Answers to Dementia Test from page 2 -  
**Answer to #1:** 'bread.' If you said 'toast' give up now and do something else. Try not to hurt yourself. If you said, bread, go to Question 2.  
**Answer to #2:** Cows drink water. If you said 'milk,' don't attempt the next question. Your brain is over-stressed and may even over-heat. Content yourself with reading more appropriate literature such as Auto World. However, if you said 'water', proceed to Question 3.  
**Answer to #3:** Greenhouses are made from glass. If you said 'green bricks', why are you still reading these??? If you said 'glass', go on to Question 4.  
**Answer to #4:** Oh, for crying out loud! Don't you remember your own age? It was YOU driving the bus!! If you pass this along to your friends, pray they do better than you.  
**PS: 95% of people fail most of the questions!!**

## DAY 348 - BOOK OF MYSTERIES "AS A MAN CARRIES HIS SON"

We watched from a mountain ridge as a family of nomads made their way across a barren plain. The father was carrying in his arms his infant son. "As a man carries his son," said the teacher. "When is it that a man carries his son?" "When his son is a baby," I replied. "Yes...and when else?" he asked. "When his son is too tired to continue walking, or when his son is sick or disabled." "And when else?" "When he holds his son... to embrace him." "Did you know that it is written in the Scriptures that, as that father is to his infant son, so GOD is to His people?"

When the Israelites reached the end of their journeying, Moses told them, 'You saw how the LORD your GOD carried you, as a man carries his son, in the way that you went until you came to this place'. Remember this image...a man carrying his son; it's a picture of GOD and His people. It's a picture of GOD and YOU. The wilderness journey is a symbol of our journey through this life. So in your journey through this life, there will be times when you'll find yourself too weary to go on. It will be then that He will carry you in His arms. And there will be times when you find yourself with infirmities, wounds...disabling wounds, brokenness, and in some way unable to go on. It is then that He will carry you. And when you find yourself in a valley...down in the lowest times of your life, and unable to raise yourself, it will be then that His hand will grab hold of you and lift you up. And there will be times when you feel alone and abandoned. And it will be then that the arms of your Father will hold you and embrace you. You will not see His arms with your eyes and only sometimes will you feel them; but they will be there...always lifting you up, always keeping you...always holding you, and always carrying you on, to bring you to the appointed place and day." He was quiet as he stared at the family still making its way across the plain.

"And there is one other time," he said, "that a man will carry his son... when his son has died. And so when you close your eyes for the last time in this life, the arms of your Father will once more hold you and bring you from this wilderness into the Promised Land...as tenderly and as lovingly as a man carries his son." (II Corinthians 5:8)

It's so very important that you know the heart of your Father GOD...  
"...and in the wilderness the LORD your GOD carried you, just as a man carries his son, in all the way which you have walked, until you came to this place." (Deuteronomy 1:31) "Like a shepherd He will tend His flock; in His arm He will gather the lambs...." (Isaiah 40:11) "I will not in any way fail you nor give you up nor leave you without support...I will not, I will not, I will not in any degree leave you helpless nor forsake nor let you down - relax My hold on you...assuredly not!" (Hebrews 13:5b -Amplified from Joshua 1:5)

# Making America Great Again! Socialism & The Little Red Hen

"Who will help me plant my wheat?" asked the little red hen. "Not I," said the cow. "Not I," said the duck. "Not I," said the pig. "Not I," said the goose. "Then I will do it by myself." She

planted her crop and the wheat grew and ripened. "Who will help me reap my wheat?" asked the little red hen. "I'm on disability," said the duck. "Out of my classification," said the pig. "I'd lose my seniority," said the cow. "I'd lose my unemployment compensation," said the goose. "Then I will do it by myself," said the little red hen, and so she did. "Who will help me bake the bread?" asked the little red hen. "That would be overtime for me," said the cow. "I'd lose my welfare benefits," said the duck. "I'm a dropout and never learned how," said the pig. "If I'm to be the only helper, that's discrimination," said the goose. "Then I will do it by myself," said the little red hen, and so she did.

The smell of fresh-baked bread attracted all her neighbors. They saw the bread and wanted some. In fact, they demanded a share. But the little red hen said, "No, I and my chicks shall eat all the loaves." "Excess profits!" cried the cow. "Capitalist leech!" screamed the duck. "I demand equal rights!" yelled the goose. "Share with the 99%," grumbled the pig. And they all painted "Unfair!" picket signs and marched around and around the little red hen, shouting obscenities. When the farmer came He said to the little red hen, "You must not be so greedy." "But I earned the bread," said the little red hen. "Exactly," said the farmer. "That is what makes our free enterprise system so wonderful. Anyone in the barnyard can earn as much as he wants. But under our modern government regulations, the productive workers must divide the fruits of their labor with those who are idle." And they all lived happily ever after...or did they?

