

I Just Want To Bake Cakes...

Jack Phillips, owner of Masterpiece Cake Shop, has been in the beautiful cake-baking and decorating business since 1993. People from all over Lakewood and the Denver area have one place in mind for cakes. That is why Masterpiece Cake Shop has been nominated to the Denver A-List and won a coveted place for the Best of Weddings Pick in a national magazine for 2007, 2008, 2009, and 2012. As you know, he's been targeted by the LGBTQ organization, led by Jared Polis, to close his cake shop down. This case went to the Supreme Court where Justice Kennedy spoke in favor of individual freedom: "...tolerance is essential in a free society." He criticized Colorado officials, stating they had been "...neither tolerant nor respectful of Mr. Phillips's religious freedoms." And the Supreme Court ruled in Jack Phillips's favor!

But Colorado officials (including Gov. Polis) have continued to harass Jack Phillips and this is where the Alliance Defending Freedom has come in and filed law suits against these diabolical people. If you would like to give to Jack Phillips's defense team that has been working tirelessly for 8 years on behalf of Jack's freedom to bake the cakes that he desires, go to ADFLegal.com and give. Or you can buy his book "The Cost of My Faith" at Amazon. And here's what you can do to continue to help Jack Phillips...your prayers are affective and have kept the left, hate mongers at bay. Keep up your prayers for this kind, gentle man who just wants to bake beautiful cakes.

It Was For Freedom!

by Barbara Carmack

Derin and I accompanied Kurt and Kathy Grosser on a trip to New York City in 2007. As we stood above the empty hole that the Twin Towers once filled, we could not help but feel the gut-wrenching emotion of the loss of almost 3000 people. To take in all the devastation that was brought on by a handful of violent men is absolutely mind boggling! To see how nineteen men could change our world in so many ways, gives us just a inkling of how delicate and precious our democracy is, and makes us realize how important it is to fight for this freedom in spite of the left's conspiracies. But how can we, as freedom-loving conservatives, be an example for a world so hostile and hateful? How can small town America and metropolitan U.S.A. be assured of safety every day? There's only one thing that will ensure your well-being and that's having the knowledge and hope in JESUS Christ! He is "The Way, The Truth and The Life!" (John 14:6) If you are scared of what may happen tomorrow, or if you are apprehensive about security in your world today, JESUS is the answer for you. He is saying to you today, "When you know Me...you shall be free!" (John 8:32) Knowing Him and knowing His track record makes life not only bearable but Joyful!

JESUS stepped into a world held captive with an awareness that the Spirit of GOD would fulfill everything for people of every race and nation. He entered into a world dominated by foreign power and ruthless, ego-maniac dictatorships, but JESUS didn't concentrate on the political scene; He delved into the plight of the person on the street - people just like you and me. He came on the scene with these words in Luke 4:18-19, "The Spirit of the LORD is upon Me because He has anointed me to..."

1) **Preach the gospel to the POOR** - this was one segment of society that those in charge didn't give a rip about - but JESUS did! He became poor that we might become rich! (II Cor. 8:9), 2) **Proclaim release to the CAPTIVES** - the odds of getting out of prison in those days were pretty slim. JESUS' mission is to set free all captives who are imprisoned in their own circumstances! 3) **Bring recovery of sight to the BLIND** - even in those days the truth was hard to come by and many people were into their own way of doing things; JESUS came with a new teaching, not only healing physical blind eyes, but delivering people from deception and lies to see Him clearly! 4) **Set free those who are DOWNTRODDEN** - as in those days, there are people today, who are oppressed - their identity is compromised and it's hard for them to think that they could be successful in anything (success can be theirs through JESUS) and 5) **PROCLAIM the favorable year of the LORD!** - That's not tomorrow, "in the sweet, sweet bye and bye" tomorrow, but what GOD has promised for you is -**TODAY!** (Isaiah 49:8) Proclaiming the Good News TODAY and every day brings a Spirit of Freedom until JESUS returns!

The one symbol at Ground Zero that brought it all home for Derin and me was the presence of the cross created by two red hot beams crushed together during the collapse of the Twin Towers. In all that rubble, it stood perfectly upright and in every way proclaimed to everyone who would listen - "IT IS THE CROSS OF JESUS CHRIST THAT WILL SAVE YOU AND SET YOU FREE!"

Freedom Isn't Free!

Keep America Great! Famour Patriotic Quotes...

George Washington - "Guard against the imposters of pretended (fake) patriotism." **Samuel Adams** - "For true patriots to be silent is dangerous." "The truth is, all might be free if they valued freedom, and defended it as they ought." "If ever the time

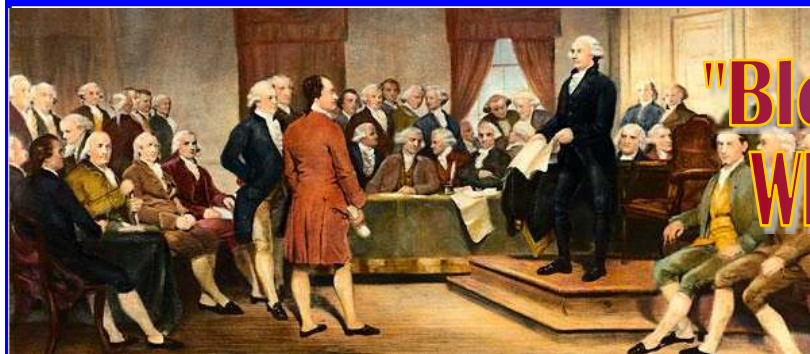

should come, when vain and aspiring men shall possess the highest seats in government, our country will stand in need of its experienced patriots to prevent its ruin." **Alexander Hamilton** - "There is a certain enthusiasm in liberty that makes human nature rise above itself, in acts of bravery and heroism."

