Are You An Overcomer?

By Barbara Carmack

Do you know what GOD is doing in your life, Dear Friend? He is building character...yes, He is preparing you for the best of times and the worst of times...and making you immovable! Deuteronomy 28:13 states that you're the head and not the tail - that you're above [your circumstances] and not underneath. Now, many of you would chime in and say, "Oh, yes, I'm the head and not the tail!" But if I followed you around for a couple days from home to work and back home again, what would I see? Would I see someone who is giving the LORD priority time in their day? Would I see someone who says edifying things to their family and co-workers? Would I see you living your day like an "Overcomer"?

I looked up the word "overcome" and it's an interesting word. It means "to conquer, to prevail over by mental or moral effort, to overpower, as with great emotion; to affect deeply - WIN OUT!" Now, I like winning; it makes me feel good, and the results of winning usually affects everyone around me. I like watching sports and seeing a winner prevail after all the hours of playing and competition. In March I watched ORU beat Ohio State and Florida advancing to the semi-finals for the first time in 47 years in March Madness, even though they didn't win the championship.

But we aren't in a game. What we are involved in is so much more than a game - it is life and death in some situations. I believe there were cross roads in my past, that if I wouldn't have chosen to go with GOD, I would have failed miserably. Some of you are right at an intersection of either working toward a great reward - following after the things of the GOD - or being drug down in mediocrity and defeat. I have seen several acquaintances make decisions that were detrimental to their own lives and those around them. What they decided in one selfish moment will affect not only them but a generation of people and the sad thing is, when they made that decision to flirt with sin, the downward spiral accelerated, taking the victim to the bottom in no time at all. Derin said many times, "You can choose your sin but you can't choose your consequence!" "The wages of sin is death but the gift of GOD is eternal life through JESUS His Son!"

I want you to be on the winning team; I don't want you left, stalled somewhere in the wilderness with no repair kit or alternate plan. It really saddens me to see friends and fellow Christians turn from their convictions and choose to go down a dead-end street. JESUS said in Matt 7:13-14 "Enter by the narrow gate; for the gate is wide and the way is broad that leads to destruction, and many are those who enter by it." The next verses in Matthew 7 talk about fruit-bearing lives. Did you know that every person on this planet bears fruit? When you make a bad decision or decide to walk with your worldly peers, you start bearing fruit - bad fruit. The Scripture tells us that if you don't bear good fruit, your life will be examined and tested and what doesn't produce good results will be pruned and cut off and burned or destroyed (Matthew 7:19; John 15:6).

GOD put me on this earth to encourage you to be an "Overcomer"! I'm going to continue to work, in the Spirit, to see you grow and bring forth good fruit and continue in this life as the head and not the tail. You see, it's because as much as I love you, I know that my heavenly Father loves you so much more! He tells you all about His love for you in His letter to you - the Bible. He'll make you the head and not the tail! So please, stay on track - the Body needs You!

You're On the Winning Team!

Keep America Great!

I was on my way to the studio the other day, listening to Dennis Prager on the radio. I enjoy listening to him because he's an orthodox Jew and he gives me a different perspective on things. He mentioned that the right-wing Evangelical Conservatives aren't searching for a young, strong, knowledgeable leader because they have one – they have a Messiah Who meets all the criteria. I sat in my vehicle contemplating what Dennis said (he doesn't know the Messiah but he will). I realized that he was right; we aren't looking for a leader to lead the people to peace because we have One Who is our Leader now and in the future! Hebrews 13:8 is really true, **“JESUS Christ the same yesterday, today and forever!”** He not only gave us victory at the cross by defeating the devil, but He will lead us on to victory and shalom peace in the future. JESUS came for this purpose **“...to destroy the works of the devil!”** (I John 3:8)

No one can perform a miracle like GOD and His Son, JESUS can. The world tries to do sensational, flashy things, but it falls so flat to what JESUS can do! You know, the world is looking for someone:

- 1) Who is eloquent; I know of no one who is more eloquent than the One Who gave us the Bible!
- 2) Who is strong; JESUS took the sins of the whole world on His shoulders; now, that's strong!
- 3) Who is smart; the One Who created the world is really smart and He's faithful too!
- 4) Who will bring world peace; no one is more capable of bringing world peace than the Prince of Peace = JESUS!
- 5) Who will be their Savior; my Savior gave His life that I would have an abundant life here and Eternal Life after.

