

THIS IS MY FACT CHECKER.

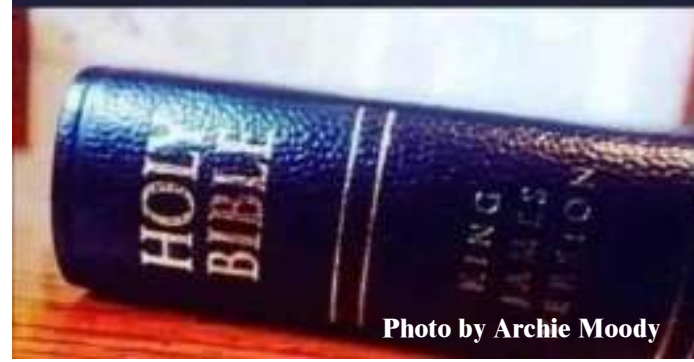

Photo by Archie Moody

“Resist the temptation to pronounce premature judgment on anything before the appointed time when ALL will be fully revealed. The LORD will bring to light (through the truth of His Word) the things hidden in the darkness and disclose the motives of men’s hearts; and THEN...when the whole truth is known, each will receive Praise from GOD!” (I Corinthians 4:5)

When the LORD judges His godly ones, their secret devotion will all be brought into the light and **GOD will praise them for their faithful love.** The meaning of the word “praise” in this context can actually be translated, **“Receive Thanks from GOD Himself!”** Can you imagine the day coming when GOD praises His faithful servants:

“Well done, thou good and faithful servant!”
“Forever, O LORD, Your Word is settled in heaven!”
 (Psalm 119:89) **“Thy Word guides me in my choices and decisions; the revelation of Your Word makes my pathway clear!”** (Psalm 119:105) **Make the Bible your fact-checker!**

Article By Barbara Carmack and Jon Shepard

Jon sent this email in August and I believe that it’s important enough to relay to you, because the condition of this country impacts everyone living here...REQUIRED READING FOR ALL OF US:

“If you leave the gate open, the cow will wander off. So if you intentionally leave the gate open, you want the cow to wander off. You can’t blame stupidity or laziness; it was intentional.

If you cut police budgets, you will get more crime on the streets. So if you intentionally cut police budgets, you wanted more crime on the streets.

If you cut back the supply of oil, gas prices will go up. So if you cut back the supply of oil, intentionally you wanted gas prices to go up.

If you print trillions of dollars without increasing the supply of goods, inflation will hit hard. So if you intentionally print trillions of dollars without more goods you wanted inflation to hit hard.

If you leave the southern border wide open, you get more drug trafficking and human trafficking. So if you intentionally leave the border wide open, you want more drug trafficking and human trafficking.

If you shut down 40% of the supply of baby formula in February, you’ll get a huge shortage. When you KNOW a huge baby formula shortage is coming because of the FDA’s actions, and you purposefully do nothing to prevent it, month after month until the crisis finally hits hard, you intended this crisis.

It is time to recognize the evil people behind the old man who is puppet-in-charge. They want a crisis, in order to bring change...they want socialism in every town in America. They want chaos. They want riots. They want conflicts in your town. Their stated purpose years ago with Obama was to ‘take the U.S. down a few notches on the world stage.’ You can feel the quality of your life going down with the country. These are not foolish or misguided people. They are evil people headed somewhere you don’t want to go....”

You can no longer plead ignorance for what is happening in this country. There is an intentional work going on behind the scenes to destroy the greatest country that the world has ever seen. To the Believer, what is happening is unthinkable and there is no sense to what is happening. But to the LORD, everything is on track to bring this world to an end!

Oh, what a Mighty GOD we serve...He has everything taken care of for you and me. Psalm 91:9-11 tells us: **“IF You Make the MOST HIGH Your Dwelling Place, Your Refuge...then NO harm will befall you, NO disaster will come near your dwelling; for HE will command His Angels concerning you to guard you in ALL your ways....”**

I hope that you Believe the passage above with all your heart...because the article above is only the beginning of last day turmoil and economic collapse. The Four Horsemen of the Apocalypse in Revelation 6 are just the beginning of the chaos that lies ahead - 1) Peace taken from the earth, 2) Exorbitant prices on food which results in famine, 3) Death as a result of plagues and diseases (viruses of every kind)...and then...and then:

“Lift up your heads (those of you who are ready will know) for your Redemption draws near!” **“And He will gather together His elect (chosen ones) from the four winds from one end of the sky to the other!”**

Matthew 24:31, Luke 21:28

Keep Looking Up!

Make America Great Again!

Pres. Trump may be considered rude and vulgar by many people who live a "more cultured" lifestyle. But to people who are sick and tired of politician's hypocritical airs, Donald J. Trump is a breath of fresh air - he stands for the American people and speaks out on every issue that the people long for who are part of the "American Way!" For instance, Pres. Trump deregulated the oil and gas companies and

gave orders to continue the Keystone Pipe Line which would've given us much lower gas at the pumps; he did away with the Iran Peace Treaty (now we're looking over our shoulders at the enemies overseas); he brought the American embassy from Tel Aviv to Jerusalem (should've been done many years ago;) he was the most pro-life president we've ever had....and he loves the American people! GOD bless Pres. Donald J. Trump!