Thomas Jefferson - "The price of freedom is eternal vigilance." **Reverend Edward Everett Hale** when asked if he prayed for the Senators: "No, I look at the Senators and pray for the country." **Theodore Roosevelt** - "To anger a conservative, lie to him; to anger a liberal, tell him the truth." **Ronald Reagan** - "Freedom is never more than one generation away from extinction. We didn't pass it to our children in the bloodstream; it must be fought for, protected, and handed on for them to do the same."

Donald John Trump: "In America, we don't worship government; we worship GOD!" "They're not against me... they're against you!" This is so evident by all the fraudulent policies that are being passed by Mr. Biden and the left-wing, bent on destruction of the Republic of the United States of America. Thank you for praying for Pres. Trump. He says, "Your dreams are my dreams and your future is what I'm focused on."

"LIBERTY WITH UNCERTAINTY IS ALWAYS BETTER THAN SLAVERY WITH SECURITY?"

"Blessed is the Nation... Whose GOD is the LORD!"

(Psalm 33:12)

Hidden Messages In His Word!

A young man was getting ready to graduate from college. For many months he had admired a beautiful sports car in a dealer's showroom, and knowing his father could well afford it, he told him that car was all he wanted. As Graduation Day approached, the young man awaited signs that his father had purchased the car. Finally, on the morning of his graduation, his father called him into his private study. His father told him how proud he was to have such a fine son, and told him how much he loved him. He handed his son a beautifully wrapped gift box. Curious, but somewhat disappointed, the young man opened the box and found a lovely, leather-bound Bible. Angrily, he raised his voice at his father and said, "With all your money, you give me a Bible?" and stormed out of the house, leaving the Holy Book.

Many years passed and the young man was very successful in business. He had a beautiful home and wonderful family, but realized his father was getting old, and thought perhaps he should contact him. He had not seen him since that graduation day many years before. But before he could make arrangements to go to his father, he received a telegram telling him his father had passed away, and had willed all of his possessions to his son. Immediately he went to his father's home.

When he arrived at his father's house, sudden sadness and regret filled his heart. He began to search through his father's important papers and saw the still new Bible, just as he had left it years ago. With tears in his eyes, he opened the Bible and began to turn the pages. As he read the words, a car key dropped from an envelope taped in the back of the Bible. It had a tag with the dealer's name, the same dealer who had the sports car he had desired. On the tag was the date of his graduation and the words...PAID IN FULL.

How many times do we miss GOD's Blessings because they are not packaged as we expected?

How Long Does The United States Have?

A country's collapse is due to loose fiscal policy, which is always followed by a dictatorship. The average age of the world's greatest civilizations from the beginning of history has been about 200 years. During those 200 years, those nations always progressed through the following sequence: 1) from bondage to spiritual faith; 2) from spiritual faith to great courage; 3) from courage to liberty; 4) from liberty to abundance; 5) from abundance to complacency; 6) from complacency to apathy; 7) from apathy to dependence; 8) from dependence back into bondage.

The United States has followed this formula to a "T". Professor Joseph Olson of Hamline University School of Law, St. Paul Minnesota, points out some interesting facts concerning the 2012 presidential election: number of states won by Democrats: 19 - Republicans: 29; square miles of land won by Democrats: 580,000 - Republicans: 2,427,000; population of counties won by Democrats: 127 million - Republicans: 13 million; murder rate per 100,000 residents in counties won by Democrats: 13.2 - Republicans: 2.1; Professor Olson adds, "The map of the territory Republicans won was mostly the land owned by the taxpaying citizens of this great country. Democrat territory mostly encompassed those citizens living in government-owned tenements and living off various forms of government welfare..." Olson believes that some 40-45% of the nation's population already has reached the "governmental dependency" phase. If Congress grants amnesty and citizenship to twenty million criminal invaders called illegals and they vote, then we can say goodbye to the USA in fewer than 8 years.

How long do we have? About the time our original thirteen states adopted their new constitution in 1787, Alexander Tyler, a Scottish history professor at the University of Edinburg had this to say about the fall of the Athenian Republic some 2,000 years earlier: "A democracy is always temporary in nature; it simply cannot exist as a permanent form of government. A democracy will continue to exist up until the time that voters discover they can vote themselves generous gifts from the public treasury. From that moment on, the majority always vote for the candidates who promise the most benefits from the public treasury, with the result that every democracy will die. And without strong freedom fighters who value their country, apathy will take over and that is the end of our democracy! **"Where there is no revelation (vision) the people become lawless!"** (Proverbs 29:18)

Home Of Refuge

Saving the Lost...Loving the Unlovable

We continue to rejoice in the work that GOD is doing here in Peru, of which you are a big part if you pray for this ministry or contribute in any way to it. GOD has shown and continues to show us His faithfulness...and it comes shining through each month when we see the love and support that you all are sending to keep these orphanage doors open to the children and the elderly.

We are nearly finished with the construction, through which we have added eight bedrooms, a medical nurse's room, and an additional space for storage. We have also installed security cameras throughout the property. If YOU feel led to give towards the cost of these specific and important upgrades and the added security measures for the Home of Refuge, we say "Thank You!" These upgrades also keep our doors open to be legally compliant and maintain our operational license. Updating our facilities from time to time means installing fire extinguishers, emergency lights, etc. Thank you! We deeply appreciate your involvement! GOD will richly reward your
