Is There A Bully In Your House?

By Derin Carmack

Last month, Derin left us wondering what would happen to this couple that was in great turmoil because they had allowed a "Bully" to dominate their lives. Derin was quoted as saying, "This couple is in a real fix. Destruction exists everywhere they look. What will happen? Will they find deliverance at all in this situation?"

Derin's story continues... "I met with this husband for a time and we got to work learning about what GOD can and will do when we Believe. I prayed over him, that his eyes would be focused and clear, so that he could see exactly what it is GOD is calling him to do - to grasp the immensity of this way of life GOD has for him in JESUS Christ . GOD was teaching him that the spirit world is more real than the physical world. To bolster his Faith, I gave him Mark 10:27, 'With man (the world system) it is impossible, but not with GOD...for all things are possible with GOD!' This man had taken the word of his wife, saying, 'She goes into withdrawal saying her allergies will flare up if I don't stop pressuring her and back off' ...he had taken her word over the Word of GOD!

Well, he began to pray for his wife, with love that only comes from GOD, that she would be receptive to his counsel and the Scriptures that he would give her. He took out of his vocabulary the words that, '...she won't listen to me,' and began saying things like, 'She can't wait till I get home and love me.' He was learning to come against that 'Bully' that had taken over their house - their dominion. He came against the evil spirits oppressing his wife, binding the spirits of fear, pride (focusing only on herself), deception, self-pity and unbelief, and he took the Authority Christ has given to us in, 'The Keys of the Kingdom' and spoke Love, Joy, Healing and Deliverance over his wife, in the spirit.

Barbara and I have added Portland to the stations that we're on and we fly every month to have seminars for our listeners there. Being so busy, I hadn't contacted this gentleman for awhile, but one day, we happened to run into one another (coincidence?). I asked him how things were going, and there began a resurrection story of miracle proportions.

He told me that he prayed for a few months with nothing happening, and then one day, his wife came to him and told him that she had discontinued appointments with her doctor. She said that she was sick and tired of living the way she was living and she wanted to start something new. Her husband suggested that they attend a weekly Bible study at their church, which resulted in a willingness to listen and to consider each other's priorities. This had been a complete change of attitude and instead of stubborn replies, his wife was willing to work with him.

After he told me his story of restoration of his marriage, it confirmed in my heart that nothing is too difficult for GOD (Jeremiah 32:17)... He is there in the seemingly impossible situations! I am glorifying GOD with my Christian brother and his wife. The last thing he said was that they were planning a second honeymoon."

Derin's personal story of reconciliation gives us not only opportunity to rejoice over this eventful disruption of a marriage headed for divorce, but it also encourages us to come along side those who are hurting, without any hope, and giving them words of encouragement for their situation. You see, the Word never returns void without accomplishing what we are asking GOD for: "So shall My Word go forth from My mouth; it shall not return void without accomplishing what I desire and succeeding in the matter for which I sent it." (Isaiah 55:11)

JESUS Gave You the Keys To the Kingdom!

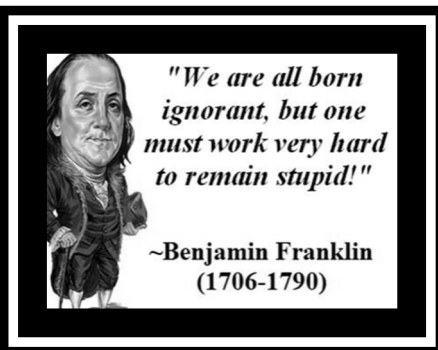

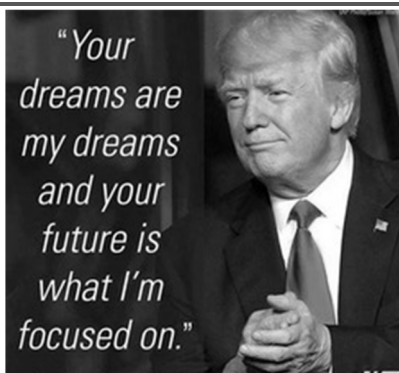

Make America Great Again!

By Michael Benz (serious reading re: Your Freedom)

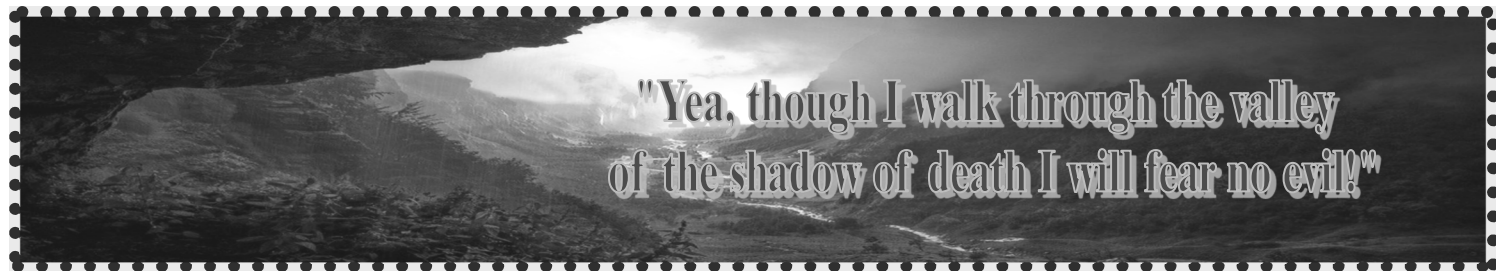

Mike Benz was reporting from reliable sources that exactly four years to the date of January 6, 2021, the left had implemented a final insurance plan against Pres. Trump.

