

# "What Is A DAD?"

When you think of a great Dad, who comes to mind? When I think of my heavenly Father, the prayer in Matthew 6 comes to mind: 'Our Father, Who art in heaven, holy is Thy Name! Thy Kingdom come, Thy will be done on earth as it is in heaven....' Your heavenly Father made it possible to be with you all the time when He sent Holy Spirit to live in you. When your earthly family isn't near you in proximity, you have One Who is always near you...because He wants to be near you! Take time this year to meditate on the

He can play like a kid, give advice like a friend, and protect like a body guard

LORD's Prayer which is really your Father's Prayer. This year make it the most meaningful Father's Day ever - for your earthly Dad and for your loving heavenly Father: '[**ABBA**' DADDY!]' (Read Romans 8:15)

**Quotes and Scripture from Barbara's Father, Ralph Henkel:** "Most of us live on a plane of life as a person who dwells in a basement and never realizes that there is an upstairs or upper story...get up to a higher plane!" "**JESUS on the cross** - 'Father, into Your hands I commit my spirit.' Commit your spirit to Him...turn loose and trust GOD."

"**My most important goals:** 1) Service to GOD and His Kingdom, 2) Some worthy, godly cause, 3) Happiness and contentment for my family." **Ralph's prayer requests:** "LORD, am I the person You want me to be?" "How can I become the person You want me to be?" "Where should I make changes in my life today?"

"Good ideas come from GOD; GOD does not give beautiful ideas to dumb people."

Dad Ralph and 5-year-old Dayna, celebrating their birthdays on the same day.

**ABBA Father, I love YOU!**

## GOD is LOVE!

Article by Kimberly Duell

GOD is Love. And the only reason for our human existence is to contain Him, to be channels of His Love. Many times the Bible calls us vessels. A vessel is a hollow object made to hold something; GOD has made human beings to be His vessels, and He expects us to contain Him. A vessel is useless if it remains empty. But it is also useless if it contains the wrong substance. A basket that is full of apples cannot contain oranges. The vessels of our lives can never contain the Love of GOD until first they are emptied of all other contents. If our whole purpose in life is to contain JESUS CHRIST - to be filled with His Love - then we are wise to get on with the supreme business for which we were created: 1) Make Love your aim, 2) Keep off the detours. Those distractions that the enemy sends our way can become dangerous and lead to unbelief, doubt and fear. Stay on the mark: "Seek first the Kingdom of GOD and His righteousness...and all these things that you need and even desire shall be added to your life."

"It is possible to have compassion without love, and it is possible to have kindness without love; but it is impossible for one who has put on love to be unkind and without compassion, for love itself is not just an accessory. Love is the complete garment that has all other accessories built into it, so that Love is a total way of life." - Ray Anderson

Artists know that it is important to know what to leave out; there are so many things that distract us and detract us, using up our time and energy. Learn to leave out the trivial and concentrate on the essential! "Set your mind on things above, not on the things that are on earth, for you have died and your life is hidden with Christ in GOD." (Colossians 3:2)

In his booklet "The Tyranny of the Urgent", Charles E. Hummel writes, "Our greatest danger in life is in permitting the urgent things to crowd out the important." And here's another quote on pursuing love: "Pursuing GOD's Love rarely seems urgent to us - but it is desperately important! Yes, love is the magic key of life - not to get what we want but to become what we ought to be." - Eileen Guder

There is no greater gift available to man than the gift of Love. When we love, GOD's Love is released through us to others. How pathetic it is, then, that we bypass the gift of Love which GOD holds out to us! How frequently we look up to GOD and say, "No, thank You!" Our driving self-concern opposes the purposes of Almighty GOD! We cut ourselves off when we refuse to love, and we fall out of relationship with GOD and with others. If we will study Love in the Bible and make it our first priority (because it is GOD's first priority), we will become so full, it will run out of our fingers. We will be so full that all we have to do is open our lips and a flood of the Love of GOD will pour out! There is Power in Love. Love gets us in gear with GOD and with the times...Love transforms!

Love is greater than faith - faith without love is nothing. Our faith can move mountains, and it's still nothing without Love. Ephesians 3:17-19 tells us "...that CHRIST may dwell in your hearts by Faith; that you, being rooted and grounded in Love may be able to comprehend with all the saints what is the breadth and the length and the height and the depth of this Love - and to know the Love of CHRIST which surpasses knowledge, that you might be filled to all the fullness of GOD!"

**YOU were born to LOVE!**

# Make America Great Again!

In March of this year, Obama and Clinton joined Biden at a fund-raising dinner which resulted in \$25,000,000+ in campaign funds for the election in 2024. All of media declared it a raucous win and it was plastered all over social media. The stars of Hollywood came out in full force to support their Commander in Chief, while they mocked Donald Trump.

FOR ALL THOSE PEOPLE WHO WORE A MASK WHILE ALONE IN THE CAR, THE NEW OUTDOOR SEATBELT IS NOW AVAILABLE

On April 7th of this year, Pres. Trump had a small group of men and women meet in Palm Beach, Florida, and that night of entertainment netted his campaign \$50,000,000+. Donald Trump was ordered to go to court for his trial and he was obedient to those orders. He has continued to campaign in spite of the limits put on him by crooked judges and prosecutors.

The Puppeteer and His Puppet

Think about all the important things he changed when he was president: 1) He brought the U.S. Embassy to Jerusalem, 2) He made the U.S. oil independent, 3) He loosened regulations for manufacturers and companies that made products in the U.S. + many more things that the people will enjoy when he becomes president again on November 5. **Vote on November 5th!**

"The Sun of Righteousness shall rise with healing in His wings!"

