

So You Think You're Wasting Your Time?

If you're spiritually alive, you're going to love this! If you're spiritually unaware, you won't want to read it. If you're spiritually curious, there is still hope! You may not be able to explain your Christian life, but you know that GOD has had an impact on how you have lived. A Church goer wrote a letter to the editor of a newspaper and complained that it made no sense to go to church every Sunday. He wrote: "I've gone for 30 years now, and in that time I have heard something like 3,000 sermons, but for the life of me, I can't remember a single one of them. So, I think I'm wasting my time, the preachers and priests are wasting theirs by giving sermons at all". This started a real controversy in the "Letters to the Editor" column.

Much to the delight of the editor, it went on for weeks until someone wrote this clincher: "I've been married for 30 years now. In that time my wife has cooked some 32,000 meals. But, for the life of me, I cannot recall the entire menu for a single one of those meals. But I do know this: They all nourished me and gave me the strength I needed to do my work. If my wife had not given me these meals, I would be physically dead today. Likewise, if I had not gone to church for nourishment, I would be spiritually dead today!"

When you are DOWN to nothing, GOD is UP to something! Faith sees the invisible, believes the incredible and receives the impossible! Thank GOD for our physical and our spiritual nourishment! **IF YOU CANNOT SEE GOD In EVERY-THING, YOU CANNOT SEE GOD AT ALL!**

The Enemy Within...

Article by Barbara Carmack

There is an enemy sweeping across the United States of America and this enemy has advanced on our democracy as a cancer...ever growing and malignant in every way as disease strikes a human being. This enemy doesn't play fair. As Vice Pres. Walt Kelly reported to Pres. William Harrison in 1813, "We have met the enemy and he is us," this is so true of what is happening inside America today. And many years later President John F. Kennedy said: "There's a plot in this country to enslave every man, woman and child. Before I leave this high and noble office, I intend to expose this plot." Well he didn't see his promise through.

We now have a president who is willing to endure this harassment, and risk his reputation to unmask an anti-GOD, humanistic and communistic segment of this society that has raised its ugly head, and is determined to change this country from the inside out. Organizations have come out against the country that deemed itself as the greatest Freedom country in the world, and people have flocked to this nation to take advantage of the freedoms that are afforded by a history of representatives of the Constitution. But there has been opposition to freedom and equal opportunity for everyone, because of greed and power. This anti-GOD spirit has been here from the beginning of mankind, and in the last century higher education institutions have taken up the cause teaching humanism and socialism to the younger generation. This has resulted in two or three generations of people who adamantly oppose any form of democracy, and no longer honor GOD. These organizations come with different labels - "Black Lives Matter", ANTIFA, Southern Poverty Law Center in Alabama, Barack Obama led "Organizing For Action" (OFA), and organizations led by the teachings of Saul Alinsky, a socialist who taught through his "community organization" programs, people like Hillary Rodham (Clinton). This tyrant taught, "Don't talk ideology, just issues. No electoral politics. Build organizations, not movements ... Focus on neighborhoods and on concrete, winnable goals." And that's exactly what we're seeing in the streets of America today...fascism in operation!

Now, we realize, as Believers, that the end times are upon us, and as JESUS promised there would be kingdom against kingdom (people within a country fighting one another). The church knows that it has been good vs. evil since the Garden of Eden. What can the Believer do when Isaiah 5:20 is reality in the 21st century: "**They call evil good and good evil.**" First of all, you know that GOD is more powerful than the enemy...than many thousands of evil spirits, and "**He has not given us a spirit of fear, but of Power and Love and a Sound Mind!**" Hallelujah for that Scripture! Also the Believer knows that "**When the enemy comes in like a flood (and you don't think there's any escape), the LORD lifts up a Standard against him.**" (Isaiah 59:19 AMP) Hallelujah again! You know that "**Greater is He Who is in you than he who is in the world!**" (I John 4:4) Keep your confession pure and strong before the LORD, saying the Word to Him because He says in Isaiah 55:11, "**So shall My Word be that goes forth from My mouth...it shall not return void or empty without accomplishing what I desire (what GOD desires) and succeeding in the matter for which I sent.**" He promised you, "**I will never leave you or forsake you....**" That's a Promise...and

He's a GOD Who Keeps His Promises!

Making America Great Again!

“GOD doesn't always pick perfect people; He picks people who are perfect for the job” = Pres. TRUMP

Remembering 9/11...

Remember 3000 people died on 911 and NOT 1 shot was fired. It's NOT a gun issue it's a HATE issue #truth!!!

“You will keep in perfect Peace all who trust in You... all whose thoughts are fixed on YOU!”

(Isaiah 26:3 Passion)

So You Think You're Hearing the Truth?