"And because lawlessness is increased, most people's love will grow cold!" (Matthew 24:12)

A Wedding Fit For A Princess!

The wedding of Coy Chiddix and Emma Lynae Wells occurred on July 16 at the home of Coy's parents in Colorado Springs. What a joy for Grandma Barbara to see the union of two dedicated people...dedicated to each other and dedicated to the LORD. Dayna gave her daughter away, and Rebekka Kurtz, Emma's identical twin sister, was matron of honor. May GOD bless this union to be fruitful in every way!

"GOD has made everything beautiful in its time; He has set eternity in their hearts...a time to love, and a time for peace!" (Ecclesiastes 3:11, 8)

"Love is patient, Love is kind. Love does not demand its own way and keeps no record of being wrong...Love never gives up, never loses faith; Love is always hopeful and endures through every circumstance!" (I Corinthians 13:4-7)

Letting Go... Article by Kimberly Duell

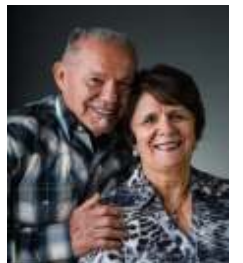

For so many years, I thought "Greater is HE who is in me, than he who is in the world" was just what I needed to flex my "greatness", to put on my armor and wield my warrior self...quote more Scriptures, declare it, claim it - this was me putting on my armor and going into battle. (I still believe in memorizing Scripture, quoting it, claiming it, and declaring it. I'm just much more careful to include "Not my will, but YOUR Will be done, Oh LORD"). This is to show you that we can be thinking on the Word of GOD and still have selfish motives:

I thought, "I will run through a troop and leap over a wall" - *I thought*, "my children are taught of the LORD..." so... we won't have any problems - *I thought*, "upon this Rock my house is built..." so the flood waters won't ever reach us. *I thought* we would manage our finances according to Proverbs and retire early and comfortably. *I thought* I would be a worship leader and travel. *I thought* (because I recorded albums earlier in life), I would train my kiddos to worship in music and we would record together...All Presumption!

There has to be an end to what "*I thought*" and a relinquishment to what GOD thinks - what HE has in store, letting HIS intentions become all I desire; all within me comes from YOU and is all YOUR own - Your Will be done! GOD covenants with us - GOD weds us - for better for worse, GOD will be with us...YOUR will, LORD.... YOUR WILL... When we choose HIS Will instead of our own will, we inherit many "I Wills" from HIM - Look at what we receive!! (I combined 3 different translations - AMP, MSG, and TPT) Psalm 91:14-16: "Because you have set your Love on ME - because you delight in ME, are loyal to MY Name, and you hold onto ME for dear life... I Will deliver you, I Will set you on high, I Will greatly protect you, I Will give MY angels charge over you, I Will answer your cry for help, I Will get you out of any trouble, I Will never forsake you, I Will be with you, I Will give you the best of care, I Will be at your side in bad times, I Will rescue you, and then throw you a party! I Will satisfy you, I Will give you a long life, I Will give you a long drink of salvation, and last but not least, I Will let you experience MY Presence!" Amen!

Home Of Refuge

Saving the Lost...Loving the Unlovable

We are moving in a direction that goes completely AGAINST the culture of our day - a culture that here in Peru reeks of Socialism, among other evils. Just before the writing of this newsletter, our electricity at the Home of Refuge was cut off for a number of hours - without warning - because the power company decided that our 10-gallon water heater demands "too much" electricity. As in other parts of the world, it's never-ending shortages of basic necessities. We get a mouth full of socialistic inflation every time we buy groceries for the Home of Refuge - prices that are twice as much as a year ago. But we MUST keep migrating against the flow of this present evil age because the survival of the next generation depends on it.

The humanistic culture around us says to devalue human life whenever that life becomes an inconvenience. GOD tells us that a pure and faultless spirituality looks after the widows and orphans...and ALL men are created in GOD's image, regardless of their size, age or status.

The flow of evil around us emboldens laziness, greed and irresponsibility - to spend what comes into our hands on pleasures, without regard for GOD or others. In a day where rising costs have many people trying to make a \$20-dollar bill accomplish what a \$50-dollar bill did yesterday, it is tempting to view offerings like a black hole - no matter how many times you give, the need continues while the money seems to disappear.

But GOD paints a different picture of your giving - the children whose lives you have impacted. On August 30 I was 81 years old; I'm not ready to "hang up my gloves" just yet...and so we work together in this great missionary effort to save the lost and love the unlovable. The seeds you plant will always produce a harvest of righteousness in your life and the lives of others.