Malachi 4:2

## Standing Strong Among Savages!

The story of Jim Elliot

In the summer of 1950, while at Camp Wycliffe in Oklahoma, Jim Elliot practiced the skills necessary for writing down a language for the first time by working with a former missionary to the Quechua people. The missionary told him of a savage tribe called the "Auca" in Ecuador. Elliot applied for a passport and began to make plans to leave for Ecuador. He was 23 years old. Pete Fleming, a graduate of the University of Washington with a degree in philosophy, turned out to be his partner in evangelizing Ecuador. Jim and Pete arrived in Ecuador on February 21, 1952, with the purpose of evangelizing Ecuador's Huaorani - "Auca" people. They first stayed in Quito, and then moved into the jungle. On October 8, 1953, he married fellow Wheaton alumna and missionary Elisabeth Howard. Their only child, Valerie, was born February 27, 1955.

Elliot and his group (Ed McCully, Roger Youderian, Pete Fleming, and their pilot, Nate Saint) made contact with the Huaorani using a loudspeaker and a basket to pass down gifts, from their Piper PA-14 airplane. After several months of this communication, the men decided to build a base a short distance from the village, along the Curaray River. A short time later, they were approached by a small group of Huaorani, giving an airplane ride to one curious Huaorani whom they called "George" (his real name was Naenkiwi). Encouraged by these friendly encounters, they made plans to visit the Huaorani, but on January 8, 1956, a larger group of Huaorani warriors killed Elliot and his four companions. Jim Elliot was the first of the five missionaries killed when he and Peter attempted to befriend these savages. His body was found downstream, along with his companions, Ed McCully, Roger Youderian, Pete Fleming, and their pilot, Nate Saint. But this tragic story doesn't end with their deaths.

In October 1958, Elisabeth went to live with the Auca tribe with her three-year old daughter Valerie. She worked with them until 1963, when she and Valerie returned to the U.S. This tribe of savages, who killed her husband, came to know the LORD JESUS because of the Love of GOD which was shed abroad in her heart. It all started with a young man, who had a deep love for GOD, scribbling some simple words in his journal, that are some of the most often quoted Christian words not found in the Holy Bible. These are the words that he wrote over seventy years ago on October 28, 1949:

"He is no fool who gives what he cannot keep to gain that which he cannot lose."

# Even Wind Turbines Need Oil!

IRONY: An oil leak from a clean, green wind turbine

Photo submitted by Archie Moody

Here is something you should know about: Oil!! A new pipeline across Alaska isn't required since the location for drilling in ANWR is about 160 miles from the North Slope Prudhoe Bay pipeline where it would be connected.

The wildlife love the pipeline since it is heated and provides a shelter during the worst times during the winter. Maybe another question should be asked: Is there enough oil in AMWR to supply the U.S.? Yes! The oil in AMWR is sufficient to supply the U.S. with oil for more than 200 years. The space that AMWR occupies in Alaska is equivalent to a postage stamp in the Mojave Desert. Do you know what ANWR is?

ANSWER: Arctic National Wildlife Refuge.

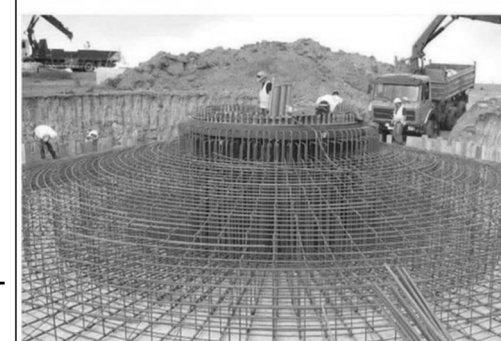

Pres. Trump will open the way for drilling in Alaska. The opposition says, "You drill in this place and you will destroy the wildlife and the beautiful landscape."

The area where Pres Trump is talking about drilling is a barren wasteland. The left, from Al Gore on down, are coming against something that is basically good for this country and will make us gas and oil independent. **Vote for Donald Trump! He knows what he's talking about. He didn't build multiple skyscrapers in New York City without wisdom and an extraordinary intellect to run this country!**

600 cubic metres of concrete needed for every "green" wind turbine. This concrete is never removed.

Green things are never as green as they seem.

# Home Of Refuge

Saving the Lost...Loving the Unlovable

THANK YOU for giving to Home of Refuge in this time of uncertainty.

It may sound incredible to think that your giving is keeping folks alive from day to day in a small community that was once known as a great empire. Their affluence and power dwindled a long time ago. Today, they aren't known for their great authority, strength, or rule. In fact, the community of Ccarhuacalla isn't really known by anyone today for anything. But as Hebrews 4:13 tells us, "Nothing in all creation is hidden from Your sight." They are known to GOD, Praise His Name! And thankfully, His empire has no end! He cares for these forgotten people, and as you continue to sow financially and prayerfully into their wellbeing, it is building a reward for you that far surpasses what any earthly empire has ever witnessed. Thank you for being a part of what cannot compare to anything this world has to offer! We can say with Paul, the Apostle, "For me to live is Christ, to die is gain!"

We are so thankful that GOD granted us the opportunity to be a small part of something awesome He desired to do on earth. One day we will look upon that great multitude of people mentioned in

Revelation 7:9 "...from every nation, tribe, people, and language, standing before the throne and before the Lamb..." and see the faces of the mountain people from Peru in the crowd. Our prayer for you is that GOD will supply every need that you have according to His riches in Glory in Christ JESUS! In His love,

Tony & Rosa - Home of Refuge - Peru