January 6, 2021, Democrat Jeh Johnson, added election systems to critical infrastructure using the same lie that had led to the Russian Collusion, instigated by Hillary Clinton. This is when they federalized and took over our USA elections and took local people out of the equation. It came to a point that You cannot question national security or you are a domestic terrorist; FBI and DOJ will take care of you. You cannot touch the machines you paid for; that's national security. Our own government is censoring us and the 45th President of the United States, and we are paying for it! As of August 7, 36 states have installed Albert sensors in their election systems. These sensors are designed to detect hacking attempts and promptly alert federal and state government agencies. The deployment of Albert sensors aims to enhance voter system security, especially after Russian hackers reportedly breached voter registration databases in Illinois and Arizona. But these machines have been programmed by progressive, anti-conservative agencies. They have access to everything and can deny you everything! They knew President Trump was the winner of the 2020 election before the election, so they rigged the games, in every way possible. And they bragged about it...before and after.

If you have never taken seriously what is going on in this country, may you give Holy Spirit the time in your life to speak Truth and Justice into your life. You may think you're just one person, but one person Donald J. Trump has upended and caused fear in the enemy camps. "When the enemy comes in like a flood, the LORD lifts up a standard against him!" (Isaiah 59:19 AMP)

Prophetic Signs of the End Times!

In February of this year, Hasan Bitmez, 53, was delivering a speech critical of Israel and her people, asking for allah to call down a curse on Israel. The condemning speech was 20 minutes long, and then...he collapsed on the floor from behind the podium and died.

On December 18, 2023, Pope Francis has granted his formal approval allowing Catholic priests to bless same-sex couples so long as they do not appear to endorse their marriage, marking the church's most permissive decree yet on the issue of same-sex couples. The Declaration, published in a new document titled "Fiducia Supplicans: On the Pastoral Meaning of Blessings," marks a major departure for the Vatican, which only two years ago had said GOD "cannot bless sin" in a controversial 2021 decision about same-sex couples. This document was approved by Pope Francis.

St. Peter's statue with and without the halo; with the silver key (authority) and without the key

The next day in December 2023, lightning struck the statue of St. Peter in Buenos Aires, Argentina, the birthplace of St. Francis. It seems that the time for anti-pope Francis is coming to an end: heaven symbolically destroyed the statue's halo of sanctity and disintegrated the key, which represents the pope's authority. Symbolically, the silver key indicates the spiritual authority of the papacy on earth.

When GOD delivered His blessing to Abraham in Genesis 12:3, He ratified an everlasting Covenant by saying, "...I will make your name great and so you shall be a blessing; and I will bless those who bless you and the one who curses you, I will curse." GOD keeps His covenants with His people and His timing is perfect. You may have questions about October 7, 2023...and why it happened. You'd better believe that GOD knows what He's doing and He knows who are His enemies. If you haven't made a decision about making JESUS your Savior and LORD, this would be a great time to ask Him to come into your heart. He will give you a new heart and give you a fresh start! GOD bless you as you decide for the blessed and eternal side!

The Duells in Israel 2023

One Step Closer To Freedom...

Article from "Israel My Glory"

What happens when the "freedom fighters" violently attack the country that has offered them freedom, peace and independence time and time again? This is the case of Israel offering the Palestinian people freedom and independence in 1947, and the offer has been duplicated over and over again over the years. When the United Nations approved the partition plan that guaranteed land for an Arab state next to land promised for a Jewish state, the provisional Jewish government accepted the partition plan. BUT the Palestinians and surrounding Arab nations REFUSED. Upon declaring independence in 1967, Israel was attacked by Egypt, Iraq, Jordan, Lebanon and Syria.

This offer of freedom for the Palestinians occurred during Arafat's rule, and in 2008, Israeli Prime Minister Ehud Olmert offered nearly the entire West Bank to create a Palestinian state...BUT Palestinian Pres. Mahmoud Abbas, like Arafat, said, "No!" For more than 75 years, Israel has endeavored to move toward peace, independence and freedom for the Palestinians. The freedom Hamas and its supporters claim to fight FOR is really what they fight AGAINST! Hamas operatives aren't freedom fighters; they're terrorists whose goal is to eradicate the Jewish people and destroy Israel off the face of the globe. The real freedom fighters are among the ranks of the Israel Defense Forces (IDF). These young men and women risk their lives in Gaza to defend the Jewish state and help those innocent Palestinians eagerly awaiting the end of Hamas tyranny - because the end of Hamas will move them one step closer to freedom!

Home of Refuge

Home Of Refuge

Saving the Lost...Loving the Unlovable

Thank you for being a Blessing to us during this disruption at Home of Refuge. We are extending our weekly outreach to serve more elderly, especially widows, in the community of Ccarhuacalla beginning this month. In the past, your giving has helped us provide food for 11 elderly in this community twice a week. This month, we will expand the number of elderly receiving meals to 27 people. The elderly residents live in humble housing, with dirt floors and outhouses.

From GOD's perspective, it is like we have found precious pearls lying in the dirt, and we can pick up each one, polish it, and raise it to a place of honor. That is what your giving accomplishes. Thank you for your continued support. May the Holy Spirit guide you deeper in love with JESUS. Remember: He is the Pearl of Great Price...the REAL Prize worth obtaining!

UPDATE: Many of you have been asking if Tony and the children are back in Home of Refuge. No; Tony has been charged with a crime and is going to trial. Thank you so much for your prayers. "No weapon formed against him shall prosper...." (Isaiah 54:17)