## Yearly Dementia Test...

Submitted by Tom Dunn

It's that time of year for us to take our annual senior citizen test. Exercise of the brain is as important as exercise of the muscles. As we grow older, it's important to keep mentally alert. If you don't use it, you lose it! Below is a very private way to gauge how your memory is working. Some of you younger ones, may think it is too easy but the ones with memory problems may have difficulty. Take the test presented here to determine if you're losing it or not. OK...relax, clear your mind and begin.

1. What do you put in a toaster?
2. Say 'silk' five times. Now spell 'silk.' What do cows drink?
3. If a red house is made from red bricks and a blue house is made from blue bricks and a pink house is made from pink bricks and a black house is made from black bricks, from what is a greenhouse made?
4. You're driving a bus from London to Milford Haven in Wales. In London, 17 people get on the bus. In Reading, 6 people get off the bus and 9 people get on. In Swindon 2 people get off and 4 get on. In Cardiff, 11 people get off and 16 people get on. In Swansea 3 people get off and 5 people get on. In Carmarthen, 6 people get off and 3 get on. You then arrive at Milford Haven. Without scrolling back to review, how old is the bus driver (don't use a calculator)?

## Your Mind Is A Garden...

I saw an ad in the paper for a class on how to become a "master gardener." I love to garden, but if you came to visit my garden, you would find that I am much more of a dabbler than a "master". In fact, GOD is the only true Master Gardener. He not only created the first garden, He also created you and the spiritual "garden of your heart". His desire is for you to be a strong, healthy, well-watered garden - even in the midst of the weeds, thistles, and thorns of daily life. He longs for you to be firmly rooted and established in His Love, and to be able to recognize the touch of His Hand as He labors in the spiritual garden of your life: tilling, planting, watering, and weeding. Is there an area of your life that needs the special touch of the Master's Hand? Call to Him today. Ask Him to make a beautiful, fruitful garden of your life...for it is His pleasure and delight to watch you grow and blossom and bear much fruit!

**"I Am the True Vine and you are My branches. As you live in union with Me as your source, fruitfulness will stream from within you - but when you live separated from Me you are powerless...because apart from Me you can do nothing!"**

**If a person is separated from Me, he is discarded; such branches are gathered up and thrown into the fire to be burned. But if you live in life-union with Me, and if My Words live powerfully within you - then you can ask whatever you desire and it will be done. When your life bears abundant fruit, you demonstrate that you are My mature disciple who glorifies My Father!"** (John 15:3-8)

When JESUS said, "Send forth a sower to sow," it is GOD's Word in your mouth that brings forth the harvest. Seed is powerless unless it is planted...and then it becomes imperishable - yielding year after year of His divine revelation. Nothing can take the place of the seed; seeds hold the power of multiplication in your life.

When you give seed in the Faith, with a cheerful heart, that will produce 30-60-100-fold harvest! Only by the unselfish gesture of giving can you see year after year GOD's loving hand giving and giving back what you have sown in Faith...Believing! You can say today, "I planted...and GOD brought the increase." You are GOD's field to be planted...TODAY! GOD bless you as He tills your tender heart...

## Home Of Refuge Saving the Lost...Loving the Unlovable

This has been a long journey that you have been with us down through many years, multiple countries, and literally hundreds of faces! Your giving has fed them, clothed them, educated them and most of all...provided them with tangible evidence of GOD's love. James 2:17 says that "Faith without works is dead"; thank you for demonstrating your Faith by extending your love to the children and those without any support.

In Cardompata, this past month we hosted encounter services conducted by our son Tony Rivera, Jr. and his wonderful team from Citi Church in Miami. As a finale to that weekend of spiritual growth, we baptized 15 people from the congregation. One man's commitment to follow JESUS and get baptized really spoke to us; he truly understood the value of GOD's invitation. He could have easily said, "First let me go and bury my dead." You see, the same morning of the scheduled baptism, while in church he received word that his 23-year-old daughter (who had been sick) passed away in his home. Can you imagine the pain he felt in his heart? And yet, that man told us that he would not leave until he finished the worship service and was baptized that afternoon, proclaiming his faith and obedience to follow Christ! He is truly a disciple of JESUS! Your loving hearts and hands are supplying his need, and every need. THANK YOU!
