## A Message Of Grace...

By Barbara Carmack

One of the worst things Christians can do is to be born again but remain spiritually blind to what JESUS has already made available through His death and resurrection. He did this not because you deserve it, but because He loves you. When He called you out of the darkness into the light, you were called out of sin into salvation, but you will not experience this Love until you understand it spiritually. This is a very important point you must fully grasp if you are to make progress in life.

When you live your life under the Law of Moses, you are in captivity. In the New Testament, when JESUS talked about the recovery of sight to the blind and the preaching of liberty to the prisoners, He meant that He had come to open blind eyes to the bondage of the law. Until you come to understand the Gospel of Grace, you may be saved but still blind.

1. **JESUS opens spiritual eyes so the saved are no longer blind to the truth.** Spiritual blindness is one of the greatest problems in a Christian's life. The Bible links blindness to a lack of understanding. There are things that have been made available to you that you cannot see with your physical eyes. That's one reason why GOD brought JESUS into the broken world...to give them understanding of the Law of Grace that now is a part of their lives. Christians who have not come to the revelation of Grace are still blind. So you ask, "What is Grace?" It is the very Presence of GOD, blessing you in every area of your life, and the Power of GOD working in you in regard to others around you.

2. **JESUS is the Grace of GOD** - GOD came to this earth in human form to point the world to His Love and Grace: **"And the Word became flesh and dwelt among us....He was full of Grace and Truth."** (John 1:14) When JESUS said He was anointed to preach, heal, and deliver, He was fulfilling a prophecy of Isaiah, which included **"...recovery of sight to the blind"**, not only for healing physical eyes, but of bringing revelation to those who had been blind to Truth and Grace.

3. **JESUS fulfilled Isaiah 61:1**, When JESUS opened the book of Isaiah, He found the place where it was written, **"The Spirit of the LORD is upon Me, because He has anointed Me to preach the gospel"** (Luke 4:18).

He was referring to the Gospel of Grace written by Paul: **"I do not consider my life of any account but only that I may finish my course, to testify solemnly of the Gospel of Grace of GOD."** (Acts 20:24) Throughout the New Testament, the Gospel is the Good News about GOD's Grace; in fact, it could be called "The Gospel of Grace."

**There is a distinction between the law of the Old Covenant of works and the Gospel of Grace.** When Saul went through the dynamic transformation on the way to Damascus, JESUS told him, **"I Am JESUS, the One you're hunting down like an animal. Now, up on your feet - I've hand-picked you to reveal to you your destiny. I'm sending you to open the eyes of the outsiders so they can see the difference between dark and light, and choose light, see the difference between satan and GOD, and choose GOD. I'm sending you to present My offer of sins forgiven, and a place in the family who truly believe in Me."** Acts 26:15-18 (MSG)

Grace fights the battles for you. Grace opens the door to heaven and provides Blessings you have not earned...in every area of your life; you are a child of GOD's Grace.

**GOD has called you to a ministry of Grace and Truth!**

# Make America Great Again!

The announcement of the Abrahamic Family House, on the Saadiyat Island in Abu Dhabi, follows a visit by Pope Francis to the United Arab Emirates in February, the first by a pope to the Arabian Peninsula. During the trip, the pope signed a joint declaration with the grand imam of al-Azhar, Dr. Ahmed el-Tayeb, that called for religious tolerance and dialogue. An interfaith council to oversee projects, advancing tolerance was formed as a result of the declaration, and named the **Higher Committee of Human Fraternity**; its first initiative is Abrahamic Family House. The United Arab Emirates will build a **new synagogue** as part of a **Chrislam** interfaith compound that will also house a mosque and church and is set to open in 2022.

The NRA literally doesn't kill anyone. Planned Parenthood literally does.

As far as advancing the end times timeline goes, 2019 was a banner year for Pope Francis and the coming **One World Religion**. We told you back in February that the pope has travelled to Abu Dhabi where he met with Sunni Muslim leader Sheikh Ahmed al-Tayeb. There **the two men signed a global peace covenant called the Document On Human Fraternity For World Peace**. From that covenant, the Higher Committee of Human Fraternity was created to implement this religious peace treaty. There will be a One World Government headed by a political leader and a religious leader...the false prophet and the beast, who worship the dragon. # Samaritan's Purse In the Ukraine!

# You Are Fearfully and Wonderfully Made!

“This is the LORD's doing and it is marvelous in our eyes!” (Psalm 118:23)

The largest cell in the human body is the female egg and the smallest is the male sperm. The egg is the only cell in the body that is visible by the naked eye. A baby's head is one-quarter of its total length, but by the age of 25 will only be one-eighth of its total length; this is because people's heads grow at a slower rate than the rest of their bodies. Babies are born with 300 bones, but by adulthood the number is reduced to 206. The human body is estimated to have 60,000 miles of blood vessels. Your body gives off enough heat in 30 minutes to bring half a gallon of water to a boil; it has enough iron in it to make a nail 3 inches long.

The brain operates on the same amount of power as 10-watt light bulb, even while you are sleeping. In fact, the brain is much more active at night than during the day. Nerve impulses to and from the brain travel up to 170 mph. The human brain cell can hold 5 times as much information as an encyclopedia. Your brain uses 20% of the oxygen that enters your bloodstream and is itself made up of 80% water. Though it interprets pain signals from the rest of the body, the brain itself cannot feel pain. The strongest muscle in the human body is the tongue and the hardest bone is the jawbone. During your lifetime, you will produce enough saliva to fill two swimming pools. Saliva is more important than you realize; if your saliva cannot dissolve something, you cannot taste it. Your teeth start growing 6 months before you are born. This is why one out of every 2,000 newborn infants has a tooth when they are born. The tooth is the only part of the human body that can't repair itself. You have 52 bones in your feet accounting for one quarter of all the human body's bones. About 32 million bacteria call every inch of your skin home. But don't worry, a majority of these are harmless or **even helpful bacteria**.

The human lungs contain approximately 1,500 miles of airways and 300 to 500 million hollow cavities, having a total surface area of about 70 square meters, roughly the same area as one side of a tennis court. Furthermore, if all of the capillaries that surround the lung cavities were unwound and laid end to end, they would extend for about 616 miles. Also, your left lung is smaller than your right lung to make room for your heart.

There comes a time in life, when you walk away from all the drama and people who create it. Surround yourself with people who make you laugh, forget the bad, and focus on the good. So, love the people who treat you right. Think good thoughts for the ones who don't; **life is too short to be anything but happy**. Falling down is part of LIFE...Getting back up is LIVING! And soon you will have a brand new, perfect body! (II Corinthians 5:17)
