. Ralph devoted himself to his baby brother, watching over him. Before I knew it (how time flies) I was off to college in California. Ralph graduated, went to college and then was drafted (it was the height of the Vietnam War... and that's where he went). GOD was with him because he wasn't battle scarred physically, but the adjustment to life back in the U.S.A. was hard on him. When he returned from Vietnam, I'll never forget the night at the airport in Denver. We had placards and posters welcoming the soldiers home...everyone was cheering! There were no protests that night!

Ralph became an excellent photographer and opened his own studio - Windflower Photography. When John and I were traveling for 10 years, Singing For JESUS, Ralph took our photos, both for the family albums and for advertising for the churches where we sang. John introduced Ralph to his wife, Cathy, and they had an adorable boy, Tony, whom Ralph loved with all his heart. Ralph loved John, and when John died, Ralph gave an emotional eulogy, for which I will always be grateful.

Ralph with Dayna in a graduation photo

Ralph and Cathy moved to Denver, and when I married Derin, we moved to Lakewood, where we were close to where they lived. Ralph had a gym in his home, so Derin would go over to his place and lift weights with him. One day, Derin came home, excited that Ralph had accepted the baptism of Holy Spirit and they were praising GOD and praying in tongues while they were lifting weights. I wish I could've seen that! Ralph died in a freak accident in 2012...and I miss my brother. I know he's with our LORD, enjoying that wonderful forever life beyond the sunset!

**"AS LONG AS WE HAVE GOD, WE ARE NEVER, EVER ALONE...GOD WILL ALWAYS GIVE US SOLACE AND STRENGTH AND COMFORT."**

# Hamas - Enemy of GOD's People!

On October 7, 2023, Israel was attacked like never before...in their own homeland, by masked assassins, who brutally tortured and killed many innocent people. Families of five female Israeli soldiers captured by Hamas during the October 7 attacks have released graphic footage of their abduction as they pile pressure on the government of Prime Minister Benjamin Netanyahu to secure their release. The video shows the women - all Israel Defense Forces (IDF) personnel - lined up against a wall, their hands bound.

The faces of some of the women are bruised and bloodied. It's unimaginable what Hamas has done to these female captives! The women were kidnapped during a Hamas raid on Israel's Nahal Oz military base, near the northern Gaza Strip, as part of the militant group's attacks on Israel that left around 1,200 people dead and more than 250 captured and taken hostage in the enclave, following the attack,

Over 400 cars from the music event, destroyed and left as reminders of that tragic day - October 7, 2023.

Israel launched a war in Gaza that has killed more than 35,000 Palestinians over the past seven months, according to the Palestinian Ministry of Health in Gaza. The kidnapped women were working as IDF observers, a role that involves monitoring Israel's border security. Numerous attempts to strike a hostage-for-ceasefire deal with Hamas have faltered in recent months, infuriating those in Israel campaigning for the return of the captives.

**Psalm 122:1-8 (NLT)** - "I was glad when they said to me, 'Let us go to the house of the LORD.' And now at last we stand here, inside your gates, O Jerusalem. You were built as a city of praise, where GOD and His people join together as One. All the tribes of Israel - the LORD's people - come and worship Him. They come to give thanks to the Name of the LORD. Here stand the thrones where judgment is given, the thrones of the dynasty of David. Pray for peace in Jerusalem; may all who love this city prosper. O Jerusalem, may there be peace within your walls and prosperity in your palaces: 'May you have peace.'"

## Home Of Refuge

### Saving the Lost...Loving the Unlovable

The troubling news we shared regarding our forced closure and ensuing legal battle has marked a significant journey for us. We are steeped in a quest for justice, prepared to reclaim our sacred sanctuary for those who need it most. The process is lengthy and fraught with difficulties; however, we hold steadfast to our conviction that righteousness is on our side. By GOD's Grace, and your unyielding support, we have faith that the doors of Home of Refuge will once again open to those in need. In the meantime, we are feeding the neglected elderly that exist in the streets without anyone to care for them. Peru has a very limited and unfair Social Security system. We are here to help and distribute needed food and supplies wherever we can. My spirit and my resolve, remain unyielding. As long as my heart beats, my spirit will continue to serve the children and the elderly of our Home until I present each one to Him Who called me. "No weapon formed against us shall prosper, and every tongue that accuses us in judgment, we condemn. This is the heritage of the servants of the LORD and our vindication comes from Him!" (Isaiah 54:17) May GOD continue to save the lost in Peru.

Working together for the Kingdom in Peru, Tony & Rosa