I hope you'll realize there is only One Who can make your life complete in ALL areas and Who will be with you forever...and just think...He loves you! And so do I! **DC**

Angels - “Aren't they all ministering spirits sent to render service for the sake of those who inherit salvation?”

Hebrews 1:14

The Angels Are At Your Beck and Call...

GOD: Angels, do you know what I was just thinking about? **ANGELS:** What were You thinking about? **GOD:** Christians seem to have forgotten what kind of power they have available and the devil keeps on deceiving them. **ANGELS:** So exactly what are You driving at, **LORD GOD?** **GOD:** I have created My children in such a way that when the people of the world are sitting, they will be standing; when the world is standing, they will stand out; when the world stands out, My children must be outstanding, and when the devil dares the world to be outstanding, My people will be the standards to be used and watched!

JESUS: Your people are also forgetting the words in Ephesians 1:3. **GOD:** Please read it for all to hear!

ANGEL: **“Praise be to the GOD and Father of our LORD JESUS Christ, Who has blessed us with every spiritual blessing in the heavenly places in Christ JESUS”** ...because they are united with Him!

ANGEL: So what do we do now since the end is almost near? **HOLY SPIRIT:** My Presence is still among men and I will teach and remind our people of all that We have discussed. I will also make sure that they pass this message on! **JESUS:** I will also keep on interceding for them and stand in for them even in their weaknesses.

GOD: I give to all those who ask of Me, seek Me and find Me the blessings I have promised them through My Son, JESUS Christ, and these blessings will be delivered to all those who discover that I, JEHOVAH, AM ready to bless them, not because of any special things that they have done, but because I LOVE THEM!

JESUS: I will also give all My followers the Spirits of Might and Power, who are willing to pass what they have learned to others to build them up and strengthen the Body.

ANGELS: We are all backing the Father, Son and Holy Spirit and the devil cannot stop us!

The devil (eavesdropping behind the gates): I hope you all heard. I will make sure the Christians pray less, read their Bibles less, preach less, and are distracted from the things that would make them grow and prosper!

A Lesson In Kindness!

A young man asked an old man, “Do you remember me?” The old man said “No.” Then the young man told him he had been his student, and the teacher asked: “What do you do, what do you do in life?” The young man answered, “Well, I became a teacher.” “Ah, how good; like me?” asked the old man. “Well, yes; in fact, I became a teacher because you inspired me to be like you.”

The old man, curious, asked the young man at what time he decided to become a teacher. And the young man told him the following story: “One day, a friend of mine, also a student, came in with a nice new watch, and I decided I wanted it. I stole it right out of his pocket. Shortly after, my friend noticed that his watch was missing and immediately complained to you who was our teacher at the time. Then you addressed the class saying, ‘This student's watch was stolen during class today; whoever stole it, please return it.’

I didn't give it back because I didn't want to. You closed the door and told us all to stand up and form a circle. You were going to search our pockets one by one until the watch was found. However, you told us to close our eyes, because you would only look for his watch if we all had our eyes closed; we did as we were instructed. You went from pocket to pocket, and when you went through my pocket, you found the watch and took it. You kept searching everyone's pockets, and when you were done you said ‘Open your eyes; I have the watch.’ You didn't tell on me and you never mentioned the episode. You never said who stole the watch either. That day you saved my dignity forever. It was the most shameful day of my life. But that was also the day I decided not to become a thief and turned my life around. You never said anything, nor did you even scold me or take me aside to give me a moral lesson. I received your message clearly. Thanks to you, I understood what a real educator needs to do. Do you remember this episode, Professor?”

The old professor answered, “Yes, I remember the situation with the stolen watch, which I was looking for in everyone's pocket. I didn't remember you because I also closed my eyes while looking.” This is the essence of teaching: **“If to correct you must humiliate; you don't know how to teach.”**

Saving the Lost...Loving the Unlovable

We are accomplishing so much through the Power of GOD in our lives and your generous donations. And a very big “Thank You” to the individuals that donated for us to purchase mattresses! You made the children and the elderly very, very happy! Thank you from the bottom of our hearts! We need more room at Home of Refuge, so we are building a 8-bedroom home with a double bathroom and a nurse's station. We need more financial help to be able to accomplish this, but I am moving forward with what I have to begin the construction. I am trusting the LORD for more finances to come in to complete this important work for the homeless. Will you help me in this large endeavor?

We are praising the LORD for His goodness and are praying that the LORD's goodness will chase you down and overtake you: May His face shine upon you and grant you Peace. May His good Spirit continue to direct your hearts in the Love of GOD and the Grace of our LORD JESUS Christ!