When President Trump labeled the media “Fake News” he wasn't far from wrong. Six companies basically run the media outlets: GE owns Comcast, NBC, and Universal Pictures; Newscorp owns Fox, Wall Street Journal and the New York Post; Disney owns ABC, ESPN, Pixar, Miramax, and Marvel Studios; Viacom owns MTV, Nick Jr., SET, CMT and Paramount Pictures; Time Warner owns CNN, HBO, TIME and Warner Bros.; and CBS owns Showtime, Smithsonian Channel, NFL.com, Jeopardy and 60 Minutes (very liberal newscast).

Out of the 1500 newspapers, 1100 magazines, 9000 radio stations, 1500 T.V. stations and 2400 publishers, only 6 corporations own those news outlets mentioned. That's a lot of clout and power, wouldn't you say?

Too many Christians are filling their minds with nonsense news and programs that have no eternal value. When JESUS walked this earth He told those listening, **“...and you shall know the Truth, and the Truth shall make you Free.”** (John 8:32) So what message will make you free? Will the best the world has to offer set you free? Will you become a genius listening to those programs owned by those six corporations? What are they doing for you? What you are doing for them is making them richer than rich!

This is what GOD says to you about truth: **“Who will dwell in My Holy Hill? He who walks with integrity and works in righteousness... and speaks Truth in his heart.”** (Psalm 15:2) **“For I the LORD love justice...and I will direct your work in Truth, and I will make an everlasting covenant with you.”** (Isaiah 61:8)

There are 1500 newspapers, 1100 magazines, 9000 radio stations, 1500 TV stations, 2400 publishers...

An Encouraging Word Changed Thomas Edison's Life!

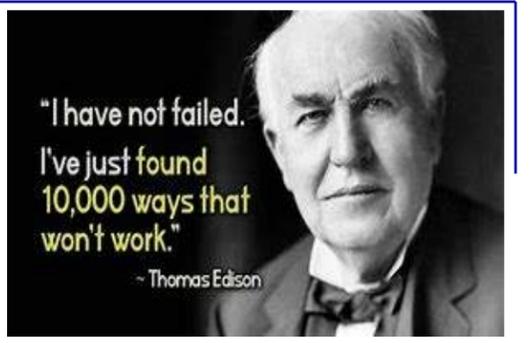

One day Thomas Edison got a letter from his elementary school teacher; the teacher told Thomas to give the letter to his mother, which he did when he came home from school. He told her, “My teacher gave this letter to me and told me to only give it to my mother.” After reading the letter, his mother had tears in her eyes. She read the letter out loud to Thomas: “Your son is a genius; this school is too small for him and we don't have enough good teachers to train him. Please teach him yourself.”

Many years later, after Edison's mother had died, He was looking through the home for old family belongings and as he went through a drawer he found a folded piece of paper; it was the letter that his elementary teacher had written. He opened it up and on the paper it was written: “Your Son is added [mentally ill/ retarded]. I am sorry but we cannot allow him to attend our school anymore; he is expelled.” Those words of encouragement from Alva Edison, Thomas's mother, gave him a boost of encouragement that day that the world is richer for, because he became the outstanding inventor of the 20th Century!

Some of Edison's inventions included the phonograph, movie camera, automatic telegraph, and a longer lasting light bulb which had been invented by Alexander Graham Bell. Later in his life he produced an alkaline storage battery. Batteries were already in use but had short life-span. So Edison decided to take on the challenge of inventing a lighter more dependable and powerful battery. Although Henry Ford's Model T ran on an internal combustion engine, Edison's storage battery was used in mining lamps, trains and submarines, and turned into the most important product of Edison's later career. He has recorded more than 1500 patents in his career, and without his genius you would not have the iPhone you carry with you everywhere you go.

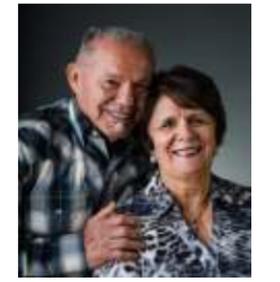

Some famous Edison quotes: “Many of life's failures are people who did not realize how close they were to success when they gave up.” “We often miss an opportunity because it's dressed in overalls and looks like work.” “5% of the people think, 10% of the people think they think, and the other 85% would rather die than think.” “Genius is one percent inspiration, ninety-nine percent perspiration.” “The three great essentials to achieve anything worthwhile are, first, hard work; second, stick-to-itiveness (faithfulness); third, common sense.” “When you have exhausted all possibilities, remember this - you haven't.”

Home Of Refuge

Saving the Lost...Loving the Unlovable

Thank you for your generous giving to Home of Refuge. Because of your giving, children are able to go to school and learn to be responsible adults. We found that the living conditions that some have come out of are deplorable - photo on the left (barely any shelter at all). What would you do if you lived in squalor with no running water and no electricity and no bathroom?

It is such a privilege to bring New Life to so many of these precious people. We cannot save everyone out in the streets, but we can help to change the lives of many who have come to us...and teaching them about JESUS is a Joy and a Privilege! Your giving has made it possible for us to forge ahead in saving lives out of the devils clutches - Praise the LORD! We love you and are so grateful for your partnering with us!
